EXPERIENCE

- Critically analyzed the development efforts of Kenya as a part of the assignment for Development Economics.
- Prepared a report on "A Microeconomic Analysis of the Production-Consumption Combine of the Food Processing Industry" as a part of the assignment for Microeconomics
- I was a member and a part of the organizing team of the Peace Society at Jesus and Mary College, New Delhi where I got the opportunity to volunteer for various social work programs.
- During the coursework, I researched on India's demographic dividend and country-specific research projects.
