

EMERGING DIGITAL TECHNOLOGIES

Awards & Summit 2019

ENTRY OPEN FOR NOMINATIONS

Open: 10th May, 2019 • Close: 30th June, 2019

The innovative use of Emerging Digital Technologies (AI, IOT, Blockchain, Robotics) for business and governance transformation is now rapidly gaining acceptance and appreciation. We are beginning to see the initial benefits as well as the challenges of application of these disruptive and transformational technologies.

To ensure learning and adoption, it is important to bring to light some of the best practices and initiatives which the others can use to follow. From that perspective, ASSOCHAM proposes to recognize the use of emerging technologies through Awards and a Summit.
