SUMMIT AND AWARDS 2026

Overview

India's pharmaceutical sector is undergoing a transformative shift, driven by advancements in next-generation biologics, biosimilars, and cutting-edge therapies. With a strong foundation in research, manufacturing, and affordability, the country is poised to emerge as a global hub for high-quality and cost-effective healthcare solutions. Progressive policy initiatives, regulatory reforms, and digital health advancements are further strengthening India's position in the global pharmaceutical value chain. As demand for complex biologics rises, India has a unique opportunity to enhance innovation, resilience, and global competitiveness.

Against this backdrop, the ASSOCHAM Pharma Summit & Excellence Awards 2026 will serve as a premier platform for dialogue, collaboration, and recognition. Bringing together policymakers, regulators, industry leaders, and academia, the summit will deliberate on key trends, policy frameworks, and emerging opportunities shaping the future of the sector. The event will also celebrate excellence and innovation across the pharmaceutical ecosystem, catalysing growth and position India as a global leader in future-ready pharmaceuticals.

ASSOCHAM
PHARMA
EXCELLENCE AWARD 2026

The awards aim to recognise and celebrate outstanding achievements across India's pharmaceutical and biologics ecosystem, with a focus on innovation, quality, and global competitiveness. They seek to honour organisations that are driving advancements in research, manufacturing, digital transformation, and supply chain excellence. The initiative also highlights contributions towards sustainability, social impact, and inclusive growth within the sector. Through this platform, ASSOCHAM aims to promote best practices and inspire industry-wide excellence aligned with India's global leadership ambitions.
