

# INDIA SPECIALITY CHEMICALS CONCLAVE 2026

*“Speciality Chemicals for Economic Growth & Job Creation”*

**21<sup>st</sup> May 2026**

**Hotel Shangri-La, New Delhi**

## About the CONCLAVE

India's chemical industry is on a strong growth trajectory, aiming to reach **USD 1 trillion by 2040** and strengthen its global presence. Specialty chemicals including agrochemicals, dyes & pigments, construction chemicals, and personal care ingredients are emerging as key growth drivers, supported by rising exports, domestic demand, and government initiatives such as *Make in India* and PLI schemes.

To showcase industry innovations, technologies, and emerging opportunities while discussing key challenges, **ASSOCHAM** is organizing the **India Specialty Chemicals Conclave & Exhibition** with the theme- **“Speciality Chemicals for Economic Growth & Job Creation”** on **21<sup>st</sup> May 2026** in New Delhi.
