<td>Government of India to facilitate return of Indian Nationals stranded abroad (04.05.2020)</td>
<td>Government of India will be facilitating the return of Indian nationals stranded abroad on compelling grounds in a phased manner. The travel would be arranged by aircraft and naval ships. The Standard Operating Protocol (SOP) has been prepared in this regard. Indian Embassies and High Commissions are preparing a list of distressed Indian citizens. This facility would be made available on payment-basis. Non-scheduled commercial flights would be arranged for air travel. The travel would begin in a phased manner from May 7. Medical screening of passengers would be done before taking the flight. Only asymptomatic passengers would be allowed to travel. During the journey, all these passengers would have to follow the protocols, such as the Health Protocols, issued by the Ministry of Health and the Ministry of Civil Aviation. On reaching the destination, everyone would have to register on the Aarogya Setu app. Everyone would be medically screened. After scrutiny, they would be quarantined for 14 days, either in a hospital or in an institutional quarantine on payment-basis, by the concerned State government. COVID test would be done after 14 days and further action would be taken according to health protocols. The Ministries of External Affairs and Civil Aviation would soon share detailed information about it through their websites.</td>

<td>Ministry of Home Affairs writes to States/UT to ensure free movement of trucks/goods carriers; essential to maintain supply chain of goods and services in the country (30.04.2020)</td>
<td>Union Ministry of Home Affairs (MHA) has re-iterated to all States/UTs that, as per the consolidated revised guidelines on lockdown measures, no separate passes are required for through traffic of trucks and goods carriers, including empty trucks etc. In the communication, it has been stressed that this free movement is essential for maintaining the supply chain of goods and services across the country during the lockdown period. In order to ensure compliance to these guidelines, MHA has asked all States and UTs to ensure that district authorities and field agencies are sensitized about the above instructions, so that there is no ambiguity at the ground level, and movement of through traffic of trucks and goods carriers, including empty trucks, is allowed without any hindrance.</td>

### 12. Odisha

**UPDATE (03.05.2020)**

The state government issued an order extending the lockdown in the state starting from the 4th of May till midnight of the 17th of May 2020.

### 13. Rajasthan

**UPDATE (02.05.2020)**

The state government issued an order extending the lockdown in the state till the 17th of May.

### 14. Assam

**UPDATE (04.05.2020)**

The Assam government decided to open the wine shops in the green zones across the state from May 2. As manufacturing of Indian-made foreign liquor (IMFL) already started in Assam from April 22, the opening of the wine shops has come as a breather for the retailers who were incurring huge losses due to the lockdown.

**UPDATE (03.05.2020)**

**Update 1:** Assam government has imposed a curfew from 6 pm to 6 am in the state due to third phase of Covid-19 lockdown that will commence from Monday, May 4. Assam withdrew numerous Covid-19 lockdown restrictions in its green zone area covering 29 of the 33 districts to allow resumption of select daytime economic activities between 6am and 6pm. Only pharmacies are exempted from these restrictions.

**Update 2:** Assam Chief Minister Sarbananda Sonowal constituted an economic advisory committee as a measure to revive the state economy and break the stagnation brought by the Covid-19 pandemic. The eight-member committee led by retired IAS officer Subhash Das would study various aspects of the state’s economy and provide recommendations to bring back economic buoyancy through systematic interventions.

**Update 3:** The Assam state government has designed an evacuation plan by categorizing stranded people into three groups — travelling from outside the NE region by personal or hired vehicles, travelling by trains and those confined within the NE region. Further, the state has been divided into five zones according to the destinations of these home-bound people and one quarantine centre has been set up in each zone.

### Update 3

The Punjab Health Department has issued advisory for the special care of Elderlies/Senior citizens during the COVID-19 pandemic. All senior citizens are advised to stay inside the house at all the times, avoid having any visitors at home. If a meeting is essential, the sitting arrangement should be such that a minimum distance of 1 metre amongst the participants is maintained. Handshakes/hugs to greet each other should be avoided.

**UPDATE (02.05.2020)**

The Punjab Government announced that the shops in Punjab will now open in the green and orange zones, across districts, from 9 a.m. to 1 p.m. beginning 4th April 2020. There would be however, no relaxations in red and containment zones. The decision to change the timings from the current 7-11 a.m. has been taken in response to requests from people in various districts to open the shops after 9 a.m., keeping the convenience of the people in mind in making the change.

### 23. Chhattisgarh

**UPDATE (03.05.2020)**

The Government of Chhattisgarh have ordered proper transport services for migrants willing to return back home. Migrants who are not willing to do so will be living in quarantine homes allotted by the government.

**UPDATE (02.05.2020)**

The Government of Chhattisgarh has decided to prohibit all inter and intra state public transport services from 4th May, until the period of the extended lockdown.

### 24. Bihar

**UPDATE (03.05.2020)**

The state government issued an order with respect to the extension of the lockdown within the state.
1. **Ministry of Home Affairs issues new guidelines for the 3rd lockdown (01.05.2020)**

The Ministry of Home Affairs (MHA), Government of India (GoI) issued an Order under the Disaster Management Act, 2005, to further extend the Lockdown for a further period of 2 weeks with effect from May 4, 2020.

- MHA also issued new guidelines to regulate different activities in this period, based on the risk profiling of the districts of the country into Red (hotspot), Green and Orange Zones. The guidelines have permitted considerable relaxations in the districts falling in the Green and Orange Zones.
- Under the new guidelines, a limited number of activities will remain prohibited throughout the country, irrespective of the Zone. These include travel by air, rail, metro and inter-State movement by road; running of schools, colleges, and other educational and training/coaching institutions; hospitality services, including hotels and restaurants; places of large public gatherings, such as cinema halls, malls, gymnasiums, sports complexes etc; social, political, cultural and other kinds of gatherings; and, religious places/places of worship for public. However, movement of persons by air, rail and road is allowed for select purposes, and for purposes as permitted by MHA.
- In the Red Zones, outside the Containment Zones, certain activities are prohibited in addition to those prohibited throughout the country. These are: plying of cycle rickshaws and auto rickshaws; running of taxis and cab aggregators; intra-district and inter-district plying of buses; and barber shops, spas and saloons. Certain other activities have been allowed in the Red Zones with restrictions.

2. **Special Trains to be operated for Movement of Stranded Persons (01.05.2020)**

Union Ministry of Home Affairs (MHA) has issued an order to allow the movement of migrant workers, pilgrims, tourists, students and other persons, stranded at different places across the country, by special trains to be operated by Ministry of Railways (MoR).

- MoR would designate nodal officer(s) for coordinating with State/UTs for their movement.
- It would also issue detailed guidelines for sale of tickets; for social distancing and other safety measures to be observed at train stations, train platforms and within the trains.

3. **Prime Minister holds a comprehensive meeting to discuss strategies on boosting investment in India (30.04.2020)**

Prime Minister Narendra Modi held a comprehensive meeting to discuss strategies to attract more foreign investments into India as well as to promote local investments in order to give a boost to the economy against the backdrop of the COVID-19 Pandemic.
### Key points discussed during the meeting are given below:

- A scheme should be developed to promote more plug and play infrastructure in the existing industrial lands/plots/estates in the country and provide necessary financing support
- Various strategies to bring investments into India in a fast-track mode and to promote Indian domestic sectors
- Guiding states to evolve their strategies to attract more investments proactively
- Time bound action to remove obstacles impeding promotion of investment and industrial growth and reform initiatives undertaken by the various Ministries.
- Prime Minister directed that the action should be taken for a more proactive approach to handhold the investors, to look into their problems and help them in getting all the necessary Central and State clearances in a time bound manner.

### 4. Centre Facilitates the Inter State Movement of Stranded People including Migrant Labourer in the country, in wake of COVID-19 Pandemic (29.04.2020)

As a result of lockdown restrictions to fight COVID-19, migrant workers, pilgrims, tourists, students and other persons are stranded at different places in the country. Now, the Centre has permitted the movement of these stranded persons by road. They would be allowed to move between one State/ UT to another State/ UT, after the concerned states consult each other and mutually agree to.

It has also been impressed upon that on arrival at their destination, such person(s) would be assessed by the local health authorities, and kept in home quarantine, unless the assessment requires keeping the person in institutional quarantine. They would be kept under watch with periodic health check-ups.

### 5. UGC Guidelines on Examinations and Academic Calendar for the Universities in View of COVID-19 and Subsequent Lockdown (29.04.2020)

In view of Covid-19 pandemic and subsequent lockdown, the University Grants Commission constituted an Expert Committee to deliberate and make recommendations on the issues related to the Examinations and the Academic Calendar to avoid academic loss and take appropriate measures for the future of students.

The Expert Committee was headed by Prof. R. C. Kuhad, Former Member, UGC and Vice Chancellor, Central University of Haryana, Mahendergarh, Haryana along with other members.

The Commission at its meeting held on 27.4.2020 accepted the Report of the Committee and approved the Guidelines on Examinations and Academic Calendar.

These UGC guidelines on Examinations and Academic Calendar for the Universities in View of COVID-19 Pandemic and Subsequent Lockdown were issued in presence of Union HRD Minister Shri Ramesh Pokhriyal ‘Nishank’ in New Delhi.

The following are the main recommendations in the guidelines issued by UGC:

- Intermediate Semester Students: Will be graded based on internal assessment of the present and previous semester. In states where the COVID-19 situation has normalized, there will be exams in the month of July.

<th>PM interacts with CMs to plan for tackling COVID-19 (27.04.2020)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prime Minister Shri Narendra Modi today interacted with Chief Ministers of states via video conferencing to discuss the emerging situation and plan for tackling the COVID-19 pandemic. This was the fourth such interaction of the Prime Minister with the Chief Ministers. Given below are the key highlights from the interaction:</td>
<td></td>
</tr>
<tr>
<td><strong>Impact of Lockdown</strong></td>
<td></td>
</tr>
<tr>
<td>• The Prime Minister underlined that the lockdown has yielded positive results as the country has managed to save thousands of lives in the past one and a half months.</td>
<td></td>
</tr>
<tr>
<td>• He added that India’s population is comparable to that of the combined population of several countries.</td>
<td></td>
</tr>
<tr>
<td>• He however forewarned that the danger of the virus is far from over and constant vigilance is of paramount importance.</td>
<td></td>
</tr>
<tr>
<td><strong>Importance of Social Distancing</strong></td>
<td></td>
</tr>
<tr>
<td>• Reiterating the mantra of ‘do gaz doori’, he said that masks and face covers will become part of our lives in the days ahead. He pointed out that many people are self-declaring whether they have cough and cold or symptoms, and that this is a welcome sign.</td>
<td></td>
</tr>
<tr>
<td><strong>Imperatives for the future</strong></td>
<td></td>
</tr>
<tr>
<td>• The Prime Minister said that we have to give importance to the economy as well as continue the fight against COVID-19.</td>
<td></td>
</tr>
<tr>
<td>• He emphasized on the importance of usage of technology as much as possible and also to utilize time to embrace reform measures.</td>
<td></td>
</tr>
<tr>
<td>• He also suggested that people associated with Universities can be integrated on devising ways to fight the pandemic and strengthen research as well as innovation.</td>
<td></td>
</tr>
<tr>
<td><strong>Priorities for states</strong></td>
<td></td>
</tr>
<tr>
<td>• He highlighted the importance for states to enforce guidelines strictly in the hotspots i.e. the red zone areas. He stated that the efforts of the states should be directed towards converting the red zones into orange and thereafter to green zones.</td>
<td></td>
</tr>
<tr>
<td>• As of now, four states viz Maharashtra, Telangana, Andhra Pradesh, Tamil Nadu and Delhi amongst the UTs have urged for an extension of the lockdown.</td>
<td></td>
</tr>
<tr>
<td>• States are presently working on relaxing curbs within hotspots and a strategy for phased lifting of the lockdown regulations.</td>
<td></td>
</tr>
<tr>
<td>• The Chief Ministers spoke about the need to keep a close vigil on international borders, and also on addressing the economic challenge and ways to further boost health infrastructure.</td>
<td></td>
</tr>
</tbody>
</table>
|   | Ministry of Home Affairs clarification on operation of shops (24.04.2020) | The Ministry of Home Affairs issues a clarification order regarding the operation of shops:
- In rural areas, all shops, except those in shopping malls are allowed to open.
- In urban areas, all standalone shops, neighborhood shops & shops in residential complexes are allowed to open. Shops in markets/market complexes and shopping malls are not allowed to open.
- It is clarified that sale by e-commerce companies will continue to be permitted for essential goods only.
- It is further clarified that sale of liquor and other items continues to be prohibited as specified in the National Directives for COVID-19 management. |

<tbody>
<tr>
<td>8.</td>
<td>Central Government constitutes Inter- Ministerial Central Teams (IMCT) to make assessment of situation and augment State efforts to fight and contain spread of COVID-19 effectively (24.04.2020)</td>
<td>The Centre has constituted Inter-Ministerial Central Teams (IMCTs), two for Gujarat and one each for Telangana, Tamil Nadu and Maharashtra (area of responsibility of earlier constituted Mumbai-Pune team expanded). These teams would make on-spot assessment of situation and issue necessary directions to State Authorities for its redressal and submit their report to Central Government in larger interest of general public. The situation is serious in major hotspot districts or emerging hotspots like Ahmedabad and Surat (Gujarat); Thane (Maharashtra); Hyderabad (Telangana); and Chennai (Tamil Nadu). These teams would use expertise of the Centre and augment State efforts to fight and contain spread of COVID-19 effectively.</td>
</tr>
<tr>
<td>9.</td>
<td>Ministry of Home Affairs issues clarifications on misplaced apprehensions of Industry (23.04.2020)</td>
<td>The notification clarifies that the consolidated revised guidelines do not curtail the exemptions that had already been provided earlier unless the exempted activity falls within a containment zone. Therefore, no fresh approvals are required for industries already permitted to operate prior to April 15. The Home Secretary has asked Chief Secretaries of all states to ensure that guidelines are not misused to harass the management of any manufacturing/commercial establishment.</td>
</tr>
<tr>
<td>10.</td>
<td>Promulgation of an Ordinance to amend the Epidemic Diseases Act, 1897 in the light of the pandemic situation of COVID-19 (22.04.2020)</td>
<td>The Union Cabinet has approved promulgation of an Ordinance to amend the Epidemic Diseases Act, 1897 to protect healthcare service personnel and property including their living/working premises against violence during epidemics. The President has given his assent for promulgation of the Ordinance. The Ordinance provides for making such acts of violence cognizable and non-bailable offences and for compensation for injury to healthcare service personnel or for causing damage or loss to the property in which healthcare service personnel may have a direct interest in relation to the epidemic. The current Ordinance is intended to ensure that during any situation akin to the current pandemic, there is zero tolerance to any form of violence against healthcare service personnel and damage to property.</td>

<td>Cabinet approves Rs. 15,000 Crore for ‘India COVID-19 Emergency Response and Health System Preparedness Package’ (22.04.2020)</td>
<td>The Union Cabinet chaired by the Prime Minister; Shri Narendra Modi has approved significant investments to the tune of Rs. 15,000 crores for ‘India COVID-19 Emergency Response and Health System Preparedness Package’. The funds sanctioned will be utilized in 3 Phases and for immediate COVID-19 Emergency Response (an amount of Rs. 7,774 Crore) has been provisioned and rest for medium-term support (1-4 years) to be provided under mission mode approach. The key objectives of the package include mounting emergency response to slow and limit COVID-19 in India through the development of diagnostics and COVID-dedicated treatment facilities, centralized procurement of essential medical equipment and drugs required for treatment of infected patients, strengthen and build resilient National and State health systems to support prevention and preparedness for future disease outbreaks, setting up of laboratories and bolster surveillance activities, bio-security preparedness, pandemic research and proactively engage communities and conduct risk communication activities. These interventions and initiatives would be implemented under the overall umbrella of the Ministry of Health and Family Welfare. In Phase 1, the Ministry of Health &amp; Family Welfare with the support of all the other line ministries has already undertaken several activities like: • Additional funds to the tune of Rs 3,000 Cr have been released under the Package to State/UTs, for strengthening of existing health facilities as COVID Dedicated Hospitals, Dedicated COVID Health Center and Dedicated COVID Care Centers. Detailed guidelines, protocols and advisory for quarantine, isolation, testing, treatment, disease containment, decontamination, social distancing and surveillance. Hotspots have been identified and appropriate containment strategies are being implemented.</td>

|   | Diagnostics laboratories network has been expanded and our testing capacity increasing every day. In fact, leveraging on the existing multi-disease testing platforms under National TB Elimination Programme, orders for procurement of 13 lakhs diagnostic kits have been placed to augment COVID 19 testing.  
   | All health workers including Community Health Volunteers (ASHAs) have been covered with insurance under the “Pradhan Mantri Garib Kalyan Package: Insurance Scheme for Health Workers lighting COVID-19”. Personal Protection Equipment (PPE), N95 masks and ventilators, testing kits and drugs for treatment are being procured centrally.  
   | The major share of the expenditure will be used for mounting robust emergency response, strengthening National and State health systems followed by strengthening pandemic research and multi-sector national institutions and platforms for One-Health, community engagement and risk communications and implementation, management, capacity building, monitoring and evaluation component.  
   | M/o Health & Family Welfare has been authorized to re-appropriate resources among components of the package and among the various implementation agencies (National Health Mission, Central Procurement, Railways, Dept. of Health Research/ICMR, National Centre for Disease Control) as per the evolving emergent situation.  
   | Ministry of Home Affairs (MHA) has issued an order to exempt certain activities under the consolidated revised guidelines.  
   | Through the notification, the Government has exempted additional agricultural and forestry items, shops of educational books for students and shops of electric fans from lockdown restrictions to fight COVID19. Further, MHA has also issued SOPs on sign-on/sign-off for Indian seafarers at Indian ports and their movement for the same.  
   | The Ministry of Home Affairs has put out a clarification specifying the activities that would be included as exemptions under the revised lockdown guidelines. These activities are as follows:  
   | Social sector under clause 8(i) include bed side attendants and care givers of senior citizens residing in their homes.  
   | Public utilities under clause 11(v) include recharge facilities for prepaid mobile connection.  
   | Supply of essential goods under clause 13(i) include food processing units such as bread factories, milk processing plants, flour mills, dal mills etc. located in urban areas.  
   | In order to effectively track the home-quarantines citizens and ensure they are staying in the home, a mobile application named Saiyam has been developed by the Pune Municipal Corporation under Smart Cities Mission (SCM).  
   | The city administration has appointed dedicated teams for five zones to conduct a follow-up with people under home quarantine daily. The teams will check on people who have recently returned from international trips and those discharged after treatment for COVID-19. |
Accordingly, the teams will seek updates from quarantined people on their health status and details of persons in contact with them. For persons sporting the home quarantine stamp, the teams will check if separate food, bed, utensils, clothes and washrooms are provided to them. The teams will check if those under home quarantine have downloaded the Saiyam Mobile Application. The Mobile Application has GPS tracking so that whenever quarantined citizens leave their homes, City Administration gets alerted and the local ward or the local police station gets informed, who then visit the family.

17. Road Ministry launches dashboard containing list of Dhabas and Truck Repair Shops (20.04.2020)

The Ministry of Road Transport and Highways (MoRTH) has created a dashboard link on its website for providing list and details of Dhabas and Truck repair shops available across the country by various organisations like NHAI, States, Oil Marketing companies. This is intended to facilitate the truck / cargo drivers and cleaners in their movement while traveling between different places of the country for delivering required goods in the present challenging times of lockdown announced to curb Covid-19 pandemic. A regular contact is being maintained with various stake holders particularly States/UTs, Oil Marketing Companies (OMCs), etc in providing information which is then updated on the dashboard link on MoRTH website.

18. Central Government constitutes 6 Inter-Ministerial Teams to make assessment of situation and augment State efforts to fight and contain spread of COVID-19 effectively (20.04.2020)

The Centre has constituted 6 Inter-Ministerial Central Teams (IMCTs), two each for West Bengal and Maharashtra and one each for Madhya Pradesh and Rajasthan to make on-spot assessment of situation and issue necessary directions to State Authorities for its redressal and submit their report to Central Government in larger interest of general public. The team will be sent to Indore (MP), Mumbai and Pune (Maharashtra), Jaipur (Rajasthan), Howrah, Medinipur East, 24 Parganas North, Darjeeling, Kalimpong and Jalpaiguri in West Bengal. IMCTs to focus on complaints of implementation of lockdown measures as per guidelines, supply of essential commodities, social distancing, preparedness of health infrastructure, safety of health professionals and conditions of the relief camps for labour and poor people. The Committees have been constituted by the Central Government in exercise of the powers, conferred, inter alia, under Section 35(1), 35(2)(a), 35(2)(e) and 35(2)(i) of the Disaster Management Act 2005. The IMCTs will focus their assessment on the compliance and implementation of lockdown measures as per guidelines issued under the Disaster Management Act 2005; they will also focus on issues like the supply of essential commodities, social distancing in movement of people outside their homes, preparedness of the health infrastructure, hospital facility and sample statistics in the District, safety of health professionals, availability of test kits, PPEs, masks and other safety equipment, and conditions of the relief camps for labour and poor people.
| 19. | SoP for movement of stranded labour within the state (19.04.2020) | In order to facilitate the movement of stranded labour within the state, the Ministry of Home Affairs has issued the following guidelines:  
• Migrant labourers should be registered with the concerned local authority and their skill mapping should be carried out to ascertain their suitability for various kinds of works.  
• If the migrant labourers wish to return to their place of work, within the state where they are presently located, they should be screened and those who are asymptomatic should be transported to their respective places of work.  
• There shall be no movement of labour outside the state/UT from where they are currently located.  
• Safe social distancing and sanitization procedures as prescribed by the Health Authorities should be ensured during the journey by bus.  
• Local authorities shall also provide food, water etc. for the journey. |
| 20. | Prohibition on delivery of non-essential goods by e-commerce companies (19.04.2020) | The Ministry of Home Affairs has put out a clarification stating that the sale of non-essential goods by e-commerce companies shall remain prohibited during the lockdown. However, e-commerce companies will continue to operate for essential goods as had been allowed earlier. |
| 21. | Letter from Home Secretary regarding strict implementation of lockdown orders (19.04.2020) | The Home Secretary has written to chief Secretaries and Administrators of all state governments and Union Territories reiterating that they should not dilute any of the guidelines issued under the Disaster Management Act, 2005.  
States/UTs have been allowed to impose stricter measures than those prescribed within the guidelines depending on the requirement of the local areas. |
| 22. | Grant of Consular Services to Foreign Nationals, presently residing in India (17.04.2020) | It has been decided to extend the period of providing the following consular services by the Office of Foreigners Regional Registration Officers/ Foreigners Registration Officers to foreign nationals, presently stranded in India:  
• Regular visa, e-visa or stay stipulation, of such foreign nationals who have been stranded in India because of spread of COVID-19 in many parts of the world and also due to travel restrictions imposed by the Indian authorities and whose visas have expired or would be expiring during the period from 01.02.2020 (Midnight) to 03.05.2020 (Midnight), would be extended till midnight of 03.05.2020 on ‘GRATIS’ basis, after making online application by the foreigner. Exit to such foreign nationals, if so, requested by them during this period, will also be granted to them up to 14 days beyond 03.05.2020 i.e. 17.05.2020 without levy of overstay penalty. |
| 23. | Suspension of visas of Foreigners and all incoming Passenger Traffic into India through Immigration Check Posts (17.04.2020) | Union Ministry for Home Affairs (MHA) has decided to extend the suspension of all existing visas granted to foreigners, except to those belonging to diplomatic, official, UN/international organizations, employment, and project categories, till 3rd May 2020.  
MHA has further directed that all incoming passenger traffic into India through any of the 107 Immigration Check Posts shall remain suspended till 3rd May 2020.  
However, no such restriction would apply to vehicles, planes, ships, conveyance, trains etc. carrying any goods and supplies whether essential or non-essential. Their crew, sailor, driver, helper, cleaner etc. shall be subjected to thorough medical screening for COVID-19. |
Governor of the Reserve Bank of India Shaktikanta Das announced a set of nine measures to revive the struggling domestic economy. This follows the earlier set of measures announced by RBI on March 27, 2020. Making the announcements through an online address, the Governor stated that the human spirit is ignited by the resolve to overcome the COVID-19 pandemic which has “gripped the world in its deadly embrace”.

The RBI Governor said that the additional measures are aimed to:
- Maintain adequate liquidity in the system and its constituents in the face of COVID-19 related dislocations
- Facilitate and incentivise bank credit flows
- Ease financial stress, and
- Enable the normal functioning of markets

The Governor said that the central bank will use all its instruments to address the daunting challenges posed by the epidemic. He said that the overarching objective is to help ensure that finance keeps flowing to all stakeholders, especially those that are disadvantaged and vulnerable. He expressed the hope that together, the nation will cure and endure the situation.

Here is an overview of the nine announcements made today. The full statement by the Governor can be read here.

### Liquidity Management

1) **Targeted Long-Term Operations (TLTRO) 2.0**

A second set of targeted long-term repo operations (TLTRO 2.0) for an initial aggregate amount of Rs. 50,000 crore will be conducted. This is being done to facilitate funds flow to small and mid-sized corporates, including NBFCs and MFIs, who have been more severely impacted by the disruptions due to COVID-19. The funds availed by banks under TLTRO 2.0 should be invested in investment grade bonds, commercial paper, and non-convertible debentures of non-banking financial companies (NBFCs), with at least 50 per cent of the total amount availed going to small and mid-sized NBFCs and micro finance institutions (MFIs).

2) **Refinancing Facilities for All India Financial Institutions**

Special refinancing facilities for a total amount of Rs. 50,000 crore will be provided to National Bank for Agriculture and Rural Development (NABARD), the Small Industries Development Bank of India (SIDBI) and the National Housing Bank (NHB) to enable them to meet sectoral credit needs. This will comprise Rs. 25,000 crore to NABARD for refinancing regional rural banks (RRBs), cooperative banks and micro finance institutions (MFIs); Rs. 15,000 crore to SIDBI for on-lending/refinancing; and Rs. 10,000 crore to NHB for supporting housing finance companies (HFCs).
These facilities are being provided since these institutions are facing difficulties in raising finances from the market, in view of the difficult financial conditions in view of COVID-19. The Governor said that advances under this facility will be charged at the RBI’s policy repo rate at the time of availment, in order to enable them to provide credit at rates affordable for their borrowers.

3) Reduction of Reverse Repo Rate under Liquidity Adjustment Facility

Reverse repo rate has been reduced by 25 basis points from 4.0% to 3.75% with immediate effect, in order to encourage banks to deploy surplus funds in investments and loans in productive sectors of the economy. The Governor explained that the surplus liquidity in the banking system, which has risen significantly due to sustained government spending and the various liquidity enhancing measures undertaken by the RBI, is the backdrop to this decision.

4) Raising Limit of Ways and Means Advances of states and UTs

Ways and Means Advances (WMAs) Limit of states and union territories has been increased by 60% over and above the limit as on March 31, 2020, in order to provide greater comfort to states for undertaking COVID-19 containment and mitigation efforts, and also to help them plan their market borrowing programmes better.

WMAs are temporary loan facilities provided by RBI to help governments tide over temporary mismatches in receipts and expenditure. The increased limit will be available till September 30, 2020.

Regulatory Measures

In addition to the measures announced by RBI on March 27, 2020, the bank announced additional regulatory measures to lessen debtors’ burden in wake of the pandemic.

5) Asset Classification

With respect to recognition of Non-Performing Assets (NPAs), the central bank has decided that the payment moratorium period, which lending institutions have been permitted to grant as per RBI’s announcement on March 27, 2020, will not be considered while classifying assets as NPAs. i.e., the moratorium period will be excluded while considering 90-day NPA norm for those accounts for which lending institutions decide to grant moratorium or deferment and which were standard as on March 1, 2020.

This means that there will be an asset classification standstill for such accounts from March 1 - May 31, 2020. NBFCs will have the flexibility under the prescribed accounting standards to provide such relief to their borrowers.

Simultaneously, banks have been asked to maintain higher provision of 10% on all accounts whose classification has been put on a standstill as above, so that banks maintain sufficient buffers.
<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>6) Extension of Resolution Timeline</strong>&lt;br&gt;Recognizing challenges to resolution of stressed assets or accounts which are or are likely to become NPAs, the period for implementation of resolution plan has been extended by 90 days. Currently, scheduled commercial banks and other financial institutions are required to hold an additional provision of 20 per cent if a resolution plan has not been implemented within 210 days from the date of such default.</td>
<td></td>
</tr>
<tr>
<td><strong>7) Distribution of Dividend</strong>&lt;br&gt;It has been decided that scheduled commercial banks and cooperative banks shall not make any further dividend pay-outs from profits pertaining to FY 2019-20; the decision will be reviewed based on the financial position of banks at the end of the second quarter of the financial year 2019-20. This has been done in order to enable banks to conserve capital so that they can retain their capacity to support the economy and absorb losses in an environment of heightened uncertainty.</td>
<td></td>
</tr>
<tr>
<td><strong>8) Lowering of Liquidity Coverage Ratio requirement</strong>&lt;br&gt;To improve the liquidity position for individual institutions, Liquidity Coverage Ratio requirement for scheduled commercial banks has been brought down from 100% to 80% with immediate effect. This will be gradually restored in two phases - 90% by October 1, 2020 and 100% by April 1, 2021.</td>
<td></td>
</tr>
<tr>
<td><strong>9) NBFC Loans to Commercial Real Estate Projects</strong>&lt;br&gt;The treatment available for loans to commercial real estate projects with respect to the date for commencement for commercial operations (DCCO) has been extended to NBFCs, in order to provide relief to both NBFCs and the real estate sector. As per the current guidelines, DCCO in respect of loans to commercial real estate projects delayed due to reasons beyond the control of promoters can be extended by an additional one year, over and above the one-year extension permitted in normal course, without treating the same as restructuring.</td>

| 36. | Letter from Home Secretary to Chief Secretaries of all states and Administrators of all UT’s | 14.04.2020 | The Ministry of Home Affairs has written to Chief Secretaries of all States and UT’s regarding strict implementation of guidelines during the extension of lockdown. The Ministry of Home Affairs has reiterated the following:  
- The restrictions imposed on various sectors and activities shall remain in force. They must be enforced by all Ministries/Departments of the Government of India and by State/Union Territory Governments and Departments.  
- The restrictions issued cannot be diluted by State/Union Territories.  
- States/Union Territories should strictly implement the direction issued by the Ministry under the Disaster Management Act of 2005. |
| 37. | Prime Minister’s address to the nation | 14.04.2020 | Prime Minister Narendra Modi, during his speech on 14th April, announced that India will continue to be in lockdown till May 3, 2020. The lockdown which was initially imposed for 21 days till April 14 has now been extended for 19 more days.  
The PM said till April 20, all districts, localities, states will be closely monitored, as to how strictly they are implementing norms. States which will not let hotspots increase, may be allowed to let some important activities resume, but with certain conditions. Some relaxations may be allowed after April 20 in places where there are no hotspots.  
The Prime Minister also assured citizens regarding the availability of enough stock of essential goods in the country.  
Elaborate guidelines for the implementation of the orders will be released in the coming days. |
| 38. | The Ministry of Labour and Employment has set up 20 control rooms to address wage related grievances of workers | 14.04.2020 | The Ministry of Labour and Employment has set up 20 control rooms under the Office of Chief Labour Commissioner (CLC) (C) on pan India basis due to issues arising in the backdrop of Covid-19. These control rooms have been set up for following purposes:  
a. To address wage related grievances of workers employed in Central Sphere.  
b. To mitigate the problems of migrant workers through coordination with various state governments.  
These call centers can be accessed by the workers through Phone numbers, Whatsapp and Emails. These control rooms are being managed by Labour Enforcement Officers, Assistant Labour commissioners, Regional Labour Commissioners, and Deputy Chief Labour Commissioners of the respective regions. The functioning of all 20 call centers are being monitored and supervised by Chief Labour Commissioner (C) of Head Quarter on daily basis. |

| 42. | MHA directs States to implement lockdown guidelines in letter & spirit to ensure smooth movement of inter & intrastate cargo, trucks, workers & functioning of warehouse/cold storages (12.04.2020) | To bring clarity at the implementation level, the following instructions regarding activities permitted by the Ministry of Home Affairs has been reiterated for strict observance by authorities:  
- Inter-state and intra-state movement of all trucks and other goods/carrier vehicles with one driver and one additional driver, irrespective of the nature of cargo, is allowed as long as the driver is carrying a valid license.  
- Empty trucks/goods should also be allowed to operate while on the way to pick up goods or returning after completing a delivery.  
- MSMEs engaged in manufacture of essential goods like wheat flour, pulses and edible oils should be allowed to function freely without any hindrances.  
- Warehouses/cold storages should be allowed to freely function with allowance for to and from movement of trucks without regard to nature of good whether essential or not. Warehouses of companies should also be allowed to operate. |
| 43. | MHA writes to all States/UTs to ensure compliance of Supreme Court directions on Welfare of Migrant Laborer’s housed at Relief Shelters/Camps (12.04.2020) | In view of the Supreme Court of India directions regarding welfare of migrant labourers housed at relief shelters/camps in different parts of country, Union Ministry of Home Affairs (MHA) has written to all States/UTs to take necessary action in compliance of the directions of the Court, while implementing lockdown measures to fight COVID-19 effectively. The Court directed that adequate medical facilities besides proper arrangements for food, clean drinking water and sanitation be ensured for migrant workers at relief camps/shelters across the country. Further, trained counsellors and/ or community group leaders belonging to all faiths should visit the relief camps/ shelter homes and deal with any consternation that the migrants might be going through. |
The Court also observed that the anxiety and fear of the migrants should be understood by the police and other authorities, and that they should deal with the migrants in a humane manner. Further, the State Governments/ UTs should endeavor to engage volunteers along with the police to supervise the welfare activities of the migrants.

| 45. | Prime Minister Interacts with Chief Ministers to Strategize Ahead for Tackling COVID-19 | Prime Minister Narendra Modi interacted with Chief Ministers of all states via video conferencing to strategize ahead for tackling COVID-19. This was the third such interaction of the Prime Minister with the Chief Ministers, the earlier ones had been held on 2nd April and 20th March, 2020. **Key highlights of the interaction were:**  
  - Prime Minister categorically assured that India has adequate supplies of essential medicines and said that measures are being taken to ensure availability of protective gear and critical equipment for all front-line workers.  
  - Condemning the instances of attacks on the doctors and medical staff, and incidents of misbehavior with students from North-East and Kashmir, Prime Minister underlined that such cases need to be dealt with firmly. He also spoke about the need to curb Lockdown violations and ensure that social distancing is followed.  
  - Regarding Exit Plan from lockdown, the Chief Ministers suggested that lockdown should be extended by two weeks. They also sought financial and fiscal assistance from the Centre to boost their resources in this fight against the pandemic. |
| 46. | Ministry of Home Affairs issues 5th Addendum to the consolidated guidelines issued regarding lockdown | Ministry of Home Affairs has issued a 5th addendum to the lockdown guidelines. The addendum exempts operations of marine fishing/ aquaculture industry and its workers from the lockdown restrictions. |
| 47. | Ministry of Home Affairs directs all States/UTs to ensure strict compliance of lockdown measures to fight COVID-19 | Ministry of Home Affairs has directed all States/UTs to ensure strict compliance of lockdown measures to fight COVID-19 and not to allow any social/religious gathering/procession. |
| 48. | Revised Version of Swachhata App to Handle Queries Specific to COVID-19 (09.04.2020) | The Ministry of Housing and Urban Affairs announced the launch of a revised version of the existing Swachhata-MoHUA App. The additional categories in the revised version include:
- Request for fogging/sanitation during COVID-19
- Violation of quarantine during COVID-19
- Violation of lockdown during COVID-19
- Report suspected case of COVID-19
- Request food during COVID-19
- Request shelter during COVID-19
- Request medicine during COVID-19
- Request assistance for COVID-19 patient transport
- Request waste pickup from quarantine area |
| 49. | Letter to Chief Secretaries on availability of essential commodities (08.04.2020) | The Supreme Court directed the central government to ensure that testing facility for COVID-19 is made available free of cost to all citizens. The order came in light of a PIL filed by Mr. Shashank Deo Sudhi, Advocate seeking direction to the Centre and authorities concerned to provide free of cost testing facility for COVID-19 to all citizens in the country which the Government had fixed the testing of COVID-19 at private labs and hospitals at Rs. 4500.

The petitioner pleaded in the writ petition that government hospitals are packed to capacity and it has become difficult for the common man to get himself/herself tested in the government labs. With no alternative, people are forced to pay money to get the tests done at private labs and burdening ordinary citizens financially, deprives people of their accessibility to medical facilities and is violative of right to life guaranteed under article 21 of the Constitution. |

The project will be implemented in three phases during the period January 2020 to March 2024.
- Phase - 1 from January 2020 to June 2020,
- Phase - 2 from July 2020 to March 2021
- Phase - 3 from April 2021 to March 2024

The objectives of this package are:
- Strengthening national and state health systems to support prevention and preparedness,
- Procurement of essential medical equipment,
- Consumables and drugs,
- Strengthening of surveillance activities including setting up of laboratories and bio-security preparedness. |
<p>| 51. | Letter to Chief Secretaries on availability of essential commodities (08.04.2020) | Taking cognizance of the loss of production due to reduction in labor supply and the possibilities of hoarding, black marketing, profiteering and speculative trading the Home Secretary has written to Chief Secretaries of all state governments, asking them to ensure the availability of essential goods by invoking provisions of the Essential Commodities Act 1955. |</p>

| 56. | Third addendum to lockdown measures (03.04.2020) | Through a third addendum to the Guidelines on Lockdown Measures, the Ministry of Home Affairs has provided exceptions to the following activities:  
• Transit arrangements for foreign nationals as per the procedure specified by the government.  
• Release of quarantined people who have arrived in India after 15/02/2020, after expiry of their quarantine period and have tested negative for Covid-19. |
| 57. | Clarification on Guidelines for lockdown measures (03.04.2020) | The Ministry of Home Affairs has issued a notification clarifying the scope of exceptions provided to some essential services. Some of the activities that are included under exceptions are as follows:  
• Distribution of food items and nutrition support by Anganwadi workers, once in 15 days, at the doorstep of beneficiaries.  
• ‘Mandi’ under exception to clause 2(i), include direct marketing, facilitated by the state government/UT Administration directly from the farmers/group of farmers, FPOs, Cooperatives etc. |
| 58. | PM interacts with CMs to bolster efforts to tackle COVID-19 (02.04.2020) | Prime Minister Narendra Modi today interacted with Chief Ministers of states via video conferencing to discuss measures to combat COVID-19.  
Prime Minister outlined that the common goal for the country is to ensure minimum loss of life. In the next few weeks, testing, tracing, isolation and quarantine should remain the areas of focus. He highlighted the necessity of maintaining supply of essential medical products, availability of raw material for manufacture of medicines and medical equipment. He said it is necessary to ensure availability of separate, dedicated hospital facilities for COVID-19 patients. To increase the availability of doctors, he asked the States to tap into the resource pool of AYUSH doctors, organize online training and utilize para-medical staff, NCC and NSS volunteers.  
Prime Minister said that considering that this is the time to harvest crops, the government has given some relaxation from lockdown, but it is necessary to continuously monitor and maintain social distancing as much as possible. He asked the states to think of other platforms for procuring grains apart from APMC and explore the possibility of creating pooling platforms for rural areas, like that in ride sharing apps, which can be used for this purpose.  
Prime Minister said that it is important to formulate a common exit strategy to ensure staggered re-emergence of the population once Lockdown ends. He asked the States to brainstorm and send suggestions for the exit strategy. He reiterated the importance of social distancing in preventing the spread of COVID-19. |
| 59. | Letter from Home Secretary to Chief Secretaries of all states and union territories to ensure smooth disbursal of money to beneficiaries of PMGKY during the 21-day lockdown (02.04.2020) | Ministry of Home Affairs has written to States/UTs to ensure smooth disbursal of money to beneficiaries of PMGKY during the 21-day lockdown. The Ministry has also stated that social distancing norms need to be strictly observed while disbursing money to beneficiaries in banks. |
| 60. | Letter from Home Secretary to Chief Secretaries of all states on publicizing penal provisions regarding violations during lockdown (02.04.2020) | Ministry of Home Affairs has written to States to widely publicize the Penal Provisions regarding Violations of Lockdown Measures to fight COVID 19. The Ministry has also emphasized on strict action to be taken by authorities on violators of lockdown measures. |
| 61. | MEITY launches app for contact tracing (02.04.2020) | The Ministry of Electronics has launched an online application, called Aarogya Setu, to enable people to assess the risk of them catching the Corona Virus infection. It will calculate this based on their interaction with others, using cutting edge Bluetooth technology, algorithms and artificial intelligence. Once installed in a smart phone through an easy and user-friendly process, the app detects other devices with Aarogya Setu installed that come in the proximity of that phone. The app can then calculate the risk of infection based on sophisticated parameters if any of these contacts is tested positive. |
| 62. | COVID-19 Fact Check Unit (02.04.2020) | A COVID-19 Fact Check Unit (FCU) has been formed in the Press Information Bureau (PIB) under the Ministry of Information & Broadcasting. The unit became operational from April 2. It will receive messages by email at pibfactcheck@gmail.com and send responses in a defined timeframe. The official version of any news on COVID-19 can be obtained from the Unit. The unit is headed by Shri Nitin Wakankar, DG, PIB. |
| 63. | Implementation of the Supreme Court’s Guidelines (01.04.2020) | The Home Secretary has written to Chief Secretaries and Administrators of all states asking them to ensure the effective implementation of the Supreme Courts directions regarding provision of relief measures for the migrant labourers and checking circulation of fake news. The Home Secretary apprised the state governments that the Centre is working on creating a web-portal where people can verify facts and unverified news promptly. States and Union Territories are requested to create a similar mechanism at State level for issues relating to state. |
| 64. | Advisory issued by Ministry of Human Resource and Development which directs its affiliated schools to promote all the students studying in classes I-VIII to the next class/grade (01.04.2020) | Union Human Resource Development Minister Shri Ramesh Pokhriyal ‘Nishank’ has advised CBSE to promote ALL students studying in classes I-VIII to the next class/grade. In view of the current situation due to COVID-19. He also advised the board students studying in classes IX & XI will be promoted to next class/grade based on the school-based assessments including projects, periodic tests, term exams, etc. conducted so far. The Minister also recommended to conduct board examinations only for 29 main subjects that are required for promotion and maybe crucial for admissions in HEIs, and for rest of the subjects, the Board will not hold examinations; the instructions for marking/assessment in all such cases shall be separately issued by the Board. |
| 65. | Highlights from Cabinet Secretary’s meeting with Chief Secretaries / DGPs of all States (01.04.2020) | The highlights of the meeting were as follows:  
- The States were asked to ensure that intra-state movement of goods is allowed without any hindrance while maintaining social distance.  
- States were asked to ensure manufacturing of essential goods. It should also be ensured that the supply chains of such goods are maintained. |

• The National Monitoring Dashboard was developed and implemented at https://darpg.gov.in where COVID 19 related grievances received in CPGRAMS with all Ministries/Departments and States/Union Territories are monitored on priority basis by a technical team of DARPG.  
• The National Monitoring Dashboard was developed by DARPG in pursuance of the recommendations of the Empowered Group of Officers 10 constituted under the Disaster Management Act 2005 on Public Grievances and Suggestions to ensure timely implementation of COVID 19 Response Activities. |
| 67. | Supreme Court’s Directive to Media on responsible coverage and reporting     | The Supreme Court of India has directed the Media, including print, electronic and social media, to maintain a strong sense of responsibility and ensure that unverified news capable of causing panic is not disseminated.  
The apex court has noted that the migration of large number of labourers working in the cities was triggered by panic created by fake news that the lock down would continue for more than three months.  
The Court observed that it was not possible for it to overlook the menace of fake news by electronic, print or social media because the panic driven migration has caused untold suffering to those who acted on such news, causing some to lose their lives.  
The Court has said in the order that it does not intend to interfere with the free discussion about the pandemic, but at the same time has directed that the Media refer to and publish the official version about the developments. |
| 68. | Advisory on psychological issues of migrant labourers                        | Taking cognizance of the anxiety and fear building up within migrant labourers, the Ministry has released a list of measures that could be adopted to address the concerns. In addition to ensuring community shelters, community kitchens and availability of their relief material, some of the other measures prescribed within the document include:  
• Helping migrants to acknowledge that this is an unusual situation of uncertainty and reassuring them that the situation is transient and not going to last long  
• Informing them about the support being extended by Central Government, State Governments/NGOs/health care systems etc.  
• Emphasising on the importance of their staying in their present location and how mass movement could greatly and adversely affect all efforts to contain the virus |
| 69. | Letter from Secretary Health to Chief Secretaries of all States/UTs          | The Secretary of ministry of Health and Family Welfare has written a letter to Chief Secretaries of all states and union territories, conveying the directions issued by the Supreme Court wrt grievance redressal of migrant workers. Some of the directions issued are as follows:  
• The migrant workers in Relief camps/shelter homes should be provided adequate medical facilities besides proper arrangements for food, clean drinking water and sanitation. |

| 71. | Special permission to conduct cargo operations using passenger category aircraft during the COVID-19 lockdown period (01.04.2020) | Considering the extra-ordinary situation, the country is facing, the DGCA has issued a circular on granting permission to scheduled/non-scheduled operators to use the available passenger category aircraft (without configuration change) for carriage of cargo, subject to conditions such as:  
  - The operator shall obtain permission from DGCA (Air Transport Directorate) after obtaining approval from Flight Standards and Airworthiness directorate before conducting such operations.  
  - The type of cargo to be carried shall be as per current government directive only.  
  - Carriage of Dangerous Goods including lithium batteries, oxygen canister, etc. shall NOT be allowed.  
  - In the absence of any manufacturer’s guidance on carriage of cargo in passenger compartment and the operator intends to carry cargo in the passenger compartment, the following shall be followed:  
    - Cargo shall be permitted only in the approved stowage locations within the passenger compartment, such as closets, overhead stowage bins, provided the load limitations are met.  
    - Any cargo stowed must be restrained. Cargo placed within enclosed stowage areas must not interfere with the closing and latching of the compartment.  
    - Items shall not be stowed in lavatories or against bulkheads that are incapable of restraining articles against movement forward, sideways, or upwards.  
    - Cargo must not be stowed where it will prevent or impede access to emergency equipment or interfere with emergency evacuation.  
  - Operations without passengers and with cargo in the passenger compartment, will require suitable number of crew member/personnel to survey and access all areas of the cabin during all phases of flight. Any fire that might occur must be discovered and extinguished immediately utilizing existing emergency equipment and report to flight crew as required.  
  - The aircraft must meet the weight and balance requirements in accordance with the limitations and recommendations provided within the Weight and Balance Manual.  
  - Load and Trim shall be prepared based on cargo size and weight before every flight. |
| 72. | Ministry of Shipping issues direction to all Major Ports not to levy any penalties/charges/fees on any Port user for any delay caused due to COVID-19 (31.03.2020) | Ministry of Shipping has issued specific guidelines to Major Ports on Exemptions/Remissions on penalties, demurrages charges, fee, rentals levied on any Port user for any delay in Berthing/Loading/ Unloading operations or evacuation/arrival of cargo caused due to lockdown measures from 22nd March, 2020 to 14th April, 2020. Major Ports have also been allowed to extend the completion of any project under implementation in PPP mode or otherwise. Moreover, Major Ports can permit waiver of all penal consequences with deferment of performance obligations as per concession agreement on case to case basis, for existing and operational PPP Projects. |
| 73. | Letter from the Secretary of Home Affairs to all States and UT’s (31.03.2020) | The Secretary of the Ministry of Home Affairs has written a letter to all States and UT’s stating that Some States/UTs are allowing exceptions beyond what has been permitted under lockdown measures as contained in Consolidated Guidelines issued by the Ministry under the Disaster Management Act of 2005. The letter requests all States/UTs to strictly implement lockdown measures in letter and spirit. |
| 74. | Advisory for quarantine of migrant workers (31.03.2020) | The Ministry of Home Affairs has advised that all migrant labourers should remain at their regular place of work/local residence within the city and should not be evacuated either by their employer/landlord. Further, the advisory issues instructions on the administrative, health and quarantine measures to be taken for the following three categories of migrant labourers:  
○ Migrant workers who are in the cities of their local residence  
○ Migrant workers who are on their way and are yet to reach their destination city/village  
○ Migrant workers who have reached their destination |
| 75. | Ministry of Roads, Transport and Highways issues a notification on extension of validity of documents (31.03.2020) | The Ministry has advised States/UTs to extend the validity of documents like DL, permits and registration that expired since February 1st, 2020. Such documents are to be treated as valid till June 30th, 2020. |
| 76. | Stranded in India’ portal to help foreign tourists stuck in various parts of India (31.03.2020) | The Ministry of Tourism, Government of India, with an aim to extend support to the foreign tourists who are stranded in India, has come up with a portal to disseminate information regarding the services that can be availed by foreign tourists who are stuck far away from their home land. The portal is titled ’Stranded in India’ and aims to act as a support network for foreign tourists stuck in various parts of the country. |
| 77. | Ministry of Finance releases an Office Memorandum regarding instructions relating to relief operations for COVID19 global pandemic (30.03.2020) | In order to facilitate procurement & transportation of medical and other essential supplies for COVID19 operations, Department of Expenditure has issued guidelines for relaxations for:  
• Department of Pharmaceuticals  
• Ministry of Health and Family Welfare  
• Ministry of Textiles  
• Department of Consumer Affairs, and  
• Ministry of Civil Aviation |
| 78. | Ministry of Home Affairs issues clarification on guidelines for measures to be taken during lockdown (29.03.2020) | The Ministry of Home Affairs issues certain clarifications to the lockdown orders. The key highlights of the clarification are:

- Transportation of all goods without distinction of essential and non-essential have been allowed.
- Entire supply chain of milk collection and distribution, including its packaging material is allowed.
- Newspaper delivery supply chain is also allowed under print media.
- Services of Indian Red Cross Society are exempted

| 79. | Ministry of Home Affairs issues an order for Constitution of the Empowered Groups under the Disaster Management Act 2005 (29.03.2020) | The Government of India has constituted 11 Empowered Groups of Officers under the Disaster Management Act, 2005. The objective is to augment and synchronize efforts cutting across various Ministries/Departments as well as ensure comprehensive action and integrated response in context to COVID-19 related activities. These Groups are empowered to identify problem areas and provide effective solutions therefor; delineate policy, formulate plans, strategize operations and take all necessary steps for effective and time-bound implementation of these plans/policies/strategies/decisions in their respective areas.

In matters involving procurement, the concerned Ministries/Departments shall take immediate action to implement all the decisions/recommendations of the Empowered Group. During the deliberations, if any of the Empowered Groups is of the view that a particular aspect is not within the domain of that Group and falls within the scope of any other Group(s), they may seek the guidance of the Cabinet Secretary.

| 80. | MHA issues clarification to the lockdown guidelines (29.03.2020) | The Ministry of Home Affairs issued an order stating the following:

- To allow transportation of all goods, without distinction of essential and non-essential, during the national lock-down to check the spread of COVID-19.
- State governments have been asked to ensure availability of temporary shelters and provision of food for the need including migrant labourers in their respective areas.
- Migrant people who have moved out to reach their home states, must be kept in the nearest shelter by the respective state/union territory’s quarantine facilities after proper screening for a minimum period of 14 days.
- If any landlord is forcing any student or laborer to vacate their premises, he/she shall be liable for action.

<p>| 81. | Ministry of Home Affairs notification on authorizing states to use State Disaster Response Fund for relief measures for migrant workers (28.03.2020) | Home Secretary has written to all State Govts and has advised to set up relief camps along highways, to provide food &amp; shelter to migrant workers returning to their domicile States. |</p>

| 90. | Measures by RBI’s Monetary Policy Committee to Relieve Financial Stress (27.03.2020) | The following were some key measures taken by RBI aimed at minimising the financial stress emerged due to the coronavirus outbreak:  
• Policy repo rate has been reduced by 75 basis points from 5.15 per cent to 4.4 per cent. The Monetary policy committee voted 4:2 majority to cut repo rate by 75 basis points.  
• Reverse repo rate reduced by 90 basis points to 4 per cent. This will incentivize banks to lend.  
• Cash Reserve Ratio (CRR) of all banks have been reduced by 100 basis points to 3 per cent of net demand and time liabilities with effect from the fortnight beginning March 28 for a period of one year.  
• All lending institutions are permitted to allow 3-month moratorium on payment of term loan installments. In other words, no EMI would be deducted for the next three months from the account of anyone who has a loan outstanding.  
  ○ Moratorium on term loan, deferring of interest on working capital will not be classified as default, not to impact credit history of borrower.  
  ○ The 3-month moratorium will apply to corporate loans, home loans, car loans and even personal loans. However, credit card dues won’t be part of this moratorium as it’s not a term loan.  
• RBI injected a total of INR 3,74,000 crore into the country’s financial system.  
  ○ Auction of targeted long-term repo operations of 3-year tenor for total amount INR 1,00,000 crore at floating rate.  
  ○ Reduction of CRR for all banks by 100 basis points. It will release INR 1,37,000 crore across banking system.  
Accommodation under Marginal Standing Facility to be increased from 2% from SLR to 3% with immediate effect till June 30. It will release INR 1.37 lakh crore into the system. |
| 91. | Restriction on sale and distribution of “hydroxychloroquine” (27.03.2020) | The Centre has restricted sale and distribution of “hydroxychloroquine” declaring it as an essential drug to treat the COVID-19 patients and meet the requirements of emergency arising due to the pandemic. |
| 92. | Department of Science and Technology sets up task force for mapping of technologies by start-ups on COVID-19 (26.03.2020) | The Department of Science and Technology (DST) is coordinating an effort to upscale appropriate technologies and manufacturing available in India for addressing a plethora of issues related to COVID-19, as well as scout for new and developing solutions more relevant to the country to help prepare the country for exigencies arising out of COVID-19 pandemic.  
DST has set up a COVID 19 Task force for mapping of technologies from R&D labs, academic institutions, startups, and MSMEs to fund nearly market-ready solutions in the area of diagnostics, testing, health care delivery solutions, equipment supplies. Some of these solutions include masks and other protective gear, sanitizers, affordable kits for screening, ventilators and oxygenators, data analytics for tracking, monitoring, and controlling the spread of outbreak through AI and IOT based solutions, to name a few. |

</tbody>
</table>
The Ministry has specified the following standard operating procedure for smooth availability of essential goods:

- All facilities in the supply chain of essential goods, whether involved in manufacturing, wholesale or retail of such goods through local stores, large brick and mortar stores or e-commerce companies should be allowed to operate, ensuring strict social distancing.
- The employees or persons engaged in the supply chain shall be allowed to commute on the basis of e-pass or any other certification issued by the concerned local authority. In addition, the said person shall carry a valid photo ID.
- In case of unorganized sector, people engaged in supply of essential goods, may be allowed based on approval/authorization issued by the local authority.
- The State government shall open a 24x7 control room to register complaints/grievances and share these numbers widely.

### Addendum to the Order issued by the Ministry of Home Affairs dated for the 24th of March (25.03.2020)

A separate addendum issued by the Ministry of Home Affairs has specified various categories of services that will be given exceptions under the lockdown. The list included IT vendors for banking operations, veterinary, hospitals, pharmacies and pharmaceutical research labs, among others.

### Cancellation of Passenger Train Services (25.03.2020)

In continuation of the measures taken in the wake of COVID-19, Ministry of Railways has decided to extend the cancellation of passenger train services on Indian Railways i.e. all Mail/Express trains (including premium trains), passenger trains, suburban trains and trains of Metro Railway, Kolkata. Freight train operations are being continued to ensure the supply essential commodities.

### Prime Minister Narendra Modi’s Address on Covid-19 (24.03.2020)

On 24th March Prime Minister Narendra Modi addressed the nation on India’s response to the coronavirus outbreak:

**Complete National Lockdown:** The PM has announced a complete lockdown across the country starting midnight of 24th March 2020. The nationwide complete lockdown will be in place for 21 days.

**Rs 15,000 crore corpus:** PM Modi also announced a Rs 15,000 crore corpus for the virus testing facilities, PPEs, ICUs, ventilators and training medical workers.

**The following are the key highlights of the Nation-wide lockdown:**

- Hospitals and all related medical establishments, including their manufacturing and distribution units, both in public and private sector, such as dispensaries, chemist and medical equipment shops, laboratories, clinics, nursing homes, ambulance, etc. will continue to remain functional.
- All commercial and private establishments shall be closed. Some of the exceptions include:
  - Shops dealing with food, groceries, fruits and vegetables, dairy and milk booths, meat and fish, animal fodder. District authorities have been encouraged to facilitate home delivery to minimize public movement.
  - Banks, insurance offices, ATMs
  - Print and electronic media

| 110. | Closing of Immigration check posts for all incoming passenger traffic | (23.03.2020) The Ministry of Home Affairs released an office memorandum stating:  
- All incoming passenger traffic on all 107 immigration check posts which includes all airport ICPs, all seaport ICPs, all land port ICPs, all rail port ICPs and all river port ICPs has been stopped.  
- Vehicles/trains carrying goods for trade or essential commodities are exempted from this prohibition. |
| 111. | Ministry of Human Resource and Development Notification | (22.03.2020) The ministry issued the following notification:  
- The Teachers/Researchers/Non-Teaching staff of schools/organisations are permitted and highly advised to work from home till 31st March 2020.  
- The said period shall be counted as being on-duty for all Faculty members/Teachers/Researchers and Non-Teaching staff.  
- The same is applicable for Ad-hoc Teachers & Contact Teachers too, provided their contract is still valid up to 31st March 2020. |
| 112. | Notification regarding lockdown in 75 districts | (22.03.2020) List of 75 Indian districts where only essential services will be operational from till March 31.  
- After consulting with all state governments, India’s central government has announced implementation of comprehensive social distancing measures, advising states to only permit the operation of “essential services” in 75 districts where the virus has been identified.  
- States will implement this advisory individually and have discretion to expand the list of essential services “depending on their assessment of the situation.  
- Essential services would include “hospitals, telecom, medicine shops, [and] provision stores,” as well as “establishments/factories engaged in manufacturing and distribution of essential commodities like medicines, vaccines, sanitizers, masks, medical devices, their ancillaries and support services.” |
| 113. | Complete stoppage of Delhi Metro service | (22.03.2020) Delhi metro has suspended all operations till the 31st of March. |
| 114. | Cancellation of all train services by Indian Railways | (22.03.2020) Indian Railways has decided that no passenger train will run up to 31st March. |
| 115. | Cabinet Secretary reviews COVID status with State Chief Secretaries | (22.03.2020) Important decisions were taken to check the Coronavirus outbreak including suspension of movement of all passenger trains, metro trains and interstate passenger transport till 31st March 2020. The state governments were also advised to completely shutdown 75 districts across the country where coronavirus cases have been reported and only allow essential services to be run in those districts. |
| 116. | Revised Strategy of COVID-19 testing | (21.03.2020) The revised strategy was issued by the Indian Council of Medical Research. Below is a summary of the notification:  
**Current Scenario**  
- All individuals requiring to be tested are being offered at no cost.  
- Accessibility and availability of the test is being increased every day by adding optimum numbers of testing laboratories every week. |
• Currently, the cost of the first step screening assay is INR 1500 and additional confirmatory assays is INR 3000.

### Current Strategy
- All asymptomatic people who have undertaken international travel in the last 14 days should be advised to stay in home quarantine for 14 days and should be tested only if they become symptomatic. All symptomatic contacts of laboratory confirmed cases, all symptomatic health care workers, all hospitalized patients with Severe Acute Respiratory Illness (fever AND cough and/or shortness of breath), asymptomatic direct and high-risk contacts of a confirmed case should be tested once between day 5 and day 14 of coming in his/her contact.

<td>Government of India grants consular services on gratis basis to foreign nationals presently residing in India affected by travel restrictions due to Coronavirus</td>
<td>The Centre has decided to extend till April 15 the regular visa and e-visa of those foreigners who are currently in India and unable to leave the country due to the novel coronavirus pandemic. According to a Union Home Ministry notification, a number of foreign nationals are in the country since imposition of travel restrictions and are unable to exit the country during the validity of their visa. It has been decided to provide the essential consular services by the office of the Foreigners Regional Registration Officers and Foreigners Registration Officers to foreign nationals, presently in India. “Regular visa, e-visa or stay stipulation of all foreign nationals which have expired or would be expiring during the period from March 13 (midnight) to April 15 (midnight) would be extended till midnight of April 14 on ‘Gratis’ basis after making online application by the foreigner. “Exit of such foreign nationals, if so requested by them during this period, will be granted without levy of overstay penalty,” the ministry said.</td>

<td>Instructions to all major and minor ports for dealing with novel coronavirus</td>
<td>The spread of the COVID-19 pandemic across large number of nations is an unprecedented situation in recent times. To slow the spread of the disease and mitigate its impacts, travel advisories have been issued by many jurisdictions including India. However, shipping services are required to continue to be operational so that vital goods and essential commodities like fuel, medical supplies, food grains etc., are delivered and to ensure that the economic activity of the nation is not disrupted. It is, therefore, important that the flow of goods by sea should not be needlessly disrupted without compromising the safety of life and protection of the environment. In view of the same, it has been decided that for the continued operation of vessels and ports, certain instructions shall be complied with by all stakeholders till further orders.</td>

</table>
| 120. | Advisory issued by Delhi Metro Rail Corporation (20.03.2020) | Delhi Metro Advisory issued various guidelines to prevent the spread of COVID-19.  
- Random thermal scanning of passengers will be carried out at all metro stations.  
- Incase anyone has fever or is observed to have any symptom of coronavirus infection, he or she will be referred for medical tests and quarantine to the authorities.  
- In view of this pandemic, the metro travellers are advised that they should use metro network for essential travel only and should travel by the metro only when it is “essential and unavoidable”.  
- Maintain at least 1 m distance from each other while travelling in the metro or at the station i.e. standing passengers are not allowed and alternate seats be left vacant  
- Trains may not stop at such stations which may be having crowding i.e. less than the expected distance of 1 m between passengers, it said, adding that this may be altered depending upon the exigencies of the situation.  
- In course of the journey and stay within the metro premises, passengers are requested to follow the advisory issued by the Ministry of Health and Family Welfare, from time-to-time to contain the spread of the virus.  
- Any passenger who has symptoms similar to those infected by the virus are strictly advised to avoid travel by the metro or any other mode of public transport. |
| 121. | Advisory issued by Delhi Metro (20.03.2020) | In the wake of ‘Janta Curfew’ to be observed on 22nd March 2020, Delhi Metro Rail Corporation (DMRC) has announced to keep its services closed. The move is aimed at encouraging public to stay indoors and maintain social distancing, which is essential in the fight against Covid-19. |
| 122. | PM’s address to the nation on combating COVID-19 (19.03.2020) | Prime Minister Shri Narendra Modi addressed the nation on combating the challenge of COVID-19. Brief summary of the address:  
He requested citizens to follow certain measures to ensure the containment of the fast spreading virus. He emphasized on the importance of not taking the pandemic lightly and the need to be aware and proactive towards prevention of COVID-19.  
He stressed on the importance of following self imposed norms like ‘social distancing’. Requesting citizens to patiently abide by the norm, he urged the need to isolate oneself and come out of the house only if imperative, while trying to work from home and avoid unnecessary travel. He also urged that senior citizens above the age of 60 should not come out of their homes for the coming few weeks. Highlighting the stress on the hospitals, he urged everyone to avoid routine check ups during this time and to extend the date of surgeries scheduled, wherever feasible. |
**‘Janta Curfew’**
Prime Minister urged citizens to follow the concept of ‘Janta Curfew’ on 22 March, 2020 from 7 AM to 9 PM, wherein no one apart from those involved with essential services is supposed to venture out of home. He said that the success of such a people’s movement and the experiences gained from it will prepare the country for the challenges ahead.

Urging the state governments to take the lead, Prime Minister asked all youth organizations including NCC and NSS, civil societies to generate awareness among people about the ‘Janta Curfew’. He urged everyone to try to inform at least ten other people over phone about this self imposed curfew.

**Meeting the Economic Challenges**
To deal with the economic challenges caused by the pandemic, Prime Minister announced the creation of ‘COVID-19 Economic Response Task Force’ under the Union Finance Minister. The Task Force will consult stakeholders, take feedback, on the basis of which decisions will be taken to meet the challenges. The Task Force will also ensure implementation of the decisions taken to meet these challenges.

Prime Minister also urged the business community and higher income groups to look after the economic needs of those from lower income groups, from whom they take various services, urging them not to cut their salary on the days they are unable to render the services due to inability to come to the workplace. He stressed on the importance of humanity during such times.

He also assured the countrymen that there would not be any shortage of essential items like food, milk, medicines etc. He urged people to not resort to panic buying.

Prime Minister exhorted everyone to work together and contribute fully to overcome the crisis of COVID-19. He urged the citizens not to fall prey to misinformation. Prime Minister said that during the time of such a global pandemic, it is important to ensure that ‘humanity wins, and India wins.’

</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>• No scheduled international commercial passenger aircraft shall be allowed to land in India from March 22, 2020 for one week.</td>
</tr>
<tr>
<td></td>
<td>• State Governments shall issue appropriate directions so that all citizens above 65 (other than for medical assistance) except for public representatives/govt. servants/medical professionals are advised to remain at home.</td>
</tr>
<tr>
<td></td>
<td>• Similarly, all children below 10 should be advised to stay at home and not to venture out.</td>
</tr>
<tr>
<td></td>
<td>• Railways and civil aviation shall suspend all concessional travel except for students, patients and divyang category.</td>
</tr>
</tbody>
</table>
| 124. | Advisory on postponement of Examinations (19.03.2020) | The Ministry of Human Resource and Development issued the following advisory:
- All Universities have been requested to take the following precautionary measures:
- All ongoing University examinations may be rescheduled after 31st March 2020.
- All evaluation work may be rescheduled after 31st March 2020.
- All Educational Institutions to maintain regular communication with the students and teachers through electronic means and keep them fully informed so that there is no anxiety amongst the students, teachers and parents. |
| 125. | Additional measures for the prevention of COVID-19 (19.03.2020) | Some of the measures announced by the Indian Railways are as follows:
- To discourage unnecessary travel and to prevent the vulnerable category of Senior Citizens from undertaking unnecessary travels, concessional booking of all tickets except Patients, students and Divyangjan category for Unreserved & Reserved segment are being suspended from 00:00 hrs of 20th March till further advisory.
- As a precautionary measure and to discourage nonessential travel and overcrowding of trains, so far total 155 pairs of low occupancy trains are cancelled up to 31.03.20. Trains are cancelled keeping in view the availability of alternate trains for passengers and ensuring that no passenger shall remain stranded. Full refund is being given to all the passengers whose train has been cancelled.
- Indian Railways has also facilitated return of students stranded in Northern part of country due to sudden closure of Educational Institutions to their homes in Southern, Northern-Eastern and Eastern regions of India.
- Advisories are being issued to passengers to avoid non-essential train journeys and to ensure that they do not have running fever while they are commencing the journey. At any point of journey if passenger feels that he is having fever, he can contact the Railway Staff for medical attention and further assistance.
- To avoid unnecessary crowding at Railway Stations in wake of spread of COVID 19. It has been instructed to DRMs to review the situation over railway stations and raise the price of Platform Ticket to Rs. 50 wherever necessary. Regular Announcement are being done on PA System of Railway Stations & Trains to sensitize the public about various Do’s & Don’ts highlighting:
  - Keeping hands clean by frequent washing of hands;
  - Maintain social distance & covering the mouth while sneezing and coughing;
  - Precautions to be taken if one has running fever-(don’t travel and report immediately to the Doctor);
  - Not spitting anywhere in the public place and Railway premises and
  - Avoid overcrowding & to ensure distancing between passengers in trains including suburban trains. |
| 126. | Office Memorandum regarding preventive measures to be taken to contain the spread of Novel Coronavirus (COVID-19) (18.03.2020) | The following directions have been issued by the Ministry of Home Affairs:  
• All Ministries/Departments are advised to discourage, to the maximum extent, entry of visitors in the office complex. Routine issue of visitors/temporary passes should be suspended with immediate effect. Only those visitors, whom have proper permission of the officer who they want to meet, should be allowed after being properly screened.  
• Henceforth only Joint Secretary & above level officers in the Ministries/Departments are authorized to allow visitors to the minimum extent due to spread of Novel Coronavirus till further orders. The visitors pass will be issued by Reception Officer on receipt of a written request in prescribed format. |
| 127. | Standard Operating Procedure for Passenger Movement post Disembarkation (18.03.2020) | Standard Operating Procedure for Passenger Movement post Disembarkation  
• Ministry of Civil Aviation would instruct the Airport Authorities to stagger the arrival of flights from COVID19 affected areas so that the flow of passengers is maintained for the screening of passengers.  
• From the dedicated aerobridges, the passengers will arrive escorted by Airline Staff to the APHO Health Counters for Initial Thermal Screening, where symptomatic passengers would be isolated and moved to designated hospital as per the existing SOPs.  
• After screening, the remaining asymptomatic passengers will be allowed to move to the designated Immigration Counters with passports and a copy of the SRF (Self-Reporting Form) as per the existing SOP. A Note: Airlines staff in the aircraft and at ground will ensure that the arriving passengers have filled their SRFs properly.  
• Though the passengers will be directed to the designated Immigration Counters, in case any passenger presents himself at any other counter, the Immigration staff would direct him to the designated counters.  
• After clearance of immigration, the passport of the passengers shall be retained by the Immigration officials.  
• Passengers in batches of 30, will be handed over to the escort team (24x7 - 5 member Team, Headed by CISF and comprising representative from DIAL, Airlines and Delhi Police). The passports of these passengers would be handed over by the Immigration staff to the Team Lead (CISF officer). **THE PASSPORTS SHALL NOT BE HANDED OVER TO THE PASSENGERS, AT ANY COST.**  
• The Team, along with the passengers shall move to the luggage belts to collect the luggage. If there is any delay/missing luggage in the case of any/few passengers, the respective passenger shall stay behind along with a team member and the rest of the team and passengers shall proceed further through the customs.  
• If there is any delay in the Customs Clearance, the respective passenger shall stay behind along with a team member, while the rest of the team and passengers shall proceed further. |
• The team along with the passengers shall move to the designated triage area manned by Delhi State Govt. Officials with logistics like Laptops, etc. The Control Room In-charge would perform the functions of supervision and coordination.

• There would be a control room at the triage area and 5 screening counters manned by medical officers and para-medical staff deputed by Delhi Government.

• The escort team would report to the control room in-charge who will assign a counter to the batch.

• At the assigned counter, the passports of the entire batch will be handed over by the Team Lead to the Medical Officer in-charge of the counter. Here the passengers would be screened and those without any risk factors would be sent for home quarantine after providing them with their passports, the Home Quarantine Advisory and collecting a declaration from them, to remain strictly under Home Quarantine, or else face penal action, as per the rules. The possibility of stamping the passengers, as done in Maharashtra, with Home Quarantine Stamps would be explored. These passengers would be linked to the IDSP, surveillance system. Delhi Government would depute Delhi State IDSP team for this purpose.

• The High Risk Passengers identified for quarantine at the facilities would be first asked to fill up a declaration opting for paid hotel facility/Govt. Quarantine Facility (based on availability) and subsequently would be quarantined as per availability list of quarantine Facilities given by the State Government.

• The escort team would escort these passengers to the transport provided by the State Govt.

• The Passengers shall be quarantined as per the laid down guidelines

SOPs for Quarantine

LUGGAGE COLLECTION AND CUSTOMS LUGGAGE COLLECTION AND HEALTH SCREENING

• From the dedicated aerobridges, the passengers will arrive escorted by Airline Staff to the APHO Health Counters for Initial Thermal Screening, where symptomatic passengers would be isolated and moved to designated hospital as per the existing SOPs. Note: Airlines staff in the aircraft and at ground will ensure that the arriving passengers have filled their SRFs properly.

• After screening, the remaining asymptomatic passengers will be allowed to move to the designated Immigration Counters with passports and a copy of the SRF (Self-Reporting Form) as per the existing SOP.

IMMIGRATION

• The passengers will be directed to the designated Immigration Counters, in case any passenger presents himself at any other counter, the Immigration staff would direct him to the designated counters.
• After clearance of immigration, the passport of the passengers shall be retained by the Immigration officials.
• Passengers in batches of 30, will be handed over to the escort team (24x7 - 5 member Team, Headed by CISF and comprising representative from DIAL, Airlines and Delhi Police). The passports of these passengers would be handed over by the Immigration staff to the Team Lead (CISF officer).
• THE PASSPORTS SHALL NOT BE HANDED OVER TO THE PASSENGERS

LUGGAGE COLLECTION AND CUSTOMS
• The Team, along with the passengers shall move to the luggage belts to collect the luggage. If there is any delay/missing luggage in the case of any/few passengers, the respective passenger shall stay behind along with a team member and the rest of the team and passengers shall proceed further through the customs.
• If there is any delay in the Customs Clearance, the respective passenger shall stay behind along with a team member, while the rest of the team and passengers shall proceed further.

CONTROL ROOM
• The Control Room In-charge would perform the functions of supervision and coordination.
• The escort team would report to the control room in-charge who will assign a counter to the batch.

TRIAGE ROOM
• The team along with the passengers shall move to the designated triage area manned by Delhi State Govt. Officials with logistics like Laptops, etc.
• There would be 5 screening counters manned by medical officers and para-medical staff deputed by Delhi Government.
• At the assigned counter, the passports of the entire batch will be handed over by the Team Lead to the Medical Officer in-charge of the counter.
• Passengers would be screened and those without any risk factors would be sent for home quarantine after providing them their passports, the Home Quarantine Advisory and collecting a declaration from them, to remain strictly under Home Quarantine, or else face penal action, as per the rules. These passengers would be linked to the IDSP, surveillance system. Delhi Government would depute Delhi State IDSP team for this purpose.
• The High-Risk Passengers identified for quarantine at the facilities would be first asked to fill up a declaration opting for paid/Govt. Quarantine Facility (based on availability).

| 135. | Advisory on Social Distancing (16.03.2020) | Ministry of Health and Family Welfare has issued an advisory on Social Distancing Measure in view of the spread of COVID-19 disease. All the proposed interventions under the advisory will remain in force till the March 31, 2020 and they will be reviewed as per the evolving situation by the Ministry after March 31. |
| 136. | Additional Travel Advisory for Novel Coronavirus Disease (COVID-19) (16.03.2020) | In continuation of the travel advisory issued on 11th March 2020, the Ministry of Health and Family welfare has issued the following additional advisory:  
• Compulsory quarantine has been expanded for a minimum period of 14 days for passengers coming from/transiting through UAE, Qatar, Oman, and Kuwait. This will come into effect from 1200 GMT on 18th March 2020 at the port of first departure.  
• Travel of passengers from member countries of the European Union, the European Free Trade Association, Turkey and United Kingdom to India is prohibited with effect from 18th March 2020. No airline shall board a passenger from these nations to India with effect from 1200 GMT on 18th March 2020.  
• Both these instructions will be temporary measures and shall be in force till 31st March 2020 and will be reviewed subsequently. |
| 137. | COVID-19- Operational and Business Continuity Measures (16.03.2020) | The Reserve Bank of India has asked banks to take measures and put in place business continuity plans to prevent any disruption of services due to coronavirus outbreak.  
The RBI asked banks to take these measures as part of their existing operational and business continuity plans.  
**According to the central bank’s notification released:**  
• Banks have been asked to devise strategy and monitoring mechanism concerning the spread of the disease within the organization  
• RBI asked banks to take stock of critical processes and revisiting business continuity plan (BCP) with the aim of continuity in critical interfaces and preventing any disruption of services.  
• Banks have been asked to taking steps of sharing important instructions/strategy with the staff members at all levels.  
• Finance institutions have been asked to encourage their customers to use digital banking facilities as far as possible. |
| 138. | States/UTs empowered by Centre to tackle COVID-19 outbreak (14.03.2020) | The Cabinet Secretary conferred with Chief Secretaries of all States/UTs on Saturday (March 14) to review preparedness. Salient points as below:  
• States have utilised the enabling provision for infectious disease management as provided under Epidemic Diseases Act, 1897, whereby States may empower any person to take specific measures to tackle the outbreak and may prescribe temporary regulations to be observed by the public  
• States/UTs can draw funds from the State Disaster Response Fund under the Disaster Management Act, 2005, in addition to funds from the State governments and the National Health Mission. Norms of assistance can be accessed here.  
• Indian nationals have again been strongly advised to avoid all non-essential travel abroad and refrain from travelling to countries reporting high cases and deaths. All incoming international passengers returning to India to self-monitor health and follow the dos and don’ts prescribed by the government earlier. |
| 139. | Disaster Management Act invoked to regulate prices and ensure availability of surgical and protective masks, hand sanitisers and gloves (13.03.2020) | The National Pharmaceutical Pricing Authority (NPPA) has requested the Ministry of Health and Family Welfare (MoHFW) to notify surgical and protective masks, hand sanitisers and gloves as drugs to regulate prices and availability. Invoking Clause (I) of sub-section (2) of section (10) of the Disaster Management Act, 2005, MoHFW has mandated the NPPA to undertake the functions of price regulation and availability. The NPPA has directed State/UT governments to monitor production and distribution of these items to ensure there is no hoarding, black marketing or profiteering is happening. |
| 140. | Masks and hand sanitisers brought under Essential Commodities Act (13.03.2020) | Government notified an Order on March 13, 2020, to declare 2 ply and 3 ply masks, N95 masks, and hand sanitisers as essential commodities under the Essential Commodities (EC) Act June 30, 2020, by amending the Schedule of the EC Act, 1955. It has also issued an advisory under the Legal Metrology (LM) Act. Under the EC Act, after discussions with the manufacturers, States can ask them to enhance their production capacity of these items to make the supply chain smooth while under the LM Act the States can ensure sale of both the items at MRP. The States/UTs can take action against offenders under the EC Act and Prevention of Black Marketing and Maintenance of Supplies of Essential Commodities (PBMMSEC) Act. An offender under the EC Act may be punished with an imprisonment up to 7 years or fine or both and under the PBMMSEC Act, they can be detained for a maximum of 6 months. The decision was taken to enhance the availability of both items to the general people at reasonable prices or under MRP. The States have also been advised to give publicity of State Helplines for registering complaints by the consumers of the above two items. |
| 141. | Consolidated Travel Advisory for Novel Coronavirus Disease (COVID-19) (11.03.2020) | Travel Advisories had been issued by Ministry of Health and Family Welfare from time to time. The following consolidated Advisory is presently issued: • All existing visas (except diplomatic, official, UN/International Organizations, employment, project visas) stand suspended till 15th April 2020. This will come into effect from 1200 GMT on 13th March 2020 at the port of departure. • Visa free travel facility granted to OCI card holders is kept in abeyance till 15th April 2020. This will come into effect from 1200 GMT on 13th March 2020 at the port of departure. • OCI card holders already in India can stay in India as long as they want. • Visas of all foreigners already in India remain valid and they may contact the nearest FRRO/FRO through e-FRRO module for extension/conversion etc. of their visa or grant of any consular service, if they choose to do so. • Any foreign national who intends to travel to India for compelling reason may contact the nearest Indian Mission. • In addition to Visa restrictions already in place, passengers traveling from/having visited Italy or Republic of Korea and desirous of entering India will need certificate of having tested negative for COVID-19 from the designated laboratories authorized by the health authorities of these countries. This is in enforcement since 0000 hrs. of 10th March, 2020 and is a temporary measure till cases of COVID-19 subside. |
- All incoming travelers, including Indian nationals, arriving from or having visited China, Italy, Iran, Republic of Korea, France, Spain and Germany after 15th February, 2020 shall be quarantined for a minimum period of 14 days. This will come into effect from 1200 GMT on 13th March 2020 at the port of departure.
- Incoming travelers, including Indian nationals, are advised to avoid non-essential travel and are informed that they can be quarantined for a minimum of 14 days on their arrival in India.
- Indian nationals are further strongly advised to refrain from travelling to China, Italy, Iran, Republic of Korea, France, Spain and Germany.
- All incoming international passengers returning to India should self-monitor their health and follow required do’s and dont’s as detailed by the Government.
- International traffic through land borders will be restricted to designated check posts with robust screening facilities. These will be notified separately by M/o Home Affairs.
- All international Passengers entering into India are required to furnish duly filled self-declaration form in duplicate (including personal particulars i.e. phone no. and address in India) (as annexed) to Health Officials and Immigration officials and undergo Universal Health Screening at the designated health counters at all Points of Entry.
- For any queries related to health, people may contact Ministry of Health & Family Welfare 24*7 helpline number (+91-11-23978046) or email at (ncov2019@gmail.com)

<th>Standard Operating Procedure (Sop) to Handle Coronavirus (Covid-19) For International Cruise Ships at Major Ports of India (10.03.2020)</th>
</tr>
</thead>
</table>
| The following SOPs shall be in place with immediate effect for all international cruise ships, who had planned and intimated their call to Major Ports of India in advance:  
- Only those international cruise ships which had planned and intimated their call to an Indian Port not later than 1st January, 2020 will be allowed to call on such port.  
- Any international cruise ship or any member of its crew or any passenger therein having a travel history of visiting any of the Covid-19 affected countries mentioned in the adjoining link (https://www.who.int/emergencies/diseases/novel-coronavirus-2019/situation-reports) since 1st Feb, 2020; will not be permitted to enter any Indian port till 31st March, 2020.  
- International cruise ships will be allowed only on the ports having thermal screening facilities for passenger and crew.  
- Shipping Agent/Master of Vessel to submit all documents related to crew and passengers regarding their travel to/from the COVID-19 affected countries. No sick passengers/crew will be allowed to board the ship by Shipping agent/Master of Vessel. |
he updated information on COVID-19 shall be provided to each international cruise vessel and should be as per guidelines of Ministry of Health & Family Welfare (MoH&FW), Govt. of India. (https://www.mohfw.gov.in/).

All passengers and crew members will have to fill the Self Reporting Form as prescribed by MoH&FW (copy attached at Annex-1) and submitted to PHO.

Port Health Officer (PHO) will carry out thermal screening of all the passengers and crew members on board ship. Until clearance by PHO, passengers will not be allowed ashore. Port / Local hospital to assist PHO by supplying additional doctors and medical staff and logistics etc.

If any passengers/crew show symptoms of the disease, disembarking of such passengers/crew will not be permitted. The passenger will be quarantined on the ship. Samples of the patient will be collected and sent to designated hospital/lab for testing. If sample is tested positive, the passenger will be taken to the isolation facility attached to the Port and the ship will be asked to move out. If sample is negative, the passengers and crew will be allowed shore excursion. A declaration to follow this procedure will be taken from all ships before they are allowed to enter the Port.

Cruise ships need to take special measures to prevent coronavirus affected patients to board the ships in the first place. Some of these steps will include:

a. Any cruise guests who have traveled through China, Hong Kong, Iran, South Korea and Italy and other affected countries (as defined by WHO in their daily reports https://www.who.int/emergencies/diseases/novel-coronavirus-2019/situation-reports) in the past 14 days are automatically denied boarding by the cruise lines.

b. Any person having contact with anyone within the last 14- days prior to travel who has travel history to mainland China, Hong Kong, Macau, Iran, South Korea, or Italy or any other affected countries is automatically denied boarding.

c. Mandatory screenings are performed of persons with influenza like illnesses (ILI) in boarding ports terminals.

d. All guests onboard have to fill out self-declaration health forms.

e. At the check-in counter of the boarding ports, the guest’s passports are verified for any stamps from COVID-19 affected countries.

f. The passports are double checked by cruise vessel personnel inside the terminal at Boarding ports to ensure nothing is amiss.

g. All passports are also checked onboard by cruise vessel staff alongside Indian Immigration Officers, wherever the Immigration Officers boarded in the previous foreign ports for enroute clearance.

h. The ship should be regularly sanitized.

i. All cruises carry out daily examination of all passengers for symptoms for COVID-19.

• No child will be removed from the online class for not giving the fee.
• To pay salaries of all teaching, non-teaching, contract, or outsourced staff on time.

UPDATE (14.04.2020)
Update 1: The Delhi government extended the lockdown orders that were in force till the 14th of April till midnight of 3rd of May.
Update 2: The validity of passes/e-passes/authorization letters (issued by offices of District Magistrates/District Deputy Commissioners of Police/Head of the Departments or gazetted officers authorised by them) have been extended till the 3rd of May 2020. There shall be no need to re-validate these from the issuing authority concerned.

UPDATE (13.04.2020)
The Delhi government will implement odd-even rules in all wholesale markets in the city, under which traders will sell vegetables on alternate days, Development Minister Gopal Rai announced. The minister stated that the government has also decided to stagger the timings for the sale of vegetables and fruits in these ‘mandis’. “Vegetables will be sold from 6 am to 11 am and fruits from 2 pm to 6pm in all wholesale markets in Delhi,” he said. The decisions were taken at a high-level meeting chaired by the development minister.
According to the odd-even rule, sheds under which hundreds of traders sell vegetables will be allowed to operate according to their numbers, Rai said. The minister also said that the Delhi government has formed four special task forces to ensure effective social distancing in the mandis in view of the COVID-19 outbreak.

UPDATE (08.04.2020)
Update 1: The state government has made wearing of facial masks compulsory for all people within the state. Cloth mask shall be eligible too.
Update 2: The Delhi government has identified 20 hotspots and have decided to seal them.

UPDATE (04.04.2020)
The state government has announced that, all those who do not have ration card and need free ration due to the lockdown, such people can now apply for ration. The government has created a very short and simple form.

UPDATE (02.04.2020)
Update 1: The Delhi government has stated that they have enhanced their capacity to feed people in Delhi to 6 lakh people through government night shelters and schools.
Update 2: Delhi Chief Minister Arvind Kejriwal announced that those driving public service vehicles will be given Rs 5,000 each to sail through the national lockdown imposed due to coronavirus scare. The public service vehicles include auto, e-rickshaws, RTV, rural, taxi etc.
**UPDATE (01.04.2020)**

**Update 1:** The Delhi government has announced that, police will track the phones of those who were directed home quarantine to see if they complied or not. Action will be taken against those who violated it. In such cases, their contacts will also have to be quarantined.

**Update 2:** If any medical personnel loses their life while serving any COVID19 patient, be it sanitation workers, doctors or nurses or any other staff, temporary or permanent, from private or government sector, the Delhi government through a cabinet decision has decided that their family will be given Rs 1 crore as our mark of respect for their service.

**UPDATE (30.03.2020)**

**Update 1:** Under the Right to Education Act, all students in Delhi schools will be promoted till class 8th. A host of other initiatives were taken such as daily assignments for students up till class 8th and online classes of two subjects daily for students who got promoted to class 12th were announced by the Delhi government.

**Update 2:** The Chief Minister has announced that all doctors serving in Delhi government’s Lok Nayak Hospital and GB Pant Hospital on COVID-19 duty will now be housed in Hotel Lalit.

**UPDATE (29.03.2020)**

**Update 1:** Delhi govt starts relief centers for those affected by the lockdown. The government has also launched customized google maps to help find the location of relief centers.

**Update 2:** The Delhi government has been providing food to over 1000 construction workers daily in Bawana (JJ Colony), Bhalaswa, Dwarka Sector 16A and Shakurpur through Swiggy.

**UPDATE (27.03.2020)**

The state government has announced its plan to increase and enhance its capacity from feeding 20,000 people from 224 shelters to 2 lakh people through an additional network of 325 Delhi govt schools. The state government also announced that it would eventually be able to feed 4 lakh people. Additionally, the Chief Minister has instructed all MLAs to work with their local communities to ensure that no person in their respective constituencies goes hungry.

**UPDATE (26.03.2020)**

The state government has decided to allow all establishments that supply essential items or are part of the supply chain for such items to function 24x7 in order to prevent overcrowding during the day. The government also stated that the establishments will require no additional permits and licenses for operating that long.

**UPDATE (25.03.2020)**

**UPDATE 1:** The Delhi government has started issuing e-passes for those individuals who do not have/possess any government or private ID and are working in manufacturing, transport, storage and shops of essential items. Helpline numbers are being launched for the assistance of such individuals.
**Update 2:** Under the direction of section 6(2)(i) of the Disaster Management Act, 2005 order of National Disaster Management Authority, the Government of Delhi has enforced lockdown over all parts of Delhi till midnight of April 14, 2020.

- Office of GNCT of Delhi will remain closed except – Police, home guards, fire and emergency services, civil defence, disaster management and prisons; District administration and pay and accounts office; electricity, water, sanitation; Municipal bodies.

2. Haryana

UPDATE 29.04.2020)

The Gurugram district administration has issued notification for enforcing stricter measures through curbs on cross-movement across all borders of the district from 10 AM on 1st May 2020.

UPDATE (28.04.2020)

A new website titled ‘Bankslot’ has been launched by the Government of Haryana for depositing and withdrawing cash in the bank. Customers can book slots at their convenience and go to the bank for transactions.

UPDATE (27.04.2020)

Update 1: The Government of Haryana has issued an order allowing household or industrial construction work requiring 10 or less labourers (except in containment zones).
Update 2: The Government of Haryana has launched a new app titled ‘Jan Sahayak’, for the purpose of facilitating government related services at-home for the citizens.

**UPDATE (27.04.2020)**

Update 1: Chief Minister Jai Ram Thakur today said lockdown should continue beyond May 3 to contain the spread of coronavirus. He also demanded more ventilators for the state hospitals.

Update 2: Himachal Pradesh Chief Minister Jai Ram Thakur directed officers to ensure complete medical examination of people before they enter the hill state. He said all the people who are returning to the state should be medically examined at the borders itself and only thereafter they should be allowed to go to their respective destinations for home quarantine. The Chief Minister said it must be made mandatory for the people entering the state to download Arogya Setu app.

**UPDATE (26.04.2020)**

Update 1: In view of the clarification issued by the Union Ministry of Home Affairs regarding relaxations for opening of shops during lockdown period, the Himachal Pradesh government has decided to strictly implement the directions in the state. The state government has clarified that in rural areas, all shops except those in shopping malls will remain open. In urban areas, all stand-alone shops, neighbourhood shops and shops in residential complexes except shops in multi- brand and single brand malls will remain open during the curfew relaxation time.

Update 2: The District Magistrate of Solan issued an order regarding issuing of curfew passes for movement within the state.

**UPDATE (25.04.2020)**

Update 1: The Himachal government has decided to provide relief to consumers related to paying electricity bills. As per the decision of the government, they will be able to deposit the bill in installments as well.

Update 2: The Himachal Pradesh government, on Saturday, announced its decision to relax curfew for morning walkers amid the nationwide COVID-19 lockdown and pandemic. The state government announced that it was relaxing the curfew from Sunday for the time period between 5.30 am to 7 am for those who wanted to go for an early morning walk. This decision was taken by Chief Minister Jai Ram Thakur during a state review meeting over the COVID-19 pandemic. Apart from relaxing curfew for early morning walkers, the state has also decided to ease curfew for four hours between 10 a.m. to 2 p.m, as compared to the previous relaxation of three hours.

Update 3: The District Magistrate of Solan issued an order allowing industrial units situated in District Solan to increase their work shifts from present number of two shifts to three shifts; subject to the compliance of the condition that not more than 30-40% workforce shall be allowed to work in one shift.

Update 2: The state government is providing free dry ration to children, lactating mothers and pregnant women through anganwari workers.

UPDATE (12.04.2020)
A drive-through sample collection center has been set up in Gurugram to ease COVID19 tests. One can apply for the test by filling details online.

UPDATE (11.04.2020)
Update 1: Amid indication by the Prime Minister, Mr Narendra Modi for extending the nationwide lockdown for further two weeks, the Haryana Chief Minister, Mr Manohar Lal directed to plan its implementation in a phased manner, while again resolving to combat this global pandemic of corona virus.

The Chief Minister shared this while addressing the people of the state during ‘Haryana Aaj’ programme through live telecast. He said that that the state would be divided into three zones i.e. red, orange and green. The red zones would include the four districts of Gurugram, Faridabad, Nuh, and Palwal which are the hotspots. The orange zone has been tagged as the vulnerable category, meaning thereby the areas and districts where the number of Corona patients is less, more people are kept in surveillance and observation. While the third category i.e. Green zone will include those areas where there are no positive cases.

While informing about the process to reopen the industries, he said that the Micro, Small and Medium Enterprises have to make a plan that those industries which will be following the social distancing norms, food and lodging arrangement for their workers inside their factory premises will be allowed to run their factories. He urged the small business enterprises to draft their plan today only and said that social distancing committees will be made at district, block, city and village level. Through these committees the permission will be given as to which factories or industries will be allowed to carry out their operations.

The Chief Minister said that the movement of raw material, finished goods will be allowed but the movement of people will be limited so that during the lockdown period and while following the social distancing norm it should be ensured to break the transmission chain of the virus.

He said that wearing a mask should be adopted as a routine habit and should become a part of our lifestyle

Update 2: The Haryana government has provided relief to individuals covered under various social security schemes, who are unable to withdraw their pension through biometric or voucher till June 30, 2020, the government has decided not to stop their pension.

Due to the ongoing lockdown, the pensioners were facing trouble to withdraw their pension through vouchers by going to banks. Keeping in view the present circumstances, the government has decided that the pension of the beneficiaries who are unable to withdraw their pension will not be stopped till June 30, 2020.

Update 3: The government has appealed to the banks to make provision of tokens at home. This is to ensure banks don’t get overcrowded and people do not have to wait. People should only go to the bank when their number arrives.
UPDATE (10.04.2020)
Update 1: To keep up with the difficult times and ensure trainees do not lose valuable training time due to lockdown, the Department of Skill Development and Industrial Training (SDIT), Haryana launched a unique program, aptly termed e-Skilling aimed at engaging trainees with relevant learning material.

UPDATE (28.03.2020)
Update 1: The Delhi government has announced the distribution of free ration from 1,000 ration shops. All remaining ration shops in the state will also distribute free ration in the coming days.

Update 2: On the directions of the Chief Minister Arvind Kejriwal, the government has operationalized 568 Hunger Relief Centers in schools, apart from 238-night shelters. The government has stated that they now have the capacity to feed lunch & dinner to approximately 4 lakh persons daily.

Update 2: The Gurgaon administration has made it mandatory for all to wear masks in public in the entire district of Gurgaon.

Update 3: In a bid to make hassle-free procurement of Mustard and Wheat during the Rabi season and to reduce congestion in Mandis, Haryana Government has decided to restrict the entry of farmers in the Mandis to 50 farmers only at one time. The decision has been taken to maintain social distancing norms in view of the COVID-19 Pandemic.

UPDATE (09.04.2020)
Update 1: The Haryana government has decided to double the salary of all healthcare officials and workers who are tackling the Covid-19 outbreak in the state.

Update 2: Karnal district, Haryana has started Adopt A Family campaign, under which people are contributing to support needy families during lockdown; under this, 13,000 families are being supported using Rs. 64 lakh contribution which has been received.

Update 3: The Haryana government will provide Rs 30 lakh cover (in case of death), to the police personnel directly engaged in the fight against the spread of COVID-19 in the state.

UPDATE (09.04.2020)
Update 1: The district administration of Gurgaon has partnered with emohaeldercre for providing all needs for the elderly, including doctor consultation, home delivery of essentials, emotional support and emergency support.

Update 2: Keeping in view the unprecedented circumstances due to n-COVID-19 and the economic hardship faced by the General Public, the Haryana Government has directed all the Departments and Public Sector Undertakings (PSUs) not to levy any penalty on various types of dues since March 15, 2020 including surcharge or penal interest till April 30, 2020.

Update 3: The district administration announced that it would launch a door-to-door survey of all households to check residents for symptoms of Covid-19 and record their recent travel history. With Gurugram seeing a surge in the number of cases the city is now being treated as COVID hotspot.
The mammoth exercise will cover nearly 25 lakh people in Gurugram. Deputy commissioner Amit Khatri said people with flu-like symptoms and those with travel history will be further investigated. About 500 teams for urban areas and another 203 for rural areas have been formed to conduct the survey. Training of the staff for the survey in urban areas began on Wednesday. Officials have not yet given a timeline for the survey to be completed.

**Update 4:** The district administration has designated 9 areas as containment zones. Some measures that will be taken in such areas are:

- Complete sanitization of area
- Door to door delivery of essential goods
- Movement completely restricted
- Screening and scanning of residents

The Government of Madhya Pradesh has approved an order of using Hydroxy Chloroquine for the prophylaxis of nCoVID-19 in at risk patients. |
| 25.03.2020   | **UPDATE**  
The Government of Madhya Pradesh keeping in mind the growing transmission cases in the state has released a “Containment Plan-B Strategy”. The strategy focuses on Containment Area, Combat Response, Perimeter Control, Contact Tracing, and Buffer Zone Surveillance. |
UPDATE (24.03.2020)
The government of MP have created guidelines to control the spread of nCoVID-19 by equipping district medicals with adequate equipment and ICUs. A dedicated district taskforce headed by the DM will conduct the walk-in interview to operate such centers.

UPDATE (23.03.2020)
Over 35 districts in Madhya Pradesh have so far declared lockdown in view of the growing threat of coronavirus in the state. The lockdown period in districts varies from 72 hours to April 3, official sources said. State capital Bhopal, Tikamgarh, Dindori, Raisen, Rajgarh, Chhatarpur, Datia, Morena, Hoshangabad, Umaria and Anooppur will remain under lockdown till March 31, while Narsinghpur will remain so till April 3. Besides, Sehore, Shajapur, Agar Malwa, Rewa, Shivpuri, Katni, Gwalior and Bhind will be locked down till March 24, Shahdol, Alirajpur till March 23, Dewas, Neemuch, Singrauli, Guna, Ratlam, Mandla, Mandsaur, Balaghat, Seoni, Ujjain, Sheopur, Jhabua, Vidisha till March 25, Jabalpur till March 26. Betul and Chhindwara will be under lockdown till further orders, the sources said. Prohibitory orders under Section 144 of CrPC have also been imposed in all these districts, they said.

UPDATE (22.03.2020)
Update 1: In view of the rising threat of coronavirus infection, acting Madhya Pradesh Chief Minister Kamal Nath directed state Chief Secretary and Director General of Police to maintain complete shutdown by closing all business establishments in the state as per the requirement.

Update 2: The Madhya Pradesh School Education Department has asked the teachers to work from home in view of coronavirus spread. Earlier, when the schools were ordered to be kept shut, the teachers had been asked to visit their school during the regular duty hours.

Update 3: In a separate order, the Madhya Pradesh government directed the employees and officials of all its departments, except to the departments providing essential and emergency services, like health, police, fire brigade, electricity supply and sanitation, to work from home starting Monday till March 31.

Update 4: In view of the inconvenience caused to the poor families due to the lockdown, the caretaker Chief Minister Mr. Kamal Nath has instructed to provide ration free of cost to be distributed this month from shops of fair price in Bhopal and Jabalpur districts.

UPDATE (21.03.2020)
Total lockdown has been ordered for Jabalpur, Rewa, Seoni and Narsinghpur. MP CS M Gopal Reddy took stock of the situation in a video conferencing with district collectors on Saturday. Narsinghpur would be placed under 14-day lockdown from midnight on Saturday. Jabalpur and Rewa would be under lockdown for three days and in Seoni became effective from noon on Saturday. The decision was taken in emergency meeting held in midnight of district and police administration after four cases of coronavirus were found positive in Jabalpur. Section 144 has been imposed to implement the total Lock down.
UPDATE (19.03.2020)
The Madhya Pradesh government on Wednesday declared novel coronavirus as an infectious disease for the entire state. In the midst of political crises in the state, making a disease legally notifiable allows for intervention to control the spread of highly infectious diseases. A notifiable disease is any disease that is required by law to be reported to government authorities. The collation of information allows the authorities to monitor the disease and provides early warning of possible outbreaks. Any failure to report a notifiable disease is a criminal offence and the state government can take necessary action against defaulters. According to the notification issued by the Department of Public Health and Family Welfare, the action has been taken under Section 50 of the Madhya Pradesh Public Health Act 1949

UPDATE (18.03.2020)
The Madhya Pradesh government has ordered the closure of state-protected monuments and all archaeological museums till further notice as a preventive measure to avoid the spread of the contagious virus. Pankaj Rag, Commissioner of Archaeology Archives and Museums said that museums and monuments will be closed for the visitors till further order, but staff will remain present on duty.

The government also announced the closure of malls, sanctum-sanctorum of prominent temples, public gardens, marriage halls in Indore till March 31. Besides, coaching centres, gyms, amusement parks, water parks, libraries, pubs, and discotheques will also be closed till March 31.

UPDATE (13.03.2020)
Update 1: The minutes of meeting chaired by Hon’ble CM on COVID-19 preparedness can be found here.

Key measures to be adopted:
• Suspending schools and colleges except board exams
• Closing cinema halls, suspending bio-metric attendance of employees,
• Stopping official travel, postponement of official meetings and trainings, and public gatherings
• Urging religious heads to reduce or curtail religious gatherings
• Keep close watch on the situation in the neighboring states of Chhattisgarh, Maharashtra, Uttar Pradesh, Rajasthan
• Ensure adequate funds are made available for handling the situation.

Update 2: The Madhya Pradesh government on Friday ordered closure of schools as well as cinema halls in view of the coronavirus threat.

While schools, both government and private, will remain closed indefinitely till further order, cinema halls will remain closed till March 31, or as per further order.

An order issued by the Commercial Tax Department and signed by deputy secretary S D Richharia said all cinema halls across the state have been asked to remain closed from March 14 to March 31 or till further order.
### 7. Kerala

**UPDATE (1.05.2020)**
The first special train from Kerala carrying 1,200 migrant workers to Bhubaneswar in Odisha will leave from the Aluva railway station on Friday evening, state Minister V S Sunil Kumar said, amid indications that five more such trains were likely to be operated.

**UPDATE (29.04.2020)**
In a bid to ensure food security and employment generation, Kerala announced a Rs. 3,000 crores package for the revival of the agriculture sector. Chief Minister, Shri Pinarayi Vijayan announced that the government plans to spend Rs. 3,000 crores in the next one year to boost food production and revive agriculture. Out of this, Rs. 1,500 crores will be raised from the plan allocation of LSG bodies and various departments and the remaining Rs. 1,500 crores will be provided as loans from NABARD and the Co-operative Sector.

**UPDATE (29.04.2020)**
Update 1: The Kerala Government decided to issue an ordinance allowing it to cut salaries of its employees to mobilise funds for the state to tackle the COVID-19 crisis. The move comes a day after the Kerala high court stayed an order of the state government directing salary cut of its employees, ruling that it lacked legal backing. The current ordinance has been approved by the state cabinet. Announcing the decision, Kerala Finance Minister TM Thomas Isaac said that under the ordinance, the state government is empowered to defer 25 percent of the salary of its employees in the event of a disaster.

Update 2: In a move to strengthen the preventive measures against coronavirus, the state government has made face masks compulsory for all at public places. The government has strictly warned against any deviation from implementing the preventive measures.

**UPDATE (28.04.2020)**
The Kerala Government is giving a big push to the homeopathic medicine industry; it is calling the medicine an immunity booster and has been distributing vials to around 4.5 million people across the state.

**UPDATE (27.04.2020)**
The Electronics & IT Department of Government of Kerala announced some resurgence measures to tide over economic crisis faced by IT/ITeS companies/establishments in Government IT Parks due to the outbreak of COVID-19 pandemic.

**UPDATE (27.04.2020)**
Update 1: Kerala wants the nationwide lockdown imposed to curb the spread of coronavirus to be lifted in a staggered manner and has asked for an exclusive Covid-19 financial package from the Centre. The southern state, with a large expat population, also wants the central government to expedite their return. This was conveyed by the state Chief Secretary who represented the state at the chief ministers’ video conference with Prime Minister Narendra Modi to discuss the Covid-19 situation in the country on Monday.
**Update 2:** In the wake of 11 cases reported in the past two days in Kottayam district, Minister P Thilothaman decided to impose strict restrictions. Nothing will function in the affected area except essential services. The required items will reach houses. Only medical stores will be opened in hotspots.

**Update 3:** There has been no third stage spread or community transmission of COVID-19 infection so far in Kerala, but there is need to exercise vigil, Kerala Health minister K K Shailaja, said.

In a move to check for community spread of COVID-19, Kerala has begun random testing of asymptomatic persons. The state has formulated a new testing plan to find ‘any undetected COVID-19 positivity among the general population of Kerala’. The state plans to test 3,000 samples from the general population on a daily basis, and all these tests will use the RT-PCR (real-time reverse transcription polymerase chain reaction) kit – considered the gold standard to detect SARS-CoV-2, the virus that causes the COVID-19 disease. The 3,000 samples exclude those who will anyway be tested for the virus based on the current protocol in place in the state.

**Update 4:** The Kerala government on Sunday initiated the registration process for bringing back people from the state stranded in various countries. There are over 1.5 lakh Non-Resident Keralites (NRK)s, stranded in different countries, have registered online for returning to the state, once the Centre gives the nod and air services resume.

**UPDATE (26.04.2020)**
Chief Minister Pinarayi Vijayan directed district collectors and district medical officers to conduct Covid-19 inspections in all districts. He said that the people who are not asymptomatic should be examined. The government will provide the necessary kit.

**UPDATE (25.04.2020)**
With the Union government relaxing the lockdown restrictions, the Kerala government on Saturday gave permission for shops in rural areas except malls to function. “We will implement the relaxations announced by the Union government. However, jewellery shops will not be allowed to function at this juncture. There will not be any relaxation in hotspots and districts which have been declared red zones,” said chief secretary Tom Jose.

**UPDATE (24.04.2020)**
The state government issued an order to treat all regular/contractual/casual/daily waged employees in the state PSUs who are unable to reach the offices for attending their normal duties due to restrictions from 24.03.2020 to 30.04.2020 “on duty” subject to the following conditions:
- PSUs should meet the expenditure from their own funds.
- Payment for workers in essential/exempted service industries should be done subject to the management satisfying itself that non-attendance of an individual is due to restrictions on inter district travel only.
UPDATE (24.04.2020)

Update 1: The government is planning to implement reverse quarantine in the state as soon as the lockdown in the state ends. Under reverse quarantine, senior citizens and people with serious diseases will be isolated. The expert committee appointed by the government has also issued directions in this regard.

Update 2: In the wake of the increasing number of people illegally crossing of border to Kerala from neighbouring Karnataka and Tamil Nadu, Kerala police and forest officials have enhanced vigil along the border areas. Even drone surveillance is being made at forest areas to trace illegal movements.

Update 3: The Kerala Government issued an order to deduct the salary of government employees for six days every month for the next five months as part of raising funds for fighting the Covid-19 pandemic in the state. The order made it clear that there will be no salary cut for those staff who earn less than Rs 20,000 per month.

Update 4: After hearing the various petitioners in the now controversial transfer of Covid-19 patient data by the Kerala government to US-based firm Sprinklr, the Kerala High Court on Friday, while refusing to stay the agreement, gave a number of directions to the Kerala government to see that all safeguards regarding data privacy are maintained and posted the case for hearing after three weeks.

UPDATE (22.04.2020)

Update 1: The state government has formed a seven-member core panel consisting of top officials to strategize the returnees without it leading to situation where its hospitals are overwhelmed by them. As a first step, the government has issued an order which said all returnees should register with Norka-Roots, the nodal government agency under its non-resident Keralites’ affairs (NORKA) department.

Update 2: As part of massive COVID-19 mitigation efforts in agriculture to make the state self-sufficient, the Kerala government announced that all wastelands would be used for farming. Kerala is a consumer state which depends on other states for food grains, fruits and vegetables.

Update 3: The Kerala government has decided to defer one month’s salary of government employees in five monthly installments as well as to cut 30 percent salary of all cabinet members, MLAs, local body representatives, and all chairpersons of various boards and corporation.

Update 4: Kerala Higher education department has withdrawn its controversial order that prescribed exam schedule for universities in the period after the lockdown. The new order, issued on Tuesday, said universities are free to decide on exam dates, depending on ground realities after lockdown ends.

UPDATE (21.04.2020)

Kerala CM announced that the hotspots in LSG areas would be sealed and only limited medical shops would be allowed to open. The relaxations announced earlier would not be applicable in Kannur district as it is in Red Zone and all restrictions would continue till May 3.
**UPDATE (20.04.2020)**

**Update 1:** The Kerala government has revoked some relaxations it had provided under its revised guidelines for the lockdown. The move comes after the Centre chided it for diluting guidelines provided by the Ministry of Home Affairs (MHA).

**Update 2:** Chief Minister, Shri Pinarayi Vijayan announced that the Institute of Advanced Virology (IAV) at Thiruvananthapuram has got membership in the Global Virus Network (GVN). This is the first institution in the country to get the prestigious GVM membership. This would give IAV access to the GVN’s researchers at 45 centres across 29 countries for detection and management of viral diseases apart from the exchange of ideas and resource material.

**Update 3:** After Government of Kerala, in its revised guidelines, allowed opening of activities, prohibited under Consolidated Revised Guidelines issued by MHA, the central government took strong objection to the Kerala government’s decision and directed the state government to rectify its guidelines. The MHA said that Kerala’s steps amounted to dilution of guidelines issued by the MHA and violation of its April 15 order issued under the Disaster Management Act 2005.

Soon after receipt of the MHA’s instructions, Kerala Chief Secretary said the state government would amend their order, even as he insisted that Union home secretary was consulted before the state government allowed additional activities during the lockdown

**UPDATE (17.04.2020)**

The Kerala Government issued consolidated revised guidelines for containment activities as per directions of MHA.

**Update 3:** Kerala Chief Minister, Shri Pinarayi Vijayan today announced that the State Government is setting up 22 Cancer treatment centres across all the 14 districts in the State in association with the Regional Cancer Centre (RCC) at Thiruvananthapuram. This would enable cancer patients to continue their treatment during this Covid period.

**Update 4:** The Kerala State Electricity Board has informed that no fines will be levied on electricity bill payments till May 3. Cash counters will not be operational at section offices till May 3. Meter reading is set to begin from April 20 onwards.

**Update 5:** In the wake of coronavirus spread and subsequent lockdown imposed, the Kerala government has made textbook for Class 1 to 10 in state board syllabus, available online. Both Malayalam and English medium textbooks are available in PDF.

**UPDATE (15.04.2020)**

Kerala Chief Minister, Shri Pinarayi Vijayan demanded the inclusion of State Relief Funds to be made eligible for Corporate Social Responsibility (CSR) funding by making changes to the Companies Act. The Chief Minister said in a letter to the Prime Minister, he had requested his intervention to “correct this inequality” which was against the principles underlying cooperative federalism and adds to the fiscal stress of the states.
UPDATE (17.04.2020)
Kerala Chief Minister, Pinarayi Vijayan yesterday presented a plan for a phased relaxation of lockdown in the State, in consonance with the Central guidelines. “The State Government will abide by the general guidelines announced by the Central Government while extending the lockdown till May 3. We would request approval from Centre for grouping of districts based on the number of active/positive cases and allowing certain exemptions in these places. However, all common restrictions applicable to pan India will continue in Kerala”, he said.

The Chief Minister also announced that the State would need Central approval to exempt certain districts from the hotspot list declared by the Centre. All the districts in the State have been grouped into four zones based on the number of active/positive cases being reported.

UPDATE (16.04.2020)

Update 1: The State cabinet today decided to follow the Central instruction in the case of lockdown relaxations. While giving relaxations, the State will abide by Centre’s instructions. Relaxation will be given in Agricultural, coir, fisheries sectors, in line with the instructions given by the health department. The government offices will function with only required staff.

Update 2: The Kerala government has issued an order giving permission for interstate travel during lockdown to those seeking treatment in the State, or pregnant women, and in case of death of a relative or imminent death. Necessary documents must be obtained by the competent authority in order to get entry into Kerala, according to the order issued by Chief Secretary, Tom Jose.

UPDATE (14.04.2020)

Update 1: Due to the lockdown extension, Kerala Public Service Commission has postponed all the recruitment exams. According to a statement released by the Commission Tuesday, the examinations scheduled from April 16 to May 30 have been deferred. New dates will be intimated later.

Update 2: The Kerala State Civil Supplies Corporation is distributing food and water to truck drivers in the district. The Corporation is charging Rs 30 from the drivers for the same.

UPDATE (13.04.2020)

Update 1: In a special state cabinet meeting held today, the government has decided to take a call on extending the lockdown in the state only after the decision of the centre. However, the meeting concluded that restrictions will be withdrawn in a phased manner and withdrawing it in one go will have an opposite effect. The cabinet will now meet on Wednesday, as by then the guidelines of the Centre will be out.

Update 2: The state government has issued protocol for rapid testing of COVID-19 with the idea of identifying cases of community transmission and to determine the extent of herd immunity in the population. The guidelines have identified four main “priority groups”.

ASSOCHAM
Celebrating 100 Years
Update 3: In a special state cabinet meeting held today, the government has decided to take a call on extending the lockdown in the state only after the decision of the centre. However, the meeting concluded that restrictions will be withdrawn in a phased manner and withdrawing it in one go will have an opposite effect. The cabinet will now meet on Wednesday, as by then the guidelines of the Centre will be out.

Update 4: The state government has issued protocol for rapid testing of COVID-19 with the idea of identifying cases of community transmission and to determine the extent of herd immunity in the population. The guidelines have identified four main “priority groups”.

UPDATE (12.04.2020)
The Kerala government is of the view that lockdown restrictions should be restricted to hotspots and that each state be allowed to take a decision in this regard. In the video conference of all CMs with Prime Minister Narendra Modi on Saturday, Kerala CM Pinarayi Vijayan advocated a phased removal of lockdown restrictions. He said that the pandemic could spread further if there was unrestricted public movement and could lead to a serious situation in a densely populated state like Kerala. The state wants all restrictions in place in districts identified as hotspots to continue till April 30, but in other districts those activities permitted by the government should be allowed by ensuring social distancing.

UPDATE (11.04.2020)
The Kerala government today launched a WhatsApp number to report cases of domestic violence in the state, which have been on the rise during the coronavirus lockdown. Kerala Chief Minister Pinarayi Vijayan said complaints can be made to the number-- 9400080292--, which will be available 24 hours.

UPDATE (10.04.2020)
The Kerala government has begun distribution of free food kits for the ration card holders. Each kit, worth around Rs 1,000, contains 17 items including one kg sugar, 250 gm tea powder, one kg salt, green gram, half-a-litre cooking oil, two kg atta, one kg rava, one kg black channa, soaps etc among others. The state has allotted Rs. 350 Cr for this purpose.

UPDATE (09.04.2020)
Update 1: The special task force of experts, constituted by the state government has recommended a gradual phase-by-phase easing of the COVID-19 lockdown after April 14, 2020.

Update 2: Concerned about Covid-19 outbreak in places with large Malayali populations, Kerala has set up help desks in the UAE and Oman to facilitate access to medical care.

UPDATE (08.04.2020)
The government has allowed mobile phones sales and service shops to be open on Sundays; workshops, garages and spare parts shops would be operational on Sundays as well as Thursdays.

UPDATE (07.04.2020)
The Government of Kerala has released an order permitting the functioning of automobile workshops and truck repair shops.
UPDATE (06.04.2020)
The Government of Kerala has decided to distribute rations for 7-weeks to all persons, regardless of them having a ration card or not.

UPDATE (04.04.2020)
Update 1: The Government of Kerala is working with SheTaxi to help the elderly and the sick to buy medicines and commute to hospitals during lockdown in the districts of Thiruvananthapuram, Kozhikode and Cochin.
Update 2: The Chief Minister announced the formation of a 17-member task force to come out with recommendations on a phased return to normalcy after the end of the lockdown period. The task force consisting of eminent persons would be headed by the former Chief Secretary, K M Abraham, IAS Rtd. as its convenor.
Update 3: The state government has permitted online food orders to be taken till 8 PM:
- The government has given permission for hotels and takeaway counters to issue online food orders until 8 pm.
- The working hours were open from 7 am to 5 pm. The sale, which is not online, is scheduled to close at 5 pm.
- The order also states that those who deliver food online at 9 pm should stop working.

UPDATE (03.04.2020)
Update 1: The Government of Kerala has made an addendum to its previous order dated March 12 concerning guidelines for testing, quarantine, hospital admission and discharge. The following two changes have been made to increase the testing and hospitalization categorization:
- ‘A High Risk contact’ has been modified to include ‘Travel to a locality where active COVID-19 community spread is suspected or clustering of COVID-19 cases is detected in the last 14 days.
- CATEGORY A now only includes Mild Sore Throat/Cough/Rhinitis/Diarrhea. Fever has been removed from the list.
Update 2: The Government of Kerala has given sanction to the Division of Thrombosis Research, Biomedical Technology Wing, Sree Chitra Tirunal Institute of Medical Science and Technology to develop a Rapid Diagnostic Kit for detection of SARS CoV-2.
Update 3: The Kerala Government has announced financial assistance for the members of various Welfare Funds and Boards. This financial assistance package is mainly to help the thousands of their members tide over this lockdown period.
Update 4: The Government of Kerala has clarified that delivery of parcels is a permissible service in the state for the lockdown period.

UPDATE (02.04.2020)
The government has allowed online/at door delivery of food items, including cooked food from take away counters of Hotels, up to 8pm in relaxation of the existing general order.

<tr>
<th>UPDATE (22.03.2020)</th>
</tr>
</thead>
</table>
| The office of the Chief Minister of Kerala, Pinarayi Vijayan, on Sunday dismissed news reports that the government planned to bring more districts in the State under total lockdown. In a statement here, the office stated that the government had stringently regulated public life only in Kasargode for now.  
Chief Secretary Tom Jose said of the seven new fresh COVID-19 cases that were detected in the State on Sunday, five were from Kasargode. Those infected had recently returned from the Gulf. Given the gravity of the epidemic situation in Kasargode, the government was constrained to impose a total shutdown without disrupting essential services and procurement of food, milk, medicine and other commodities, he said.  
The Centre had advised the Kerala government to lockdown at least seven districts which had reported COVID-19 infections. However, it had given the State considerable latitude in making its own decisions. |

Update 2: The Assam Police has launched four helpline numbers for providing help to the elderly in distress.

UPDATE (15.04.2020)
The Assam government has decided to shut down all wine shops across the state from 5 pm on Wednesday in view of the consolidated revised guidelines issued by the Ministry of Home Affairs dated April 15, 2020.

UPDATE (14.04.2020)
Update 1: The Supreme Court has allowed those who had completed two years in detention centres in Assam to be released on a bond of Rs 5,000 and two sureties of the same amount. The measure, despite opposition from the Centre, has been taken to curb outbreak of Covid-19. A three-member bench headed by Chief Justice SA Bobde, conducting a hearing via videoconferencing, was examining a plea pertaining to the issue of overcrowding and infrastructure of prisons across the country in light of Covid-19.

Update 2: Around 13,500 persons have registered themselves as volunteers to help people manage their mental stress in the ongoing coronavirus crisis under an initiative launched by the Assam State Disaster Management Authority. The volunteers will also be engaged in an exercise of contact-tracing of the COVID-19 cases in the state, officials said on Tuesday.

UPDATE (13.04.2020)
Assam government on Monday decided to provide financial assistance to those people from the state stranded in other areas due to the nationwide lockdown and launched a Helpline number (No 96-1547-1547) where people can call and provide their details. Finance and Health minister Himanta Biswa Sarma said that the exact amount of the assistance will be announced later after taking in consideration the number of calls received. He also clarified that those who were working outside the state but returned home before the lockdown are not eligible for the assistance.

UPDATE (12.04.2020)
The Assam Excise department issued an order allowing wine shops to remain open from April 13-17 between 10 am and 5pm. The order also urged the staff members of the wine shops to ensure “social distancing of at least one meter between customers cough etiquette and to strictly follow directives issued by National Health Mission”.

UPDATE (11.04.2020)
The Assam Police has decided to enforce the odd-even formula for the vehicles used in essential services in Guwahati city as part of the lockdown. All ambulances, doctors, health workers, media personnel, on-duty government officials, water-carrying vehicles and goods-carrying trucks having full body will, however, be exempted from the rule.

UPDATE (10.04.2020)
Update 1: Tea estates in Assam which have been hit hard by the current corona virus pandemic and the related lock down, are set to resume operations in a few days with the state government starting the process to allow them to do so.

Cachar, Hailakandi, Kamrup, Kamrup Metro, Lakhimpur, South Salmara and Karimganj in Assam have been identified as non-hotspot districts.
Update 2: Taking to his twitter handle, Assam health minister Mr. Himanta Biswas Sarma announced that the Assam government shall provide financial assistance to patients of cancer, heart surgery & kidney transplant, stuck outside Assam due to lockdown and a special helpline - 0361 2558955 was provided for them to avail assistance.

UPDATE (09.04.2020)
The Income Tax Department and the Finance Ministry has clarified that all donations to Assam Arogya Nidhi are eligible for 100% deduction as per Sec 80G(1).

UPDATE (08.04.2020)
Assam Police in association with Gauhati Medical College & Hospital (GMCH) & Clinical Psychologists/Psychiatric Social Workers have launched tele-counseling helplines for those in need of mental health care and support due to Covid-19.

UPDATE (07.04.2020)
Update 1: The Assam government is considering issuing entry permits as a temporary measure to regulate the entry of people in the state after the nationwide lockdown ends. This will be a special entry permit and not on the lines of Inner Line Permit, as required in some of the other north-eastern states but it will be completely “temporary” in nature, Assam Health Minister Himanta Biswa Sarma said.

Update 2: Assam chief minister Sarbananda Sonowal launched COVID QCheck Android app at Hojai. COVID QCheck app is specially meant for the Hojai district administration, the first of its kind in Assam, to keep eye on all the 2,641 people who have been home quarantined in the district.

UPDATE (05.04.2020)
Chief Minister Sarbananda Sonowal announced that besides health workers, police personnel and other Assam government employees directly engaged in the fight against COVID-19 will also get Rs 50 lakh insurance coverage.

UPDATE (03.04.2020)
Addressing a press conference, Assam agriculture minister Atul Bora on Thursday said the state government has indefinitely banned selling and transportation of all vegetables in Golaghat after eight COVID-19 cases were reported from the district.

UPDATE (30.03.2020)
Chief Minister Sarbanand sonowal held a meeting with Ministers in Guwahati and took stock of prevailing situation due to COVID19 & the Lockdown. A slew of packages were decided in the meeting to provide relief to the people of Assam:
• Starting 1st April 2020, 58 lakh (approx) BPL households will be provided free rice for which they paid Rs 1/kg previously.
• Poor households without NFSA & ration cards will be given one-time financial assistance of ₹ 1000.
• Construction and repair work of new and existing river embankments will start from 1st April 2020. Construction workers and others involved have to adhere to the norms laid down by the Health Dept.
As construction workers have faced a lot of hardships during the lockdown, it was decided to provide ₹ 1000 each to 2.78 lakh workers across Assam.

Authorities of food processing industries and tea gardens can approach DCs to resume operations from 1st April 2020.

UPDATE (28.03.2020)

Update 1: In furtherance to the lockdown orders, an additional advisory was issued that exempted the movement of vehicles supplying and carrying food grains as well as exempting operations of daily markets for fruits and vegetables from the purview of the lockdown orders.

Update 2: During a meeting of the Department of Commerce and Industries, Government of Assam under the chairmanship of the Secretary to the department, it was decided that:

- Amazon and Flipkart were allowed to continue their day to day services and had to apply for passes for operations from the office of the Deputy Commissioner.
- All GM’s were directed to liaison with the Deputy Commissioners for permission to operate industries involved in manufacturing of essential commodities.

Update 3: The state ordered Deputy Commissioners of the state to issue gratuitous relief materials for 7 days to the daily wage workers in the urban areas as per the norms of Assam Relief Manuals. The state also ordered the production units of daily groceries such as bread, biscuit, water, rice and so on to continue production with minimum staff maintaining social distancing.

UPDATE (27.03.2020)

Update 1: Chief Minister issues directive for lockdown. Some directives are:

- Deputy Commissioners will organize distribution of vegetable etc through mobile vans in all areas in alternate days.
- All markets will remain closed until further order except grocery and pharmacy.
- All meat, fish shops will remain closed till March 31.

Update 2: An additional advisory was issued by the Assam administration:

- Interstate & intrastate movement of petroleum products, dairy products, animal feed, LPG, food items, drugs, pharmaceutical and medical items will note be restricted.
- District Authority to maintain a database of transporter/suppliers of such products.
- Railways, airports for exempt cargo movement to be allowed.
- Supply of fruits, vegetables and dairy products to be made available at doorsteps.
- The total no. of persons to be allowed to the market should not be more than ten at a time.
UPDATE (26.03.2020)

Update 1: Regarding loading & unloading of essential commodities, the CM directed the District Transport Officer to arrange special vehicles on emergency basis. Officials were asked to ensure that essential & emergency workers don’t face any problem during the lockdown.

Update 2: The CM has instructed officials to give special attention to people above 65 years and below 10 years of age to ensure their protection from COVID19. In addition, the CM has also directed setting up of a Helpline numbers for senior citizens so that they can receive essential commodities without hassle.

UPDATE (23.03.2020)

The Assam Government has decided for a complete lockdown in Assam from 6 PM till 12 PM of March 31. Only essential services will be able to function in the state.

UPDATE (22.03.2020)

The State Transport Department has issued an order to prohibit all inter-state passenger vehicles to and from Assam, to other States and UTs up to March 31, 2020. The order has exempted goods vehicles.

UPDATE (21.03.2020)

To combat the COVID-19, Assam government has invoked Epidemic Act 1897 to prevent the spread of disease. Assam government has decided to transfer $2000 to those people from Assam stranded outside the country.

Following the pandemic, Assam state Election commission has deferred election to Bodoland Territorial Council. Election was slated for April 4. Assam government and opposition Congress had sought deferment of polls to the sixth schedule council.

Update (20.03.2020)

Update 1: Assam government cancelled all examinations in the state till March 31 apart from directing that now, 50 per cent government officials will work from home. The new directives came in the wake of the novel coronavirus, or Covid-19, outbreak in India. Assam health minister Himanta Biswa Sarma on Friday said that the state government has taken preventive measures to keep a check on the novel coronavirus outbreak. From March 21, 50 per cent employees of the government departments will work from home on a rotation basis. This rotational system will be continued till March 31. But the employees of the essential services including health, fire brigade, police etc, will have to continue their duties regularly. There will be no leave for the employees of health department including ministers. The state government has also decided to shut all crowded areas in the state in the next 48 hours to stop mass gatherings.

Update 2: After shutting down all educational institutes to prevent spread of coronavirus the Assam education department on Friday ordered use of WhatsApp to resume education activities remotely to prevent any possibility of dropout during the period of closure. The state department also stated that other free technologies like Google Classroom should be explored in future and feedback of the same needs to be shared with them.
**UPDATE (19.03.2020)**  
The state government has ordered shutting all museums, libraries, coaching centres, beauty parlours and barber shops till 31st March 2020.

**UPDATE (18.03.2020)**  
**Update 1:** The Assam government has ordered the closure of all liquor bars, night clubs, beauty parlors and salons in the state as a precautionary measure against the spread of coronavirus.

**Update 2:** The government of Assam issues The Assam Epidemic Diseases, COVID-19 Regulations, 2020. The rules classify appropriate personnel as authorized persons. The rules also list down measures and instructions to be followed with respect to the containment and handling of the COVID-19 epidemic.

**UPDATE (16.03.2020)**  
Gymnasiums, swimming pools and cinema halls in the state till March 29 as state governments ramped up measures to avoid community transmission of coronavirus. The state government has also decided to close all national parks, tiger reserves and sanctuaries in the state beginning from the 17th. Permissions granted for film shoots and research in protected areas will also remained suspended till March 29.

**UPDATE (15.03.2020)**  
The Government of Assam has declared all schools, colleges and universities closed till 29th March as a measure to combat coronavirus. The state government has issued the order, with immediate effect.

**10. Tamil Nadu**

**UPDATE (30.04.2020)**  
**Update 1:** Tamil Nadu government on Thursday announced the formation of a special task force under Chief Secretary K Shanmugam to attract investments from overseas companies which were likely to relocate from certain countries post-coronavirus outbreak.

Chief Minister K Palaniswami constituted the special task force to invite investors from Japan, South Korea, Taiwan, Singapore and the United States who might relocate their operations to countries like India to diversify their supply chain.

Maintaining that the government was committed to revive industrial sectors and make them vibrant once COVID-19 pandemic recedes, the government said due to adverse impact on the global economy by coronavirus, many industries located overseas are likely to exit from certain countries and relocate their base in countries like India.

**Update 2:** The Government of Tamil Nadu has set up a registration portal for returnees from foreign countries amidst COVID-19.

**UPDATE (29.04.2020)**  
The government of Tamil Nadu has announced relaxation of curfew due to COVID-19 in Chennai, Coimbatore and Madurai.

**UPDATE (26.04.2020)**  
The government of Tamil Nadu has allowed storage of fresh produce in integrated units for 15 days followed by loan facilities to farmers if they decide to lease private units.
**UPDATE (23.04.2020)**

**Update 1:** The CM of Tamil Nadu engaged in a video conference at 11 am with entrepreneurs, businesspersons, and industrialists in Tamil Nadu to take a decision upon the exemption of certain industries from the lockdown.

**Update 2:** The Government of Tamil Nadu has identified certain continuous process industries which are being permitted with skeletal staff for essential maintenance of closed units. These are:
- Refineries
- Large Steel Plants
- Large Cement Plants
- Chemical Industries i.e. Paints
- Sugar Mills
- Fertilisers
- Float Glass Plants
- Large Foundries with Continuous Process
- Tyre Manufacturing Plants
- Large Paper Mills

**UPDATE (22.04.2020)**

**Update 1:** The Government of Tamil Nadu has announced free essential commodities for the month of May through tokens for Family Card holders.

**Update 2:** The CM of Tamil Nadu has released a revised relief assistance for Doctors, Nurses, Paramedic Staff, Police Officials, and other workers involved in COVID-19 containment.

**UPDATE (20.04.2020)**

Tamil Nadu government today announced that the COVID-19 lockdown in place would continue to be enforced till May 3. The decision also indicates that there would not be any relaxation of lockdown till that date.

**UPDATE (13.04.2020)**

**Update 1:** Workers from other state will be given 15 kg rice, 1 kg of pulses, and 1 kg of cooking oil for free in May.

**Update 2:** For the second time, a family will be given relief assistance of Rs 1,000 to all registered non-resident workers, including construction workers.

**Update 3:** All the essentials of May (Sugar, Beef, Edible Oil, 1kg, Rice ever supplied) will be provided to the rice family cardholders in Tamil Nadu at reasonable prices. The official tweet can be found here.

**Update 4:** Farmers do not need any passes and permits to move the produce they have produced from one place to another.

**Update 5:** Tamil Nadu government has issued an order regarding extending the lockdown in the state till April 30. This essentially translates to the fact that section 144 of the CrPC will remain in effect in all the state’s 37 districts till the end of this month.
**UPDATE (07.04.2020)**

**Update 1:** The state government has announced that they are expecting to increase mango production in another 15 days. The Utility fee will not be collected till 30.4.2020 from farmers.

**Update 2:** The state government has decided that the merchants will not have to pay the 1% market fee paid by the traders till 30.4.2020 to enable them to distribute the products purchased by the farmers at reasonable prices.

**UPDATE (04.04.2020)**

To further constrain the movement of people, the state government has reduced the time allowed for the purchase of essential items from 6.00 am to 2.30 pm, to 6.00 am - 1.00 pm from the 5th of April.

**UPDATE (02.04.2020)**

The Tamil Nadu Government today announced a special incentive package to industries, including MSMES, to manufacture Covid-19 equipment. The state seeks to encourage companies to manufacture invasive ventilators, N-95 masks, PPE, multi-parameter ICU monitors, and anti-viral drugs used to treat Covid-19; manufacturers are to commence production before July 31, 2020.

The state will give 30 per cent Capital subsidy, subject to a ceiling of Rs 20 crore on the investment made in eligible fixed assets will be provided to eligible manufacturers. The capital subsidy will be disbursed against investments made for making essential equipment, including modifications and upgrades of existing lines. Six per cent interest subvention will also be provided to these manufactures on working capital loans availed from commercial banks. SIPCOT and SIDCO will provide necessary land and sheds on short- or long-term leases on priority, according to a government Order.

**UPDATE (31.03.2020)**

Small, Medium and Small Enterprises (SMEs) who have obtained loans from the Tamil Nadu Industrial Investment Corporation (TIIC) are given a period of 3 months. Chipcat is given a 3-month grace period to pay off the loan payments to companies that have secured credit. Furthermore, the time limit for payment of property tax and drinking water tax to local authorities has been extended to 3 months (up to 30.6.2020).

**UPDATE (27.03.2020)**

**Update 1:** All employees and vehicles of organisations engaged in transit of the essential services and goods require a pass from the TN Government smooth movement within the state, starting from 27.03.2020. The company needs to submit a letter to their respective District Collectors.

**Update 2:** Companies such as “Swiggy, Zomato, Uber eats” are allowed to take breakfast from 7 am to 9.30 pm, lunch from 12 pm to 2.30 pm and dinner from 6 pm to 9 pm.

**UPDATE (26.03.2020)**

- Restaurants and grocery stores are allowed to run all day with no restrictions.
Private banks, small financial institutions and self-help groups make daily/ weekly / monthly and original collections. Since no curfew is currently available for work, such payments have been ordered to be immediately suspended until further orders.

Measures to provide essential items for the family of the isolated persons with appropriate security measures.

UPDATE (25.03.2020)

Update 1: Students who will not be able to write the Higher Secondary Exam (+2) on 24th March 2020 will be given a separate day to write the exam. A schedule will be announced later.

Update 2: The school education department in Tamil Nadu has been ordered to declare all students passed from grade 1 to 9.

UPDATE (24.03.2020)
The Tamil Nadu government issued an order clarifying essential services and essential industries which will be allowed to operate during the lockdown.

UPDATE (23.03.2020)
Tamil Nadu will be under a lockdown till March 31 from 6 PM on to prevent the spread of coronavirus and CrPC section 144 will be invoked for its implementation, Chief Minister K Palaniswami announced.

- Barring essential and emergency services, public and private transportation, including cars, taxis, autos and buses, will not function.
- Outlets selling essential items - milk, vegetable, grocery, fish & poultry will continue to function in this period.
- Employees of private companies and IT firms should be instructed to work from home.
- Restaurants will be allowed to operate ‘take away’ (parcel/delivery) services. Government-run Amma canteens will operate as usual.
- Only hospitals, firms involved in healthcare will operate.
- Government departments and offices other than those are essential like police, fire and rescue, health, courts and local bodies will not function.
- Firms manufacturing essential goods and export companies will to operate with only minimal employees.
- Construction activities, other than essential are banned. Wages for labourers must be paid during this period.

Noting that borders of all districts in the state will be closed under the Epidemic Diseases Act, 1897, he directed district collectors and police commissioners to issue appropriate orders under section 144 of the Criminal Procedure Code.

UPDATE (22.03.2020)

Update 1: The Tamil Nadu government extended the ‘Janata Curfew’ till 5 a.m. on Monday, March 23, according to an official release issued.
Update 2: Metro Rail Services operated in Chennai and Interstate and private bus services were suspended from 22.3.2020 till 31.3.2020 midnight.

Update 3: Chennai and Erode districts in Tamil Nadu will be under lockdown till March 31 to prevent Covid-19 spread. However, essential services would not be affected. Chennai, Kancheepuram and Erode are among the 75 districts across the country which would be under lockdown, as directed by the central government.

UPDATE (21.03.2020)
Class X state board exams in Tamil Nadu have been postponed due to coronavirus outbreak. The exams were scheduled to start on March 27 and end on April 13, but now they will be held only after April 14. Director of school education S Kannappan said they were yet to decide on the new dates. “The new dates will be announced shortly,” he said. But class XI and XII board exams would continue, he added. Class XI and XII board exams started last month. While the Class XI board exams will conclude on March 26, Class XII finals will end on March 24.

UPDATE (17.03.2020)
A special task force has been appointed to look into coronavirus cases, headed by the secretary general of the state government, which comprises official and non-official members.

UPDATE (16.03.2020)
Update 1: Tamil Nadu has directed schools to declare holiday and also ordered closure of malls, movie theatres in the state's border Taluks till March 31 amid the coronavirus outbreak. The state called for closure of schools for students in LKG to fifth standard across the state.

Malls and movie theatres in Theni, Kanyakumari, Coimbatore, Nilgiri, Krishnagiri, Tirunelveli, Tenkasi, Tiruvarur, Vellore, Tirupattur, Ranipet, Erode, Dindigul, Dharmapuri and Virudhunagar districts to remain shut till March 31. Schools in these Taluks are already closed.

The order also setting up of quarantine wards near the airports in the state for passengers with COVID-19 symptoms. To prevent the spread of the virus from neighboring states, he ordered setting up of monitoring centres and check posts in the border districts. The order also sanctioned Rs 60 crore from the State Disaster Fund for various departments for carrying out measures to curb the pandemic.

Update 2: The CM asked the people to avoid travel to other states and large gatherings for the next 15 days. Senior citizens, children and those who are sick were likewise advised to avoid going to crowded places.

Update 3: The Tamil Nadu government has ordered for the closure of schools, colleges, malls, theaters, amusement parks, pubs, swimming pools, gymnasiums and TASMAC bars all over the State till March 31 amid the coronavirus outbreak gripping the country.
CM Palaniswami said these measures would take effect from 17th onwards. This announcement comes close on the heels of CM Palaniswami’s announcement on the 15th where he called for the closure of several establishments in 16 districts in the State that share their borders with states like Karnataka, Andhra Pradesh and Kerala.

In a statement to the press on Monday, the CM said that while all schools will remain shut, only the board exams and practical exams for class X and XII and entrance exams will take place as scheduled. He urged people to practice social distancing and avoid crowded places as much as possible.

To this effect, he asked citizens to curb attending social functions or even avoid visiting places of worship too till the situation stabilises. The government has also banned public meetings, conferences and processions till 31 March.

He put firm restrictions on places like marriage halls where he said none of these halls should be rented out for any new functions till March 31. He ordered that all tourist resorts in the State should also be shut till March 31 and no advance booking should be accepted till March 31.

The CM said that TN will look at creating quarantine facilities at international airports in Chennai, Coimbatore, Madurai and Tiruchi and that 24-hour helplines too have been set up in TN to deal with queries on the disease. In a bid to manage panic and stop the spread of false news, the CM said stringent criminal action would be taken against those spreading false information on Coronavirus in the State.

**UPDATE (15.03.2020)**

The state government on March 15, 2020 notified the Tamil Nadu COVID-19 Regulations 2020, detailing the responsibilities of hospitals and individuals and the powers of officials in relation to the diagnosis, treatment and containment of COVID-19.

The regulations issued under the Epidemic Diseases Act, 1897, mandate every hospital to maintain wards exclusively for examining persons suspected to have the disease. If people who are supposed to be under isolation refuse to isolate themselves, authorized officials can forcefully admit them to a hospital for isolation for the required period.

**11. Uttarakhand**

**UPDATE (15.04.2020)**

The Uttarakhand government has decided to start pool testing of suspected cases of coronavirus and issued directives to labs in this regard. The decision has been taken following guidelines of the ICMR.

**UPDATE (31.03.2020)**

The Uttarakhand government on Monday evening announced life insurance worth Rs 4 lakh each for 68,457 employees from various departments who are on the frontline in the fight against the Covid-19 pandemic in the state. Chief minister Trivendra Singh Rawat had declared during the one-day concluding budget session on March 25 that all the personnel, including health, sanitation, police and media, will be recognised as ‘COVID Warriors’ and be given life insurance by the government for their role in the fight against the deadly virus. But he had not announced the specifics.

UPDATE (31.03.2020)

**Update 1:** The UT Administration notified further that the curfew imposed in the city will continue till April 14.

**Update 2:** The administration has extended the validity of passes, earlier issued to government officials & essential services category to 14th March.

**Update 3:** The administration notified new timings for Opening of Shops for Home Delivery of Essential Commodities.

UPDATE (30.03.2020)

**Update 1:** The UT Adviser announced that migrant workers will not be allowed to move in violation of the lockdown. Arrangements have been made for them in the city

**Update 2:** The Chandigarh administration reduced relaxation timing on Sunday evening. The new relaxation timings are from 11am to 3pm. The administration had earlier decided to give relaxation from 10am to 6pm to residents to go to their nearby shops to purchase daily needs items.

UPDATE (29.03.2020)

**Update 1:** The UT Avisor also notified that Migrant workers should not be asked to pay rent for a month nor forcibly evicted by landlords/house owners.

**Update 2:** The UT Administration has started online system for issuing movement pass for individuals/organizations involved in supply of essential items.

UPDATE (28.03.2020)

To provide accessibility of essential commodities, all shops with essential commodities like food grain, groceries, fruits, vegetables, milk, meat & fish will remain open from 10 am to 6.00 pm daily till further orders. The residents can visit these shops to purchase essential commodities in their respective sector markets. It was again retreated that to avoid congestion in markets, vehicles will not be permitted. The residents will come on foot in these markets. Further vendors dealing in fruit and vegetables will also get earmarked spaces in these markets only.

UPDATE (26.03.2020)

**Update 1:** The Chandigarh Administration has decided to open all retail grocery shops in Chandigarh. It further clarified that no individual is allowed to visit any retail grocery shop for the direct purchase of groceries. The residents can only place orders telephonically on the nearest shop for delivery of groceries at their doorstep. In case anyone is found violating the provision, then strict legal action would be taken against both the individual and the shop owner as per law.

**Update 2:** The Union Territory administration on Thursday said that those who are spreading rumours and misinformation related to coronavirus on social media will be booked under law.
**UPDATE (25.03.2020)**  
Hours after Prime Minister Narendra Modi announced a 21-day nationwide lockdown in the entire country, the Chandigarh administration decided not to give any relaxation in curfew for the time being and said some essential items will be supplied to residents door to door. The UT Administration has decided to use ration stores, fruit and vegetable shops and medical stores in sector markets as points for organising door-to-door delivery during the curfew period. Either government or private couriers will deliver the orders to the residents on the doorstep.

**UPDATE (24.03.2020)**  
The Chandigarh Administration on Tuesday announced that it would enforce a sector-wise curfew or ensure door-to-door delivery of essential items from Wednesday. The Administration has also converted the Cricket Stadium in Sector 16 and the Sports Complex in Manimajra into a “temporary jail” to house those found violating curfew orders.

**UPDATE (23.03.2020)**  
The Chandigarh Administration on Monday announced a curfew to be imposed in the Union Territory from midnight of March 24 till further orders. With the imposition of curfew, all the residents will be required to stay indoors. Only those individuals engaged in essential services like police and medical etc would be allowed curfew passes. The relaxation in curfew hours will be given for purchase of essential items in due course.

**UPDATE (22.03.2020)**  
The Union Territory Administration on ordered a lockdown imposing restrictions till March 31 including suspension of public transport to prevent spread of the infection. Till 31st March, all non-essential establishments including Offices, Schools, Colleges, factories and other business establishments shall remain closed. All public transport shall also remain suspended, said an official statement. However, essential services including vegetable shops, ration shops, chemists etc shall remain open, it said.

**UPDATE (21.03.2020)**  
In order to slow the spread of the coronavirus pandemic, the Chandigarh Administration has started labeling the houses of those who have been home quarantined to alert the visitors. Also, the list of people will be uploaded on the administration’s website, chd.gov.in. Also, a stamp would be put on the right hand of the suspected patients to reveal their quarantined time frame.

**UPDATE (16.03.2020)**  
The Chandigarh administration declared an epidemic on March 11. A circular issued by the Health Department Office on March 16, 2020 outlined actions that were to be enforced March 31, 2020 to prevent and control the spread of COVID 19. These include:  
Closing of cinema halls, gyms, night clubs, pubs, swimming pools, coaching centers, spa centers, video game centers, shopping malls (except grocery and medicine shops in the malls).

| **UPDATE (22.04.2020)**  |
| **Update 1:** Government of Odisha has deployed Government Employees, Private persons, Volunteers, Urban and Local Bodies and Professional Agencies to perform COVID-19 related duties. Government of Odisha has decided to pay a sum of Rs. 50 lakhs to the spouse/next of kin of any person drafted by the State Government who succumbs to the disease in his/her active line of duty. |
| **Update 2:** Department of School & Mass Education has taken steps to provide Textbooks at the doorstep of the students. With prior permission of the District Collectors, the Teachers shall distribute Textbooks to the parents either in School or in their house. The distribution of the Textbooks will not be done in Hotspots/Containment Zones/Buffer Zones. |
UPDATE (21.02.2020)

Update 1: State Government in Convergence with Government of India will ensure that Rs. 50 lakhs is given for any Health Personnel (Private and Public) who lose their precious life in the fight against COVID-19. In case of death of Doctors and Health Professional while on duty, the State will treat them as martyrs and provide State funeral with State honours.

Update 2: The Department of Agriculture & Farmers’ Empowerment has started a website: odihortmarketing.nic.in dedicated to the farmers of the State to facilitate easy and timely marketing of Horticultural products like fruits, vegetables, flowers and spices etc. The District level Officers of Horticulture Department will provide data on the saleable products of their districts, so that interested traders can contact the farmers.

Update 3: Women and Child Development and Mission Shakti Department with UNICEF has released ‘Ghare Ghare Arunima’ a calendar

UPDATE (20.04.2020)

Chief Minister Sri Naveen Patnaik, in a significant move, delegated the powers of District Collector to the Sarpanches of the Gram Panchayats for their jurisdiction, under the provision of Section-51 of the Disaster Management Act-2005, the Epidemic Diseases Act 1897, read with Odisha COVID-19 regulations 2020. The Sarpanch has been given power necessary to check and ensure that any person arriving in their respective jurisdiction has been registered, put in quarantine facility and given accommodation, food, water and incentive. Anyone found violating the instructions of the Sarpanch regarding quarantine protocols and guidelines shall be penalized.

UPDATE (16.04.2020)

In order to keep a watch on cases of domestic violence during lockdown period, Women and Child Development Department has started a WhatsApp no-7205006039 to help women in distress. Besides, Helpline of the Department-181 is also operational. Victims of domestic violence are advised to take the help of WhatsApp and Helpline. Similarly, State Women Commission has introduced a WhatsApp no-8763543013 in this respect.

UPDATE (14.04.2020)

Update 1: Movement of all vehicles carrying essential commodities will be free from restriction during 2nd phase Lock Down Period. Similarly, vehicles belonging to Health Department along with the Institutions providing essential services will move without restriction.

Update 2: During 2nd Phase Lock Down Period, activities of Forest & Environment Department such as plantation/Nursery activities, Kendu leaf operations, collection of minor forest products, processing and marketing, creation and maintenance of water bodies for wild animals will continue.

They are advised to maintain social distancing and hand washing strictly.

Update 2: A tripartite agreement between the Government of Odisha, medical colleges (SUM & KIIMS), and corporates (Mahanadi Coalfields Limited & Odisha Mining Corporation) was signed to set up a 1000 bed exclusive nCoVID-19 treatment hospital in a fortnight.

UPDATE (25.03.2020)

Update 1: The State Government has released 44.50 crores from its Chief Minister’s Relief Fund to 30 district’s Red Cross Societies to take necessary steps to combat nCoVID-19. The Odisha State Medical Corporation has declared incentives for early delivery of medicines and medical equipments – 50% extra for delivery in 7 days; 25% for delivery in 15 days, and 10% for delivery in 30 days. Full cost of transportation along with full payment within 24 hours of delivery has been assured. Veterinary services have been included in essential services, and keeping in mind 78,223 returnees from other states, district administration have been directed to aware citizens about procedures of home quarantine.

Update 2: District Administrators and Police are required to provide all necessary support in movement of the inmates of SC/ST hostel, headmaster/teachers, and parents/guardians/representatives of inmates.

Update (24.03.2020)

Update 1: In supersession of the earlier order of lockdown of 14 districts and 1 Municipal Corporation, the Government of Odisha has extended the lockdown to the entire state from midnight 24th March 2020, until 29th March 2020. This lockdown will stipulate the stoppage of all public transport except all kinds to and from hospitals; closure of shops, commercial establishments, offices, factories, workshops, godowns; postponement of benefits such as pension, and PDS; restriction of movement, and home quarantine for foreign returnees. Private vehicles are prohibited from plying on roads, except of those involved in nCoVID-19 emergency services after special authorization. Cargo service and production units of essential items are advised to follow social distancing norms. Congregation of more than seven persons is prohibited. The power of classification of essential and emergency services now lies in the hand of the District Magistrate and Municipal Commissioners.
**Update 2:** All nursing authorities and students are ordered to resume clinical duties, even after suspension of classes.

**Update 3:** The state government has ordered immediate stoppage of all construction work except work for health facilities and work related to nCoVID-19.

**Update 4:** The state government has empowered all Collector, District Magistrates, Municipal Commissioners, all Eos of ULBs as the case may be for the home delivery of pension and PDS to beneficiaries.

**Update 5:** Doctors, nurses, and other health care workers can move during the period of lockdown after showing valid ID card, when asked.

**Update 6:** Trade license certificate will be a valid document to facilitate unhindered movement of goods listed in emergency and essential services.

**Update 7:** The state government has allowed government officials above 50 to take commuted leave without the production of a medical certificate, if they have underlying health conditions.

**UPDATE (22.03.2020)**

The government of Odisha ordered for the following:

- Railway Board has declared closure of all Passenger Trains with immediate effect and up to midnight of 31st March. The trains enroute shall be allowed to reach their destination.
- All interstate bus operation to and from Odisha will remain suspended till further orders. Inter-state buses coming from other states will not be allowed to reach their destination in Odisha after 11AM on 23/03/2020. Similarly, no inter-state bus will be allowed to operate to other state from Odisha after 11AM on 23/03/2020.
- Government of Odisha has constituted a State level Monitoring Unit on Goods & Services. The Committee shall assess requirements and monitor flow of goods and take actions to remove bottlenecks if any. It shall also create a platform to facilitate traders and transporters to air their issues and resolve the same.
- There shall be no restriction on movement of Permitted Goods including coal and other minerals to ensure smooth supply chain. All Permitted Goods vehicle shall be allowed to move unhindered.

**UPDATE (21.03.2020)**

Chief minister Naveen Patnaik announced complete lockdown in 5 districts and 8 major towns, including state capital Bhubaneswar to prevent transmission of coronavirus. Emergency services will not be affected in the restrictions. Naveen said these are the districts were more than 70% of total 3200 foreign returnees belong to. Odisha has so far reported two persons positive for coronavirus, with travel history to Italy and UK. Their condition is stable. In a pre-recorded video message, Naveen said, “We have more than 3000 people who have returned from foreign countries. They are advised for home quarantine. A majority of them belong to the following districts of Khurda (of which Bhubaneswar is a part), Cuttack, Ganjam, Kendrapada, Angul besides the towns of Puri, Rourkela,
Sambalpur, Jharsuguda, Balasore, Jajpur Road, Jajpur town besides Bhadrak. In the first phase, we are going for a near complete lockdown in all these areas from 7 am tomorrow (Sunday) till 9pm of March 29.”

**UPDATE (20.03.2020)**

In a bid to contain the spreading of novel coronavirus, Odisha Government issued orders to maintain social distancing in an effective way. The congregation of over seven persons have been restricted in Odisha, stated the press note by OSD to Chief Secretary Asit Kumar Tripathi. The Odisha government has also ordered immediate closure of restaurants, bars, coffee shops, canteens and other eateries inorder to minimise and contain the spread of Covid-19. Besides this, all hotels have been directed to maintain a distance of 2 metres among guests in their in- house restaurants. All hotels and restaurants have been advised to encourage its customers and guests to take takeaways. Odisha government also ordered immediate closure of all liquor shops until further orders. In another advisory, Odisha government has ordered for implementation of odd-even formula for public transport vehicles like buses, taxis and auto-rickshaws.

**UPDATE (16.04.2020)**

The State government has made it mandatory for foreign travelers to register their names on returning to the state and avail an incentive of Rs 15,000 for registration and home isolation.

Anyone who comes to Odisha from abroad has to register himself/herself mandatorily with the toll-free number 104 or the online portal. This should be done within 24 hours of arrival with basic details and phone numbers. Advance registration before arrival is preferred and travelers will be required to be in home quarantine for 14 days. Their location will be tracked during their home isolation and a mandated number of calls will be made every day to keep a close watch and give appropriate medical guidance.

**UPDATE (14.03.2020)**

Odisha government, on Friday, declared coronavirus a ‘disaster’ under the provision of Disaster Management Act, 2005. The state cabinet has also sanctioned Rs 200 crore to combat the coronavirus. The decision has been taken in order to empower public officials to deal with the situation. The government has also closed schools, colleges, cinema halls, gyms and swimming pools till March 31. Besides, non-essential official gatherings such as seminars, workshops, conferences will not be allowed. Social gatherings and assemblies like religious functions, marriage receptions, parties will be regulated by local authorities.

UPDATE (27.03.2020)
Nitish Kumar-led Bihar government has announced a Rs 100 crore relief package to help the poor and daily wage labourers of the state. The state government has also decided to turn schools into shelter homes. The government has assured it will provide food and temporary shelter for the needy. Bihar government has also announced Rs 100 crore from the Chief Minister Relief Fund for the migrants stranded in other states.

UPDATE (26.03.2020)
Update 1: Bihar Chief Minister Nitish Kumar on March 26 announced that all ration card holding families will get an assistance of Rs. 1000 each. The money will be transferred into the account of ration card holding families through the Direct Benefit Transfer (DBT) system.
Update 2: The residents of Bihar will be helped in any city of Bihar or anywhere outside Bihar. The government will arrange for their food and accommodation. Rs 100 crore has been released from the Chief Minister’s Relief Fund to provide relief to those trapped in the lockdown.

UPDATE (24.03.2020)
Chief Minister Nitish Kumar too has announced that one month ration will be given free to all cardholders and has appealed to people and administration to enforce a lockdown in their area effectively. He also announced some financial relief for students and three months advance pension for all those eligible under old-age pension, widow pension and disability pension schemes.

UPDATE (22.03.2020)
The Bihar government announced a lockdown in urban areas with immediate effect to contain the possible spread of the novel coronavirus. Chief Minister Nitish Kumar said the lockdown is being enforced in all district, sub-divisional and block headquarters and municipal towns till March 31.

UPDATE (21.03.2020)
The Bihar government on Saturday ordered shutting down of bus services, restaurants and banquet halls across the state till March 31 to prevent the spread of novel coronavirus. However, home delivery and take home services of restaurants will remain functional, a health department order said. The state government, invoking the Bihar Epidemic Diseases, COVID-19 Regulations, 2020, said the restrictions have come into force with immediate effect. “The decision was taken for prevention and control of the outbreak of epidemic disease namely COVID-19 in the state,” Health Department Principal Secretary Sanjay Kumar said in the order. Transport Secretary Sanjay Kumar Agarwal said both city and inter- state buses will not ply till March 31 in the wake of the coronavirus outbreak. “All types of government and private city buses and inter-state buses will not ply till March 31,” Agarwal said. City buses will stop plying from Saturday, while inter- state bus services will be suspended from Sunday, he said.
UPDATE (18.04.2020.)
The Bihar government ordered all shopping malls, gyms, spas and swimming pools across the state to suspend their operations till 31 March in view of the novel coronavirus pandemic.

Invoking the ‘Bihar Epidemic Diseases, COVID 19 Regulations, 2020’, which came into force on Tuesday, the state government said in a notification that the restrictions were “with immediate effect”.

It also restricted “all mass gatherings, including family gatherings except marriages” to a “maximum of 50 persons” and directed major shops and restaurants to carry out disinfection twice a day ensure ample availability of hand sanitizers for visitors and allowing “entry only after cleaning of hands”.

UPDATE (17.04.2020)
Bihar Epidemic Diseases, COVID 19 Regulations, 2020 was invoked and came into force.

UPDATE (13.04.2020)
Bihar government has shut down all school and colleges in the state till March 31 amid coronavirus outbreak. All schools and colleges will be shut down till March 31 in view of the coronavirus outbreak. However, the CBSE and ICSE board exams will continue until the respective boards decide to postpone it.

16. Puducherry

UPDATE (13.04.2020)
The Puducherry government has announced the extension of the Covid-19 lockdown till April 30 in the union territory to check its spread. The extension was in line with the decision of neighboring Tamil Nadu to contain the spread of the infection, Chief Minister V Narayanasamy said.

He also said certain relaxations would be made for sectors such as fishery. Narayanasamy had previously said he was waiting for guidelines from Prime Minister Narendra Modi on the extension of the lockdown, a similar line initially adopted by the Tamil Nadu government also.

Update (06.04.2020)
Chief Minister V Narayanasamy appealed to leaders of all religions in the Union Territory to put on hold festivals and functions of their respective sects during the current lockdown. The Chief Minister also appealed to also managements of private schools not to insist on payment of school fees by the parents till the situation became normal as “parents particularly those in rural areas are facing hardships and sufferings.”

UPDATE (04.04.2020)
Pondicherry University has been making use of Google Classrooms, Edmodo, Zoom and other online learning platforms in order to maintain the dynamics and interactiveness of a regular class. This is according to MHRD guidelines, as per a circular released March 30, ordering professors to upload study material on PU SAMS (Student Academic Management System) which is an online platform.
UPDATE (31.03.2020)

**Update 1:** The Puducherry government announced to set up a temporary vegetable distribution from distributors to vegetable vendors at Puducherry Bus stand. The following measures during the lockdown period:

- Goods Vehicles coming to wholesale vegetables and fruit godowns at New Bus Stand market or other earmarked places should unload the goods between 6 PM and 5 AM.
- Earmarked vegetable markets & other vegetable shops, essential grocery shops should be kept opened from 6 AM to 2.30 PM only. This measure will be taken to restrict the unnecessary movement of the people.

**Update 2:** The Chief Minister has announced that aged persons who need lifesaving medicines should place orders through e-commerce / phone and the concerned vendor should facilitate to door delivering within the stipulated time.

**Update 3:** E Pass system has been launched by the District Administration:

- The person dealing with the essential commodities and services can apply through the dedicated Whatsapp numbers of respective departments.
- The departments concerned would digitally process the applications through a web application devised for this process
- Generated digital pass and issue them through Whatsapp itself immediately after basic scrutiny.

UPDATE (28.03.2020)

**Update 1:** The Puducherry government announced the extension of lockdown period from 31st March to 14th April as per directive by the central government

**Update 2:** The Puducherry government in association with the Puducherry Traders Federation has begun home delivery of essentials to residents during the three-week lockdown to prevent the spread of COVID-19 pandemic.

UPDATE (25.03.2020)

**Update 1:** In concurrence to the 21-day order issued by the Prime Minister of India, the government of Puducherry issued the 21-day lockdown order.

**Update 2:** The Puducherry government announced cancellation of all examinations for students of Standard 1-9 in the Union Territory as part of measures to contain the spread of COVID-19. The release stated that students shall be granted automatic promotion to the next higher class without exams.

**Update 3:** The Puducherry government announced that Corona relief of Rs 2000 shall be given to 3.44 Lakh ration cards holders and deposited in their bank accounts.
| **UPDATE (24.03.2020)** | Government of Puducherry announced curfew being imposed in the union territory till 31st March 2019. During this period the bars and liquor shops will remain closed from 6PM till the end of the month. Shops dealing with provisions, vegetables, medicines and milk as also retail outlets of petrol and diesel and LPG dealers are exempted and would carry on business as usual |
| **UPDATE (21.03.2020)** | The Union Territory of Puducherry will impose Section 144 from March 23 till March 31 as a measure to contain spread of Covid-19 virus. However, people will be allowed to buy essential products for an hour each in the morning and evening. The government has decided to restrict the number of vehicles coming from Tamil Nadu and that every person who comes from the neighbouring state will be screened before being allowed inside. No tourists will be allowed. Borders will be sealed. Interstate buses will be stopped. |
| **UPDATE (18.03.2020)** | Puducherry Chief Minister V Narayanasamy on the 18th announced closure of all bars in the union territory as part of steps to prevent spread of coronavirus. While bars have been ordered to remain closed from 19th till the month-end, wholesale and retail sales of liquor would, however, be permitted. |
| **UPDATE (17.03.2020)** | Colleges, schools, malls and theatres will be closed in Puducherry from Wednesday until March 31 as a precautionary measure to deal with novel coronavirus (COVID-19). |

### 17. Gujarat

| **UPDATE (30.04.2020)** | The Health Department is working with local leaders in communities such as mahants, pastors, school principals etc. to spread the message of behavior change through communication. |
| **UPDATE (28.04.2020)** | 
**Update 1:** The Health Department has distributed the allocation of work related to COVID-19 among IAS officers in the state.
**Update 2:** The Health and Family Welfare Department has come out with a comprehensive advisory / policy on human resource management in dedicated COVID-19 facilities.
**Update 3:** An Inter-Ministerial Central Team (IMCT) submitted its feedback report to the Central Government about its observations on actions taken by the Gujarat Government to combat and contain the novel coronavirus COVID-19.
**Update 4:** The Chief Minister has permitted vehicles to transport people to borewells amidst the lockdown. |
| **UPDATE (26.04.2020)** | The Municipal Commissioners and Collectors of Ahmedabad, Vadodara, Surat and Rajkot metropolitan areas have jointly decided that shops and businesses in these four metros will not be allowed to operate till May 3 and will be kept closed. |
UPDATE (25.04.2020)
The Chief Minister has decided that all shops and small businesses, which fall outside containment zones can resume from 26th April 2020. These shops and businesses are subject to certain terms and conditions. They can only use 50% of their staff for the time being. Moreover, they are required to follow the necessary safety measures and maintain social distancing.

However, malls and complexes shall remain closed until further notice. Apart from that, barber shops, tea stalls, tobacco shops, restaurants and hotels shall also remain closed.

Other shops and businesses, except those mentioned above, falling under the Gumastadhara of Shops and Establishment can resume. The shop owners are not required to obtain any special permission. The license obtained by them under the Gumastadhara shall be considered valid.

I.T and ITES industries have also been granted permission to resume their work with 50% staff and adequate safety measures. However, these offices should not fall under containment zones. In addition to that, all those areas declared as containment zones by the regional administration shall be restricted from opening shops and businesses.

UPDATE (24.04.2020)
The Chief Minister decided to start the registration of documents in 98 sub- registrar offices except those in the limits of municipalities and municipal corporations. However, applicants will be required to seek an online appointment and pay fees through online transactions only.

The Government of Gujarat has released an advisory on use of homemade protective cover for face & mouth.

**UPDATE (29.04.2020)**

**Update 1:** The Punjab government announced to extend the curfew/lockdown in the state till 17 May 2020 with limited lifting of restrictions in non-containment and non-red zones in effective from tomorrow.

The government also announced easing of few restrictions in curfew/lockdown in areas not marked as Red/Containment Zones by allowing certain shops to open by rotation from 7 to 11 AM, subject to strict adherence to COVID 19 safety protocols.

**Update 2:** The Punjab Home Department has issued detailed guidelines to the district authorities to allow industrial activities across the state. The State Government has also permitted all kinds of new constructions in rural areas without any restrictions. In urban areas, only on-going projects can continue subject to availability of workers at site.

**UPDATE (28.04.2020)**

A 20-member expert committee headed by former Punjab Chief Secretary KR Lakhanpal formulated a lockdown exit strategy for Punjab. The report is attached herewith.

- It has recommended allowing operations of all industrial and commercial units situated outside containment zones, but in a graded manner. The committee, has recommended graded lifting of restrictions for various sectors, including commerce, health care, industry, transportation, travel and tourism, while adopting measures to contain sudden spurt in cases.

- It said once easing of curbs started after May 3, industrial and commercial units situated outside containment zones should be able to start working from May 15. Containment zones being a dynamic issue, real-time monitoring of the situation was crucial, it added.
• Flagging the issue of 14.5 lakh micro, small and medium enterprises (MSMEs) that employed 24.8 lakh persons in the state, the committee advocated a push for labor-intensive MSMEs by opening up industries allowed by the MHA vide its April 15 guidelines.

• It said the order to allow construction activity should cover the entire supply line, including shops supplying hardware, paint, cement, iron and steel. In containment zones, the committee stressed the need to ensure uninterrupted supply of essential items.

UPDATE (27.04.2020)
Update 1: The Punjab Government had constituted the group of experts, headed by noted economist and former deputy chairman of Planning Commission, Montek Singh Ahluwalia to revive the state’s economy. | 19. Uttar Pradesh | **UPDATE (01.05.2020)**
In Uttar Pradesh national ration portability will be implemented from May 1 across all PDS shops in the state under One Nation One Card scheme. State government has decided to implement the scheme under which any beneficiary whether he is a resident of state or not can get ration at any PDS shop. This will be a great help to the migrant labours in the Lockdown.

**UPDATE (28.04.2020)**
Uttar Pradesh Government has directed all schools based in the state to not hike the school fees for the next academic session i.e. academic session 2020-21. The decision will be applicable to all schools operating in the state, irrespective of their affiliation to State Board, CBSE, ICSE or the International Board.

The decision has been taken by the state Government taking into account the concerns raised by parents and students on the fees being hiked by school amid the on-going lockdown due to Coronavirus pandemic.

**UPDATE (24.04.2020)**
Uttar Pradesh will bring back labourers and workers who are stranded in other States and have completed 14 days of quarantine in a phased manner. Chief Minister Yogi Adityanath instructed officials to prepare a working plan for it and come up with details in this regard, his office said in a statement after a high-level meeting.

**UPDATE (22.04.2020)**
**Update 1:** The Gautam Buddh Nagar District Magistrate passed a strict lock down order which stated: “All citizens, officers, and employees are hereby being informed again that in the jurisdiction of Gautam Buddh Nagar no new office, unit, institute or service, which may be by Central or state government, public-private firms or private firms, will start. Everyone has to follow lockdown guidelines.”

With the extension of the lockdown, strict measures have been imposed by the government authorities. According to the new amended rules, hotspots that have one positive case of Covid-19, their containment area will be 1 km; hotspots that have more than one positive case of coronavirus, the containment zone will be 3 km.

The new amended rules also say that apart from the essential services, medical team and sanitization team, no one will be allowed to enter the hotspots. In case no new case is reported from the hotspots, they will be converted into green zones.

**Update 2:** The Gautam Budh Nagar government also closed Delhi-GB Nagar/Noida border completely, with certain specified exceptions.

**UPDATE (20.04.2020)**
Basis separate orders, the Lucknow district administration and the Gautam Buddha Nagar district administration stated that there will no relaxations on restrictions in these districts till May 3.

Public Works Department (PWD) has been allowed to resume construction activities in non-containment zones along with safety measures. The collection of toll tax has also resumed in the state.
The decision to resume operation in selective factories and industries is up to DMs in districts that come under green or non-hotspot

**UPDATE (13.04.2020)**

In a bid to revive the state economy hit by the lockdown, chief minister Yogi Adityanath announced setting up of committees for various sectors, including education, construction and health.

The committees will start working from April 15, a day after the 21-day lockdown ends.

**UPDATE (12.04.2020)**

The Government has added 55 more to the list in another 25 districts, taking the total number of hotspots in the state to 180 in 40 of the total 75 districts.

**Among the new districts with hotspots are:**

**UPDATE (11.04.2020)**

The Uttar Pradesh government released Rs 48,17,55,000 as “maintenance allowance” for 4,81,755 lakhs daily wage labourers, including street vendors, auto drivers, rickshaw pullers, e-rickshaw drivers and porters working in mandis. This amount has been transferred through DBT to the bank account of each of the beneficiaries, who have been identified by the state urban development department.

While interacting with the beneficiaries through video conferencing, chief minister Yogi Adityanath said the state government is providing food and maintenance allowance of Rs 1,000 to the bank accounts of the needy persons during lockdown.

**UPDATE (08.04.2020)**

**Update 1:** The Uttar Pradesh government has announced insurance cover of Rs 50 lakh for police personnel in the state in view of COVID-19. The Chief Minister’s office will soon release a written order about the same.

**Update 2:** The state has made wearing of masks compulsory. There can be legal action also for not wearing masks

**Update 3:** The Gautam Budh Nagar administration has identified 22 hotspots in Noida and Greater Noida which will be sealed in a stringent measure to curb the spread of coronavirus. The District Magistrate of Gautam Budh Nagar announced these hotspots, which include 12 clusters, 10 epicentres and 34 localities in total. In Noida, entire sectors like Sector 41, 27, 28, 44, 5, 8 and JJ Colony will be sealed as they have been identified as hotspots.

**Update 4:** The Uttar Pradesh government decided to completely seal 15 coronavirus-hit districts until April 13 to contain the fast-spreading pandemic. The complete shutdown would come into effect from 12 am tonight.
The 15 districts include Gautam Budh Nagar (Noida), Lucknow, Ghaziabad, Meerut, Agra, Kanpur, Varanasi, Shamli, Bareilly, Bulandshahar, Firozabad, Maharajganj, Sitapur, Saharanpur, Basti. Even the essential service would be home delivered as people wouldn’t be allowed to move out of their homes. The curfew passes would also be reviewed by the authorities, the report added.

UPDATE (07.04.2020)
In March, Section-144 had been imposed in Noida till April 5. But looking at the nationwide lockdown, it has now been extended till April 14.

UPDATE (06.04.2020)
Update 1: Kanpur District Magistrate issued an order stating the following:
- From 7 April, 4 am 11 am, all shops and services will remain closed.
- There are a few exceptions. Dairy shops and milk parlors could remain open, however, general stores selling milk would be close and could operate via door-to-door home delivery
- Clinics and nursing homes shall remain functional.
- Naubasta mandi and Chakarpur fruit-vegetable mandi will remain operational.
- The notice added that all the people involved in essential services like banks and other government offices can report to work with their necessary passes and permits, and transportation for agriculture work would continue like before.

Update 2: The Kanpur DM has issued an order that parents can deposit the April-May fees of schools in June or later. The fee chart for the upcoming month will be prepared accordingly.

UPDATE (05.04.2020)
The Noida District Magistrate directed all schools and colleges in the city to not demand fees from the parents during the lockdown period. A statement released by the DM’s Office further added that even if parents fail to submit fees for their wards during the lockdown period, it won’t affect student’s enrollment in online classes.

UPDATE (02.04.2020)
Following the central government’s advisory to all state governments to extend the validity of documents like driving license, permits and registration that expired after February 1, till June 30, Uttar Pradesh have issued orders extending the validity till June 30.

UPDATE (30.03.2020)
The CM keeping in mind the economic fallout due to CoVID-19 has given away a total of 611 crore to 27.15 lakh MNREGA registered labourers.

UPDATE (28.03.2020)
To effectively combat nCoVID-19 in the state, the UP Cm has formed 11 special departments in an emergency basis.
UPDATE (26.03.2020)

Update 1: The Chief Minister keeping in mind the travelling migrant laborers in the bordering UP areas has asked the district administrators to accommodate these workers with food and medical facilities for the period of the lockdown.

Update 2: In order to prevent overcrowding the district administration of Gautam Budh Nagar has ordered that the shops facilitating essential services such as fruits, vegetables, medicines and e-commerce services will operate between 6am and 11pm till April 14, 2020. However, the services such as petrol pumps, emergency centers and hospitals will continue to run 24*7.

Update 3: In the view of COVID-19 epidemic, all vehicles carrying essential goods will not require to a carry a pass.

Update 4: E-commerce retailers and operators will not require a pass for movement. The following online retailers have been excluded: Zomato, Flipkart, Amazon, 24x7, Bluedart, DTDC, Wow express, Swiggy, Grofers, BigBasket, Milkbasket, Dunzo, Big Bazaar, Snapdeal, Licious, Medlife, Pharmeasy, Urbanclap, Ninjacart, Honsa Consumer, Healthians Diagnostics, Delhivery, Nutrimoo Milk Dairy, More Retail, Easyday, Jabong, Myntra, Spencers, Reliance Fresh, Jubilant Food Works, Foodpanda, Faaso’s, Pizza Hut, UberEats, Needs Supermarket, 1MG, Dr. Lal Pathlabs, Max-Path, Satvacart. And any other e-commerce retailer/operator shall be allowed to operate without any pass from DA.

Update 5: In the wake of the coronavirus outbreak, the Yogi Adityanath government in Uttar Pradesh has banned production and sale of pan masala during the 21-day lockdown imposed across the country. “Manufacturing, sale and storage of pan masala are being banned in the state till further orders,” Food Security Commissioner Ministry S said in an order. Spitting pan masala can help in spreading Covid-19,” the order said.

UPDATE (24.03.2020)

Update 1: UP CM, Yogi Adityanath initiated a NEFT transaction of INR 1000 to 597,000 wage workers in UP as a bid to flatten economic fallout caused by nCoVID-19.

Update 2: The UP government has initiated a state-wide lockdown from today till 27th March 2020 in a bid to tackle transmission of nCoVID-19. All emergency services, and essential goods will be unaffected by this lockdown. Businesses and companies are requested to take care of their workers and ensure restricted movements along with paid support.

UPDATE (22.03.2020)

Update 1: In order to help contain the spread of coronavirus, Noida Police on Friday ordered the closure of all malls, spa-centres in the region, informed Rannvijay Singh, Additional Deputy Commissioner of
Police (DCP). The police have also imposed section 144 in the region, the official informed. Only chemist shops, general stores, vegetable and fruits shops are allowed to function. All the major markets of the area would remain closed till April 2.

Update 2: The District Magistrate of the Gautam Budha Nagar has ordered for the enforcement of the Janata Curfew. Failure to comply with the order would be punishable under Section 188 of the IPC.

Update 3: To prevent the spread of corona virus, the state government decided to suspend normal activities in 16 districts of the state.

UPDATE (21.03.2020)
Update 1: Uttar Pradesh Chief Minister Yogi Adityanath says the state government will give lakhs of daily wage labourers and construction workers Rs 1,000 per day to meet their needs. The announcement comes as India races to contain the spread of the new coronavirus disease.

Update 2: UP government has decided to give two months advance pension to the beneficiaries of various pension schemes of the state government. This amount will be given in the month of April. With reference to the work completed under MNREGA. Action will be taken in March 2020 to pay the amount of 556 crores.

UPDATE (18.03.2020)
With the government in Uttar Pradesh having shut down all educational institutions and the ongoing examinations due to the coronavirus scare, it has now been decided that all students up to class 8 would be promoted to the next class without examinations.

UPDATE (17.03.2020)
To contain the coronavirus spread, the Uttar Pradesh government extended the closure of all educational institutions, cinemas, multiplexes and tourists places in the state till April 2. Briefing reporters here after a meeting of the UP Cabinet, minister Shrikant Sharma said, “Chief Minister Yogi Adityanath has directed that all schools, colleges and educational institutes will remain closed till April 2.” Competitive and other examinations too have been postponed till April 2.

UPDATE (13.03.2019)
All schools, colleges, technical and vocational education institutes in Uttar Pradesh will remain closed till March 22. The situation will be reviewed on March 22 a decision to extend it or not will be taken. Though the state has not declared coronavirus outbreak to be an epidemic yet, but certain special powers under the Epidemic Act have been given to local authorities to handle the situation.
| 20. Meghalaya | **UPDATE (31.03.2020)**  
**Update 1:** The Meghalaya government said that it will ensure that the supply of essential commodities from the open market is regulated. This decision of the government comes in the wake of various reports that most people are finding it difficult to get hold of essential supplies in the midst of the 21-day lockdown.  
**Update 2:** Amid lockdown, the Meghalaya state government is allowing home delivery of liquor to those who need it for health reasons. As per the plan, the state’s NIC wing will design an online system where those who are 21 years and above can upload their medical prescription and order the liquor from the bonded warehouse in their respective district.  
**UPDATE (29.03.2020)**  
In an endeavor to reach out to the communities with essential supply of food items and ensure that farmers’ produce does not go wasted in this time of crisis, the ‘1917iTEAMS’, has been working in tandem with deputy commissioners of different districts of Meghalaya to ensure that vegetables and fruits are made available to the public. The ‘1917iTEAMS’ is an initiative of the State Government that is working in the current crisis situation by procuring farm produces from the farmers and making it available to different parts of the State.  
**UPDATE (27.03.2020)**  
The state government has decided to have home delivery arrangement to ensure that essential commodities are available to citizens at their doorsteps during the ongoing COVID-19 lockdown in the state. The Chief Secretary requested everyone to not panic & stay indoors and notified that store.meghamart.com has been activated as an end-to-end essential commodity ordering and delivery platform.  
**UPDATE (26.03.2020)**  
**Update 1:** The Meghalaya Cabinet on Wednesday decided that the grocery shops will remain open from March 27. The Cabinet has worked out measures to provide delivery of essential commodities in rural as well as urban areas, while the deputy commissioners have been asked to chalk out the plan.  
**Update 2:** The Government of Meghalaya has constituted a Special Task Force to assist the Family & Health Welfare Department and to come up with such proposals for strengthening of critical infrastructure required for preventing/managing the possible outbreak of COVID-19.  
**UPDATE (25.03.2020)**  
**Update 1:** Following the announcement on 21-day nationwide lockdown, the whole State of Meghalaya is placed under curfew till 6:00 AM of March 28. Process for delivery of essential commodities will be put in place and notified on 26th March 2020.  
**Update 2:** Certain directions were issued by the Chief minister on distribution of foodgrains and vegetables:
• The Cabinet has decided that with effect from 27th March, 2020 for urban areas like Shillong and Tura, the District Administration in collaboration with Headmen will regulate the buying of food-grains from retail shops in their localities to avoid overcrowding and maintain social distancing.
• People should not venture to markets outside their localities. Retail shops will be allowed to procure goods from the traders.
• In rural areas, a suitable mechanism to be put in place by the respective Deputy Commissioners.
• Government to facilitate and encourage whole-sellers and traders to procure foodgrains. In case of deficiency, government will take steps to procure additional stock of food-grains for the open market.
• The lifting and distribution of rice under PDS system to continue as usual.
• Local entrepreneurs willing to take up online delivery of essential commodities will be encouraged.
• Grocery shops to be open from 27th of this month.

**UPDATE (24.03.2020)**
The Meghalaya government on Monday shut down 17 government departments till March 31 and imposed curfew in two districts in view of the Coronavirus outbreak. District authorities in Ri-Bhoi have declared night curfew from 10 pm on March 23 to 6 am on March 24, while curfew has been imposed in the entire East Jaintia Hills from March 23 midnight till March 31.

**UPDATE 23.03.2020**
**Update 1:** Government of Meghalaya restricts movement of Private Vehicles as per following pattern from 24th March 2020 as a measure to prevent spread of Coronavirus.

**Update 2:** The state government of Meghalaya put certain prohibitions in East Jaintia Hills district. The restrictions will be from the 23rd till the 31st of March.

**Update 3:** Meghalaya will remain under lockdown for five days, from March 24 to 29, except on March 26, as a preventive measure to curb the spread of coronavirus.

**UPDATE (22.03.2020)**
**Update 1:** Government of Meghalaya has decided that entry of people into state will be restricted. The statement was issued by the Office Chief Secretary.

It said that all people entering into Meghalaya are required to mandatorily register on the COVID-19 monitoring system http://meghalayaonline.gov.in/covid in addition to undergoing health screening as required by the authorities.

Proof of registration, either a system generated acknowledgement or an SMS confirming registration should be checked at all entry points. In case of any technical challenges, registration can also be done on paper at the point of entry.
**Update 2:** In order to prevent the spread of COVID-19 virus, restrictions on the use of public transport all over the State including interstate operations have been placed till 31st March 2020.

**UPDATE (21.03.2020)**

Meghalaya Chief Minister Conrad K Sangma announced a 24-hour statewide shutdown from Saturday midnight and said it will be observed as ‘coronavirus awareness day’. After chairing a Cabinet meeting on Friday, he said all public transport, commercial establishments and markets will remain shut to create awareness about the pandemic among the people of the state.

**UPDATE (18.03.2020)**

The Meghalaya government on Wednesday decided to shut tourist spots in the State as part of its measures to prevent any possible transmission and outbreak of novel coronavirus. “All tourist spots in the State of Meghalaya including parks and recreational areas are hereby advised to close till March 31,” the Order said.

**UPDATE (16.03.2020)**

The Meghalaya government has ordered shutdown of schools and colleges and cancellation or postponement of major sports events till March 31 to avoid mass gatherings in view of the novel coronavirus outbreak.

The government also stated that the people have been asked not to visit places with high footfall such as cinemas, gymnasiums, swimming pools and avoid non-essential travel during the period. Organizers of fairs and festivals have been advised to postpone or cancel the events. Companies or offices with work from home option may permit employees to do so.

21. West Bengal

**UPDATE (28.04.2020)**

Restrictions to carry on till 21st May in the state with curbs on normal life with varied intensity.
### UPDATE (24.04.2020)
**Update 1:** The state government directed private hospitals to provide free treatment to COVID-19 patients. These private hospitals will be reimbursed for the cost of the treatment.
**Update 2:** The state government extended the date of insurance scheme for persons delayed for COVID-19 duties (which was announced earlier) till May 31st, 2020. The scheme has been extended to accredited journalists who hold press accreditation card issued by the state government.

### UPDATE (22.04.2020)
West Bengal releases guidelines citing that e-auction of tea is allowed. The government has released guidelines for operation of sweetmeat shops and flower shops till 12 noon.

### UPDATE (20.04.2020)

### UPDATE (14.04.2020)
West Bengal releases guidelines for pregnant women having Coronavirus infection

### UPDATE (12.04.2020)
The government announced the extension of lockdown till April 30. With this, it has also declared that all educational institutes will remain close till June 10, 2020.

### UPDATE (11.04.2020)
The West Bengal government will impose a 14-day ‘total lockdown’ in 10 hotspots from where several COVID-19 cases have been reported. Stricter protocol will be in place in these areas. The administration will arrange for everything like food, water, and even medical support.

### UPDATE (10.04.2020)
State has also allowed certain relaxation with regard to movement of trucks. According to the Chief Minister, apart from the driver, three people will be allowed in these vehicles. The move is primarily to facilitate loading and unloading operations. Loading and unloading operations across different terminals and transport depots have been badly hit because of the lockdown and reverse migration. The current relaxation is expected to ease the situation.

Tea estates and gardens can reopen and begin operations, but with 15 per cent of the workforce. Sanitisation processes and other social distancing norms will have to be followed.
**UPDATE (09.04.2020)**

West Bengal government has formed a dedicated 9-member data analysis cell to contain the spread of coronavirus COVID-19 pandemic in the state with immediate effect. The analysis cell will be authorized for collection and collation of data from multiple sources, including the districts, on real time basis. It will examine the data received, to detect patterns and under currents, and then use the data analytics tools to provide predictions about the disease outbreak and appropriate policy inputs.

**UPDATE (08.04.2020)**

The government has allowed operation in Krishak Bazar for agricultural produce. The government has also allowed transport and sale pertaining to beetline and floriculture.

**UPDATE (06.04.2020)**

The West Bengal government has formed a Global Advisory Board (GAB) for formulating its COVID-19 response policy. The GAB will advise the CM.

**UPDATE (04.04.2020)**

Government has released the guidelines for Setting up Isolation Facility.

- It clearly states that a separate zone should be identified in each facility to accommodate such patients in case of emergency.
- All such patients need to wear a triple layer surgical mask.
- It is recommended that transport of such infectious patients must be limited to have least movement whenever considered medically essential by the clinicians.
- Staff and health care workers must follow proper Infection Control Policy. Staff should wear PPE before handling such suspect patients.
- Standard protocols for hand hygiene, sample collection and BMW should be displayed clearly. Standard Clinical management protocols of the Department must be followed.

**UPDATE (02.04.2020)**

The lockdown will begin at 5:00 pm on Monday and last till 12:00 midnight on March 27. During this period, all government and private organizations will remain shut. Services of buses, taxis will also be suspended.
The state also ordered shutting down of all restaurants, pubs, bars, clubs, nightclubs, hookah bars, massage parlours, amusement parks, museums and zoos. It is also ordered that all gatherings, including social gatherings, should be avoided completely.
UPDATE (21.03.2020)
The ongoing class 12 state board examinations in West Bengal have been postponed till April 15 as a precautionary measure in the wake of the coronavirus pandemic, the higher education department announced.

UPDATE (20.03.2020)
The West Bengal government has mandated a partial work-from-home system for its employees and introduced a relief package for 7.9 crore people who get subsidised rations. The two measures were part of a plan announced by CM Mamata Banerjee to tackle the spread of the novel coronavirus and mitigate the problems faced by a large section of people staring at a season of hardships because of reduced activity — economic and otherwise — induced by the outbreak of the disease.

“The government will give free ration to the poor till September. People getting subsidised rice at Rs 2 a kilo and wheat at Rs 3 a kilo will now get them free (a maximum of 5kg a month),” Banerjee said. The CM also asked government departments to introduce a duty roster that would enable 50% of their employees to work from home. The new roster will come into force from Monday and continue till March 31.

UPDATE (17.03.2020)
Update 1: All single-screen cinema halls and most of the multiplexes in West Bengal will remain shut till March 31 in wake of the coronavirus outbreak, it was announced by the state government.

Update 2: In the wake of coronavirus scare, West Bengal Chief Minister Mamata Banerjee on Monday invoked the Epidemic Diseases Act, 1897, in the state. She also announced that all educational institutions will now be closed till 15 April “but exams will go as scheduled.” The Integrated Child Development Services (ICDS) will be closed till 31 March, she said.

Among the other announcements made, Banerjee said that Rs 200 crore fund has been created to prevent spread of coronavirus in the state. She also said, “Rs 5 lakh insurance has been allotted for 10 lakh people including Army personnel in the state, doctors, nurses, medical help, municipality and Asha women who are continuously working to prevent the spread of coronavirus.”

UPDATE (14.03.2020)
The West Bengal Government on Saturday announced that all schools, colleges and universities in the State will remain closed till March 31, in the view of evolving situation on the spread of COVID-19. “It has been decided that all Government, government- aided, private educational institutions-schools, colleges, universities, madrasahs, SSK / MSK will remain closed from 16 March, 2020 to 31 March 2020 in public interest,” a press release issued by the State government said. The statement added that internal examinations of these institutions will also remain suspended during the said duration but the “Board examinations will be held as per schedule.”

UPDATE (13.03.2020)
Bengal chief minister Mamata Banerjee on Friday asked sports associations to defer all sporting events in the state till March 31 against the backdrop of the coronavirus.

<td>Update 1: Telangana, along with the rest of India, has been put under a 21-day lockdown. However, there will be exceptions for essential commodities like groceries, medicines and cooking gas. Telangana Chief Minister K Chandrasekhar Rao announced night curfew from 7 pm to 6 am, to restrict people’s movement on the roads. Asking the people to stay home and follow the prohibitory orders, he warned that the government would impose round-the-clock curfew, bring in the army and issue shoot-at-sight orders, if the people continue to violate the lockdown orders.</td>
</tr>
</tbody>
</table>
**Update 2:** An advisory regarding the well-being and safety of migrant workers have been issued by the department of Municipal Administration and Urban Development, government of Telangana. This advisory was issued after duly consulting the builder’s community and bodies. Some of the key highlights of the advisory are as follows:

- All social gatherings in labor camps are banned. Social distance of 6 feet has to be maintained
- Deploy security outside the camps to ensure nobody goes inside the labor camps
- To ensure food and other necessary essentials during the period of the lockdown issued by the state of Telangana
- To set up an isolation room in the camps to be used by any person who shows symptoms
- Onus on developer to get a medical team to the camp for medical examinations in case any person develops symptoms

**UPDATE (23.03.2020)**

In furtherance to the orders of the lockdown in the state of Telangana, the govt has issued various directions for its streamlined implementation.

**UPDATE (22.03.2020)**

Telangana chief minister (CM) K Chandrasekhar Rao announced a complete lockdown of the state until March 31 on Sunday in order to contain the spread of coronavirus. After holding a high-level meeting with senior officials, the chief minister declared that the lockdown is being notified under Epidemic Disease Act 1987. Section 144 will be imposed in all the districts wherein not more than five people will be allowed to gather outside. “To purchase groceries and vegetables, only one person per family will be permitted. We can contain the pandemic if we show the same unity that people displayed today until March 31,” said Rao, adding that a government order will be issued shortly declaring outlets that will be open and closed during this period.

**UPDATE (15.03.2020)**

Telangana government has declared the closure of all educational institutions, parks, bars and clubs besides banning all types of public gatherings until March 31. The government has asked the operators of all marriage halls to not rent out their premises for the conduct of marriage functions after March 31 while allowing only those marriages that would be performed within this month.

The government also announced closure of cinema halls, pubs, bars, clubs, gyms, swimming pools, museums, zoo parks, indoor and outdoor stadiums. Shopping malls, supermarkets and shops will, however, remain open to avoid inconvenience to people.

No public meetings, seminars, workshops, rallies, exhibitions, trade fairs and cultural events would be allowed. State-owned road transport corporation and Hyderabad Metro would continue to operate with adequate sanitization measures.
23. Arunachal Pradesh

**UPDATE (16.04.2020)**

Chief Minister Pema Khandu said that the state government will provide Rs 3,500 to each Arunachali person stranded outside the state amid nationwide COVID-19 lockdown.

**UPDATE (06.04.2020)**

Section 144 has been declared in Itanagar Capital Region from 7th April to 14th April.
- Restrictive timing for enforcement of CrPC 144 will be effective from 3:30 PM to 8:30 AM.
- No unauthorized vehicles including two wheelers and public will be allowed to move on roads during restricted period except the essential services.
- Assembly of more than 3 persons is prohibited.

**UPDATE (01.04.2020)**

The government of Arunachal Pradesh announce lockdown in the state from Monday evening till 31st March in view of Corona Virus outbreak. The notification said that No public transport services, including operation of taxis, auto-rickshaws, will be permitted except transport of all kinds to and from hospitals, airport, helipad, railway stations, and goods carriers carrying food and essential commodities.

All shops, commercial establishments, offices, factories and workshops shall remain closed and gathering of more than 10 people is prohibited.

UPDATE (22.03.2020)
The State Government invokes Epidemic Act and announces ‘complete safety restrictions’ of state from 5pm, March 23 till midnight of March 31. All essential services shall be exempted.

UPDATE (20.03.2020)
The election process of panchayat and urban local bodies has been put on hold temporarily by the state election commission with consultation from different political parties to prevent any outbreak of Coronavirus pandemic in the state.

UPDATE (19.03.2020)
In furtherance to the order issued on the 16th, all Inner Line Permits issued earlier to visitors and tourists was cancelled.

UPDATE (16.03.2020)
To prevent the spread of COVID-19 virus in state, the state govt decided to put a stop on all mass gathering, movie theatres, seminars, conferences, social/political/religious. Also, all educational institutions shall remain closed till further notice. The order also directed shopping malls to disinfect their stores and food courts from time to time.

Arunachal barred the entry of tourists temporarily to prevent the possibility of spread of COVID-19.

24. Tripura

UPDATE (20.04.2020)
In a bid to resume work in government offices, the State government has issued a guideline regarding attendance in the offices till May 3. The order issued by the Chief Secretary said that all the Group ‘A’ and Group ‘B’ officers will attend office regularly while the heads of the departments were asked to prepare a roster duty chart for the employees belonging to Group ‘C’ and group ‘B’ categories. As per roster duty some will attend office physically while rest will work from home. If any official needs to leave station, he will have to take prior permission.

However, there will be no roster duty in case of departments rendering essential services and the employees in full strength will have to remain present.

UPDATE (13.04.2020)
The state government has decided to allow industrial establishments, involved in manufacturing essential commodities and those requiring a continuous process, to remain functional during the lockdown provided they adhere to social distancing and other hygiene measures.
The order further stated that all necessary movement required for the functioning of these industrial establishments would be allowed by issuing requisite passes.

**UPDATE (12.04.2020)**

The Tripura government has decided to provide financial assistance of Rs 1,000 each to 372 newspaper hawkers in the state. The newspaper hawkers will be provided the financial assistance from the Chief Minister’s Relief Fund (CMRF).

**UPDATE (11.04.2020)**

Tripura Chief Minister Biplab Kumar Deb announced that Education Department has taken another important decision to continue teaching during the lockdown. “There are many students in the state who do not have private tutors. Teachers would give coaching to students through different media (like TV, online). The schedule would be informed later. In the new system, students would feel like normal school classes at their homes. All parents in the state would take a leading role in this matter,” the Chief Minister added.

**UPDATE (10.04.2020)**

The state government has announced that they will provide employment opportunities to families of doctors, nurses and other health workers if they die due to COVID-19 while on official duty.

**UPDATE (07.04.2020)**

The government has formed COVID19 Control room to assist everyone in the pandemic situation.

1. 0381- 241 2424;  2. 0381- 241 3434;  3. 0381- 231 5879

**UPDATE (04.04.2020)**

Ministry of Development of North Eastern Region/-NEC has allocated Rs 3 crore for Tripura out of the Rs25 crore allocated to the North Eastern States for gap funding to fight the COVID-19 outbreak effectively. The fund is to be utilized on any activity relating to COVID-19 pandemic, and not covered under existing central packages.

**UPDATE (01.04.2020)**

Tripura government announced that 6.19 lakh poor families in the state would get free ration for one month in view of the COVID-19 situation and the 21-day lockdown.

In addition to BPL and AAY beneficiaries, government would extend similar benefits to 50,000 people registered to be living above the poverty line (APL), though they are actually poor.

Students in primary and elementary sections would be given take-home food under the mid-day meal scheme, pregnant and lactating mothers would also be given take home food on daily basis. The minister said Rs 75 crore would be used for giving social security pension to all beneficiaries in advance.
The scheme also covers 40,000 construction workers of the state who would get Rs 1,000 for next three months. The money would be credited in their account in DBT mode at a time. Urban homeless and destitute, who were provided cooked meal since last few days, would now be given rice, soyabean, eggs, spices, mustard oil, potatoes, onions as per requirements.

This ration would be given for next seven days to 1,500 beneficiaries across the state. The state government will also provide ration to tea garden workers under the scheme.

**UPDATE (26.03.2020)**

The Tripura Government has deferred the TTADC exam until further notice, in light of the transmitting nCoVid-19.

**UPDATE (24.03.2020)**

**Update 1:** The Government of Tripura has declared a lockdown from 2PM on 24th March to 5PM on 31st March 2020. All essential and emergency services will go on as usual in this period.

**Update 2:** The government has extended a tender for supplying of medicine drugs and consumable to the state up to 15th April 2020.

**Update 3:** The government keeping in mind the transmission has closed its border with Bangladesh, prohibited trains, buses, and has banned mass gatherings of any kind. All shops/malls/commercial establishments furthermore have been kept shut for this matter. Inter-state borders are sealed, with strict isolation in government designated quarantine.

**UPDATE (22.03.2020)**

To stop Coronavirus from spreading it in Tripura the state government has decided to stop movement of passengers through Agartala Immigration Land Check Post till 31st March. Cargo vehicles will be allowed to move freely with due precautions to supply commodities.

**UPDATE (16.03.2020)**

In a bid to prevent a possible spread of Covid-19, the Tripura government has decided to close down all educational institutions and a list of identified public places including cinema halls, swimming pools, gymnasiums, Anganwadi centres from Tuesday till March 31. Chief Secretary of state Manoj Kumar on Monday said that the decision was taken at a meeting presided over by Chief Minister Biplab Kumar Deb. However, the Madhyamik and Higher Secondary examinations conducted by the Tripura Board of Secondary Education (TBSE) would continue as scheduled.

**UPDATE (14.03.2020)**

Tripura imposed a state-wide ban on the entry of foreign tourists.

| **UPDATE (30.04.2020)** |
| The Himachal Pradesh government will coordinate with other states to know the exact number of stranded people from the state before chalking out a plan to bring them home. The state government will also launch an app in which people who want to return back can register, Principal Secretary (Revenue-Disaster Management) Onkar Sharma said. “An action plan will be prepared to bring them back after getting exact information about the number of stranded people from Himachal Pradesh,” he said. |

| **UPDATE (28.04.2020)** |
| Chief Minister Jai Ram Thakur has requested Prime Minister Narendra Modi for bringing a special ordinance by the Union Government to provide financial assistance to the unorganized and other workers, so that the funds available with the Building and Other Workers Welfare Board can also be used for their welfare. |

| **UPDATE (27.04.2020)** |
| Update 1: Chief Minister Jai Ram Thakur today said lockdown should continue beyond May 3 to contain the spread of coronavirus. He also demanded more ventilators for the state hospitals. |
| Update 2: Himachal Pradesh Chief Minister Jai Ram Thakur directed officers to ensure complete medical examination of people before they enter the hill state. He said all the people who are returning to the state should be medically examined at the borders itself and only thereafter they should be allowed to go to their respective destinations for home quarantine. The Chief Minister said it must be made mandatory for the people entering the state to download Arogya Setu app. |

| **UPDATE (26.04.2020)** |
| Update 1: In view of the clarification issued by the Union Ministry of Home Affairs regarding relaxations for opening of shops during lockdown period, the Himachal Pradesh government has decided to strictly implement the directions in the state. The state government has clarified that in rural areas, all shops except those in shopping malls will remain open. In urban areas, all stand-alone shops, neighbourhood shops and shops in residential complexes except shops in multi-brand and single brand malls will remain open during the curfew relaxation time. |
| Update 2: The District Magistrate of Solan issued an order regarding issuing of curfew passes for movement within the state. |

| **UPDATE (25.04.2020)** |
| Update 1: The Himachal government has decided to provide relief to consumers related to paying electricity bills. As per the decision of the government, they will be able to deposit the bill in installments as well. |
**Update 2:** The Himachal Pradesh government, on Saturday, announced its decision to relax curfew for morning walkers amid the nationwide COVID-19 lockdown and pandemic. The state government announced that it was relaxing the curfew from Sunday for the time period between 5.30 am to 7 am for those who wanted to go for an early morning walk. This decision was taken by Chief Minister Jai Ram Thakur during a state review meeting over the COVID-19 pandemic. Apart from relaxing curfew for early morning walkers, the state has also decided to ease curfew for four hours between 10 a.m. to 2 p.m, as compared to the previous relaxation of three hours.

**Update 3:** The District Magistrate of Solan issued an order allowing industrial units situated in District Solan to increase their work shifts from present number of two shifts to three shifts; subject to the compliance of the condition that not more than 30-40% workforce shall be allowed to work in one shift.

**UPDATE (24.04.2020)**
The District Magistrate of Solan issued an addendum to the order dated 21st April 2020, vide which some services/activities, operations/industrial establishments have been exempted/relaxed during the period of lockdown. As per the order, a clause exempting ‘manufacturing and other industrial establishments in designated industrial estate and industrial townships’ has been added.

**UPDATE (24.04.2020)**
**Update 1:** The Himachal government has decided to give various concessions to the power consumers including industrial, commercial, tourism and agriculture of the state. This decision of the government will provide relief to thousands of families in the state.

**Update 2:** More than a hundred students from Himachal Pradesh stranded in Kota in Rajasthan are set to return home in nine buses sent by the state government. The Chief Minister assured us that those stranded outside the state will be brought back but in phases, as bringing thousands of people all at once would be chaotic.

**UPDATE (20.04.2020)**
To provide healthcare facilities at the doorsteps of people during lockdown and curfew period, Himachal Pradesh government has provided e-OPD hubs in three medical colleges of the state through which people while sitting at their homes can seek the medical consultancy from doctors. This move has been initiated after finding that some people are not feeling comfortable in visiting the hospitals due to Covid-19. Through this unique initiative now people can seek medical advice without moving out of their homes through e-Sanjeevani portal of Government of India.

**UPDATE (20.04.2020)**
**Update 1:** Chief minister Jai Ram Thakur has announced that the state government will provide Rs 50 lakh to the family of healthcare personnel if he or she died while dealing with coronavirus patients.
**Update 2:** Plans to contain virus in largest district of Himachal Pradesh are emerging from bottom ups, authorities in Dharamshala have cancelled curfew passes of village heads, ward members and many others after a person sneaked into state borders in a vegetable truck and later found positive for Covid-19.

**UPDATE (19.04.2020)**

The state government notified an amendment in the consolidated revised guidelines for strict implementation by all the Department & Organisations, District Magistrates, Police Officers & Local authorities. It has removed the sub-clause (v) under Clause 14, i.e., E-Commerce Companies. Vehicles used by e-commerce operators will be allowed to ply with necessary permissions.

**UPDATE (18.04.2020)**

The Himachal Pradesh Government issued consolidated revised guidelines (including additional activities to be allowed after 20th April 2020 onwards) as per directions of MHA.

**UPDATE (17.04.2020)**

**Update 1:** Himachal Pradesh government will establish screening centres at all the inter-state barriers on entry points, where all the persons entering the state would be tested with Rapid Diagnostic Test kits. A circular by the Additional Chief Secretary, Health, RD Dhiman said the kits are being made available to the districts with inter-state borders.

**Update 2:** The Additional Chief Secretary (Health) issued an order, wherein, he has directed the respective CMOs from different districts to share the complete details of the persons who have left out from the relief camps with the district administration as well as CMOs of the districts where these persons have gone.

Further, they have been directed to ensure that these persons should be kept under home quarantine and strict surveillance for another 14 days from the date of arrival in their area or till completion of 28 days after entry into the state, whichever is later.

**UPDATE (16.04.2020)**

**Update 1:** The DM of Solan District has issued an order mandating 14-day quarantine for all those entering Solan district from other districts or other states.

**Update 2:** A: To ensure that students from Classes IX to XII residing in the remotest corner of the state benefit through ‘Learning from Home’ programme through e-learning initiatives during the lockdown period, the Education Department of Himachal Pradesh has now proposed to broadcast the study material through television and radio channels.

**UPDATE (15.04.2020)**

**Update 1:** Realizing that spitting in public places could enhance the spread of coronavirus, Himachal Pradesh government has prohibited spitting in public places during Covid-19 epidemic with immediate effect. Those failing to comply with the orders will face action under the provisions of Epidemic Disease Act, 1897 and also under various provisions of Indian Penal Code 1860 and Code of Criminal Procedures (CrPC).
**Update 2:** The Himachal Pradesh government has announced that disinfection tunnels being set up at several places in the state do not help tackle coronavirus. In a circular issued by the state government, Additional Chief Secretary (Health) RD Dhiman said according to an advisory issued by the WHO, spraying disinfectants like alcohol or chlorine does not kill the virus. Therefore, the authorities are advised against their installation, saying their use may prevent people from maintaining hand hygiene.

**UPDATE (14.04.2020)**

**Update 1:** Following Prime Minister Modi’s announcement to extend the lockdown, the Himachal Pradesh government has issued a lockdown order applicable from 15th April till 3rd May.

**Update 2:** After a day-long tussle between the Chandigarh Administration and Himachal Pradesh government over the accommodation of HP natives stranded in Chandigarh, the Himachal Pradesh government finally allowed entry to its citizens. Earlier, the UT Administration had requested the Himachal government to allow entry to its citizens. The administration had said that they “neither have any place to accommodate them for long nor do they have much resources like food to give” as the administration’s machinery was busy managing the COVID-19 related activities and the resources are finite.

**Update 3:** IIT Mandi has signed a MoU with Shri Lal Bahadur Shastri Government Medical College and Hospital, Himachal Pradesh to help tackle COVID-19 in the Himachal Pradesh region. Under this MoU, IIT Mandi has extended its support to set up a real-time Polymerase Chain Reaction (PCR) laboratory for diagnosing Coronavirus at the hospital.

**UPDATE (13.04.2020)**

**Update 1:** The state government has decided to step up testing to rule out the possibility of community spread of coronavirus. It has issued a sampling protocol to ensure the same.

**Update 2:** The government has released a list of centers where chemotherapy and other related treatments would be made available to those who were already enrolled in tertiary level institutions for care.

**Update 3:** Owing to the hike in number of covid cases in the district of Parwanoo in Solan and two adjoining gram panchayats of Jangeshu and Taksal, the administration has ordered complete isolation of the areas.

**UPDATE (12.04.2020)**

Chief Minister Jai Ram Thakur has stated that an exit plan would be initiated only when there will be an initial flattening of infection curve followed by tapering of the curve with the tendency to reach a stage zero infection. He said that as per threat of COVID-19 and cases found in Himachal Pradesh, the state would be divided into 6 zones namely red zone, orange (4 zones) and green zone for the sake of drafting exit plan from COVID-19 lockdown.

Update 2: The Government of Sikkim has put a complete ban on movement of vehicles through Rangpo Check-post including those engaged in essential services from 10PM to 5AM every day.
Update 3: The Government of Sikkim has initiated home delivery of all essential goods, LPG cylinders, food, medicines, groceries, vegetables and meat to discourage movement of people.

UPDATE (31.03.2020)
Update 1: The Chief Minister’s Office has issued an advisory for the payment of additional wages of Rs. 13 per day to the MGNREGA workers to MGNREGA workers from 1st of April 2020. Similarly, the ex gratia payment of Rs. 1000 in two instalments of Rs.500 each to the holder of a widow, old age and disability pension as announced by the Government of India. The women members of the self-help group will also be provided with the amount of Rs. 1500 in three instalments of Rs. 500 starting from the 1st of April 2020. The self-help groups will also get loans up to Rs. 20 lakhs without any collateral guarantee, encouraging them to adopt higher income generating activities.
Update 2: Taking into consideration the hardship being faced by these construction workers due to the present challenging situation of Covid-19 pandemic and country-wide lock down, the Sikkim State Building & Other Construction Workers Welfare Board under the Chairmanship of Minister, Labour Department Shri. M. N Sherpa today approved and sanctioned onetime grant of Rs. 2000/- to each registered construction worker to compensate them during the period of lock down due to Covid-19 pandemic.
UPDATE (30.03.2020)

Update 1: The Chief Secretary notified that any distribution of relief materials should be made in coordination with the offices of respective District Collectors.

Update 2: Chief Minister Shri Prem Singh Tamang took to his official Facebook page on Sunday to address the people of Sikkim and shared about the steps taken by the State Government for the prevention of Covid-19 and preparedness in case of any exigency.

UPDATE (29.03.2020)

Update 1: The Government of Sikkim has decided to provide Rs.5000/- (Rupees five thousand only) each to the students stranded outside Sikkim during the nationwide lockdown.

Update 2: Sikkim TET 2020 examination dates have been postponed again by Sikkim Human Resource Development Department due to the outbreak of coronavirus. Earlier, the examination was scheduled to be held on April 11, 2020, has been postponed now.

UPDATE (28.03.2020)

Update 1: Sikkim Chief Minister chaired a high-level meeting of the State Task Force for coronavirus prevention on Friday. After a thorough deliberation, the CM announced the economic package to provide immediate relief to the economically weaker section of the population.

Update 2: The Department of Information Technology, Government of Sikkim under the directions from the Chief Minister has developed the online portal for donating into the Chief Ministers Disaster Relief Fund (CMDRF) account.

UPDATE (26.03.2020)

Update 1: In order to minimize the movement of individuals outside their homes, transportation of all essential goods, pharmaceuticals, medical equipment and home delivery of medicines, LPG cylinders, groceries, vegetables, fruits, milk, dairy products, and meat shall be permitted with effect until 15th April 2020.

Update 2: The Government of Sikkim has notified that any shortage of essential commodity in a district be immediately reported to the nearest police stations at the earliest.

UPDATE (25.03.2020)

From March 25, the state government has declared a complete lock-down over the entire state of Sikkim. Any out-of-state vehicle will not be allowed to enter Sikkim during the lock-down period which starts from tomorrow. Likewise, no vehicle from Sikkim will be allowed to cross the state borders.

UPDATE (24.03.2020)

Sikkim will be placed under lockdown from 6am on March 25 till March 31 to check the spread of coronavirus.
UPDATE (23.03.2020)
Chief Secretary Shri S.C Gupta chaired the meeting of the State Task Force for Covid-19 prevention. The Chief Secretary requested Law Secretary for immediate implementation of Epidemic Disease Act, 1897 in the State of Sikkim. The Food and Civil Supplies Department was asked to ensure that there is no spike in prices of essential commodities in the market. Further, the department was directed to explore whether they can provide two-month PDS supply in advance to the beneficiaries. The District Collectors were directed to enforce requirement of compulsory quarantining of those returning from countries notified by the Health Ministry. The meeting decided to convert 8th and 9th floors of the Sir Thutob Namgyal Memorial Hospital, Sochakgang into a designated facility for treating confirmed cases of COVID-19. Since the Pharmaceutical companies are engaged in Manufacture of essential medicines, it was decided that they should be allowed to function normally even during the lock down period. However, the ban on entry of new workers should be maintained. These units shall ensure all medical safety precautions.
