

9th GLOBAL INSURANCE SUMMIT

Insurance – “The Next Power House in Financial Industry”

16th September 2016
Hotel Taj Lands End, Mumbai

CHIEF GUEST

Shri T. S. Vijayan
Chairman, IRDA

Insurance industry are continuing to face marked changes in what customers expect in terms of products and service, how they obtain and utilize the information that informs business decisions, and their underlying business and operating models. There are transformational changes on the horizon that are putting existing insurance business models at risk. The insurers that adapt will focus keenly on the customer, build their analytical capability, and have a superior capacity for innovation and reinvention.

The Indian Insurance Industry, both life & Non life, has grown quite significantly after opening of the market and privatization. Life Insurance industry has some years of negative growth rate, while non-life business recorded double digit growth in most of the years. The number of insurers have come up in a large way and the products offered has grown manifold.

ASSOCHAM National council for Insurance is fully committed to bring the stakeholders closer for discussion and deliberations to gauge the effectiveness as well as suggesting measures that can be taken to strengthening long term sustainable growth of the Insurance Industry.
