CERTIFICATIONS

DATA ANALYSIS USING STATA
Guru Gobind Singh Indraprastha University

2023

A complete introduction about STATA and covered these things- Data Visualization, Hypothesis testing, Simple and multiple linear regression, Panel data, Introduction to time series stationarity, VAR, Granger Causality. And also solved number of case studies with over 500 observations.

POWER BI
Guru Gobind Singh Indraprastha University

2023

A complete introduction about POWER BI and covered these things- understanding the Power BI desktop basics, Working with relationships and DAX, Creating visuals in report view, different kinds of data relationships. And also done some assignments on the same.

Analysis Using R
Guru Gobind Singh Indraprastha University

2022

A complete introduction about R and covered these things- Data types, factors and frames, importing and merging data, Regression, Dplyr package, Extraction of data, introduction of time series and panel data. And also solved number of cases studies with over 500 observations.

ABILITIES

- Problem Solving
- Data Gathering & Analysis
- Qualitative and Quantitative Analysis
- Self motivated and quick learner
- Time Management
