## Internships/Academic Projects

- **Indian Council for Research on International Economic Relation, Research Intern** 2019
  - Prepared Literature reviews for various research papers on International Trade, mainly Free Trade Agreements.
  - Internship was concluded with a presentation in which I suggested a few ways by which we can solve trade disputes or ensure cooperation between countries by using Game Theory tools.
- **STATA Project** 2018
  - Constructed a model to find influential relationship between Gold Prices and independent variables such as Interest Rates, Oil Price Index, Growth of Index of Industrial Production (IIP), Exchange Rates, BSE and Inflation Rates.

## Work Experience

- **Arihant Publications India Ltd, Editor**
  - As an editor, my role involves reviewing and enhancing written or visual content for accuracy, clarity, and quality.
  - I proofread, edit, fact-check, and collaborate with authors, all while adhering to style guidelines and managing project deadlines.
- **CHEGG INDIA PRIVATE LIMITED, Subject Matter Expert (ECONOMICS)** 2020
  - I am working as an Economics Expert at Chegg where I solve economics questions and prepare assignments for students.
  - As a Subject Matter Expert I have to solve a wide variety of questions posted by students with difficulty level ranging from High school level to Post Graduate level.

## Academic Achievements/ Awards and Accomplishments

- Emerged as the **school topper** in Mathematics and Business Studies in class 12<sup>th</sup> 2014
- Scored 93% marks in final assessment of Data Science training. The training program consisted of python for data Science, Statistics for Data Science, Predictive Modeling and basics of Machine Learning. 2019
