The Associated Chambers of Commerce & Industry of India (ASSOCHAM) is the country’s oldest and most agile apex chamber, always evolving with the times ever since it was set up in 1920. The ASSOCHAM reaches out to and serves over 4.5 lakh members from trade, industry and professional services through over 400 associations, federations and regional chambers spread across the length and breadth of the country. It has built a strong presence in states, and also spread its wings in the key cities of the world.

With a rich heritage of being led by stalwarts of independent India, like JRD Tata, Nani Palkhivala, H.P. Nanda, L.M. Thapar, A.N. Haksar and Raunaq Singh, among others, the ASSOCHAM has shown the ability to transform itself to the contemporary Corporate India and of late has emerged as the ‘Knowledge Chamber’, leveraging the country’s strength in the knowledge-led global economy. Be it education, health, manufacturing, banking-finance, international trade, energy, human resource, science and technology, entertainment or the rural landscape comprising agriculture and rural infrastructure, the ASSOCHAM has well-established National Councils in each of the segments, chaired by well-known industry leaders, academicians, economists and independent professionals. These councils deliberate extensively and share their inputs with the government.

ASSOCHAM is working hand in hand with the government, institutions of importance and national and international think tanks to contribute to the policy making process even as it shares vital feedback on implementation of decisions of far-reaching consequences. ASSOCHAM is truly an institution of eminence, ever contributing to the task of nation building.
