About the Festival

About the Festival- The ASSOCHAM India International Fintech Festival is a premier industry platform organized by the ASSOCHAM that brings together policymakers, regulators, financial institutions, fintech startups, technology companies, investors, and global experts to discuss the future of financial innovation and digital finance. Organized since 2022, the festival has emerged as India's leading and premium content and networking platform for the fintech ecosystem, providing a dynamic forum for dialogue between the Government of India, regulators, and leaders from the banking and financial services sector. The event highlights the Government's vision for digital finance, financial inclusion, and regulatory evolution, while also presenting the perspectives of industry stakeholders on emerging technologies such as digital payments, artificial intelligence in financial services, blockchain, regtech, and cybersecurity. From in-depth analytics to inspirational speakers, the festival offers world-class insights and high-impact networking opportunities that help the industry stay ahead—powering strategies, building partnerships, and shaping mindsets focused on what's next in digital payments, fintech, and financial services. With participation from global thought leaders and international institutions, the festival also brings a strong global perspective, fostering cross-border collaboration, innovation, and investment in the rapidly evolving fintech landscape.
